Districtwide Committee Application

Thank you for your interest in serving on a districtwide committee. Our goal is to establish a districtwide pool of volunteers who are willing to participate on districtwide committees. It is important to have balanced committees representing a cross section of our entire community. Please complete the application below and submit it to the District Office to the attention of Mr. Richard J. Zwycewicz, Assistant Superintendent for Curriculum and Instruction by **Friday, October 9, 2026**. (For your convenience, this form may be emailed to melanie.tehan@eischools.org.) When the need arises for a districtwide committee to be convened, applications will be reviewed by the appointed chairperson and relevant district personnel, and you will be contacted when your service is needed.
