

2025 - 2027 GENERAL TERMS AND CONDITIONS OF EMPLOYMENT: UNAFFILIATED SPECIALISTS OR SUPERVISORY EMPLOYEES TIER I

Purpose. This policy outlines the general terms and conditions of employment for unaffiliated specialists or supervisory employees (“employee” or “employees”) of Independent School District No. 191, Burnsville (“District” or “School Board”). This policy does not create an express or implied contract between any employee and the District. The School Board may modify this policy at any time, without prior notice, as the Board sees fit. The terms and conditions in this policy will remain in effect until the Board modifies this policy.

Unaffiliated/Supervisor Employees. For purposes of this policy, individuals holding any of the following positions are deemed to be “unaffiliated specialists or supervisory employees”:

- Tier I:
- a) Executive Director of Administrative Services, Executive Director of Student Services, Assistant Superintendent
 - b) Director of Technology, Director of Finance, Director of Communication

At-Will Employment. The employees covered by this policy are employed on an at-will basis regardless of any statements, representations, procedures, or other policies that may be made or promulgated by the District or its agents or representatives. As a result, the District may discipline or discharge an employee as the District sees fit and for any reason that is not unlawful. The District is not required to show cause when disciplining or discharging an employee. Employees may resign from the District at any time and for any reason. This paragraph does not apply to any employee who is required to hold a license from the Minnesota Department of Education or the Minnesota Board of Teaching.

Performance of Duties. Employees must faithfully perform, at a professional level of competence, the services and duties prescribed by the District, regardless of whether such duties are specifically described in this policy, in a job description, in a notice of assignment, or in another document. Prompt and regular attendance is an essential function of each employee’s job. Employees must also comply with all lawful directives issued by the Superintendent or by any other individual with supervisory authority. In addition, employees must comply with all applicable federal and state laws and with all rules, regulations, and policies established by the District. Employees may not, directly or indirectly, engage or participate in any action or conduct which conflicts in any respect with the interests of the District. Toward that end, employees may not engage or participate in any action or conduct that is inconsistent with their job duties, the basic educational mission of the District, or the desired image of the District.

Notice of Assignment. The District will give each employee an annual notice of assignment containing additional information about the employee’s position, including the following: (1) the employee’s annual salary; (2) the number of duty days for purposes of daily rate of pay calculations; and (3) whether the position is “exempt” or “non-exempt” under the Fair Labor Standards Act. Tier 1 positions are exempt status under the Fair Labor Standards Act. The employee’s duty year will be twelve months in length, (July 1 to June 30).

- a. **Basic duty day.** The basic duty day for most full-time employees will be eight hours in length, but employees in an exempt position are expected to work the number of hours necessary to perform their job duties and to meet the professional expectations of their job. Additional duty days may be approved by the Superintendent.
- b. **Modification of assignment.** The Superintendent may reassign an employee or modify an employee's assignment at any time and for any reason. In addition, the Superintendent may modify an existing job description for an employee's position or create a new job description at any time.

Individual Contracts. In accordance with Minnesota law, the District will issue an individual contract to each employee who is required to hold a license from the Minnesota Department of Education or the Minnesota Board of Teaching.

Full-Time Employment. For purposes of this policy, a "full-time" employee is one who is assigned to work at least 1450 hours per year according to the notice of assignment issued by the District.

Vacation. Full-time employees shall earn vacation equivalent to 2.5 days per month worked to be allocated at the beginning of the fiscal year. Part-time employees will have the amount prorated. Unused vacation time expires at the end of the fiscal year and may not carryover.

Compensation. The Board will determine the compensation range of each employee covered by this policy. For the 2025-2027 school years, the Superintendent will use the following ranges as a guide when determining the compensation of each employee:

2025-2027 Range			
	Minimum	2025-2026 Maximum	2026-2027 Maximum
Tier Ia	\$172,700	\$ 186,200	\$190,500
Tier Ib	\$151,900	\$ 163,500	\$167,300

Additional Compensation. A Tier I employee who has earned a doctorate from an accredited college or university will receive an additional two thousand dollars (\$2,000) per year, if the Board determines that the doctorate relates to the employee's position with the District. If the Board or the Superintendent requires a Tier I employee to work more duty days than the number identified in the employee's notice of assignment (e.g. summer school or special projects), the employee will be paid for the additional duty days at the employee's daily rate of pay or hourly rate of pay, as applicable.

Career Compensation. An employee is eligible for career compensation after completing the appropriate years of service in an Unaffiliated position. Career compensation amounts will be pro-rated for positions that work less than full-time. Career compensation is considered a part of an employee's daily rate of pay. Effective July 1, 2021, the following career compensation amounts apply:

- A. \$1,000 total in the 5th year of employment under Unaffiliated Terms and Conditions of Employment.
- B. \$2,500 total in the 10th year of employment under Unaffiliated Terms and Conditions of Employment.
- C. \$5,000 total in the 15th year of employment under Unaffiliated I (a&b) Terms and Conditions of Employment.

Daily and Hourly Rate of Pay. In the event the District needs to determine a daily rate of pay, the employee's annual salary will be divided by the number of duty days assigned to the employee. In the event the District needs to determine an hourly rate of pay for a full-time employee, the employee's daily rate of pay will be divided by eight hours.

Holidays. In the absence of an emergency or a change in the school calendar, employees are not expected to work on the following paid holidays:

The District will select the insurance policies, plans, and programs. To the extent permitted by law, upon separating from employment with the District a former employee may continue to participate in a group health insurance plan, but such participation will be at the former employee's sole expense.

- a. **Single Health and Hospitalization Insurance.** The District will contribute an amount equal to 95% of the composite premium for an employee who enrolls the single plan. The composite premium will be based on a health care insurance plan with an HRA (Health Reimbursement Account) whereby \$1,000 shall be redirected by the district to the HRA. The remainder of the cost of the plan will be borne by the employee via payroll deduction.
- b. **Dependent Health and Hospitalization Insurance.** The District will contribute an amount equal to 83% of the composite premium for an employee who enrolls in the dependent health insurance plan. The composite premium will be based on a health care insurance plan with an HRA (Health Reimbursement Account) whereby \$2,000 shall be redirected by the district to the HRA. The remainder of the cost of the plan will be borne by the employee via payroll deduction.

The District is not insuring or guaranteeing that any particular claim will be paid or covered by any insurance policy, plan, or program, or that any specific amount will be paid out under any policy, plan, or program. Any description of insurance benefits in this policy is intended to be general and informational only and is subject to change in the discretion of the School Board. The eligibility of any particular employee and the employee's dependent(s) is governed by the terms of the actual insurance policy, plan, or program. The District's only obligation is to make the premium contributions that are identified in this policy, as it currently is written or as amended at any time in the future, for full-time employees who otherwise qualify for and enroll in the particular insurance plan or program.

Sick Leave. Each full-time employee will earn sick leave at the rate of twelve (12) days per school year and may accumulate a maximum of 300 days of sick leave. Part-time employees will earn sick leave on a prorated basis. An employee's use of sick leave is subject to the following conditions:

- a. The Superintendent may allow an employee to use up to five days of annual sick leave in advance of the monthly accrual, but the advance of sick leave will be deducted from subsequent accrual in that year. Any absences due to illness that are in excess of the employee's accumulated sick leave and annual accrual will be without pay. Sick leave may not be used to conduct personal business.
- b. Employees can use their earned sick time for the employee's mental or physical illness, treatment or preventive care; a family member's mental or physical illness, treatment or preventive care; absence due to domestic abuse, sexual assault or stalking of the employee or a family member; closure of the employee's

workplace due to weather or public emergency or closure of a family member's school or care facility due to weather or public emergency; and when determined by a health authority or health care professional that the employee or a family member is at risk of infecting others with a communicable disease.

- e. If the employee reports being absent due to illness or serious health condition, the District may require the employee to provide a certification from a qualified physician stating that the absence was due to an illness or a serious health condition. - f. Upon separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of accumulated sick leave.

Bereavement Leave. An employee may take up to five (5) days of paid bereavement leave per event for any death(s) that occurs in the employee's family. For purposes of this Agreement, family includes a spouse, children, parents, siblings, grandparents, grandchildren, aunts, uncles, nieces, nephews or the equivalent. The Superintendent may, in their sole discretion, grant up to ten (10) additional days of bereavement leave per school year for reasons such as multiple deaths in the immediate family, out-of-state funerals or other extenuating circumstances.

Personal Leave. An employee may take up to two (2) days of paid personal leave each school year. The employee must obtain permission from his/her supervising administrator to take personal leave on a given day. The Superintendent or the supervising administrator may deny any request for personal leave at a given time based upon the Superintendent's or administrator's assessment of the needs of the District. Days of personal leave do not accumulate and will be forfeited if they are not used. Upon

separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of personal leave.

Jury Duty. An employee who is called for jury duty will be reimbursed for the difference between the amount paid for serving on the jury and the employee's regular salary during the period of service. To the extent possible, employees will be expected to report or otherwise perform their regular duties when temporarily excused from attending court.

- c. The employee must obtain permission from his/her supervising administrator to take Religious leave on a given day.

Other Types of Leave. To the extent required by law, the District will grant other types of leave. In addition, the School Board may, in its discretion, grant additional types of leave that are not required by law.

Sick Leave Credit. If an employee is enrolled in the district's group insurance plan and has at least five (5) sick days available from the previous fiscal year, at the beginning of each fiscal year, five (5) sick days will be converted to the equivalent of five (5) days of the employee's daily rate of pay and contributed into the employee's HRA account.

Expense Reimbursement. The District will reimburse employees for mileage and reasonable expenses of job related activities. The District shall provide a monthly allowance of Two Hundred Dollars and No Cents (\$200.00) for business use of the employee's private automobile, pursuant to M.S. §471.665, Subd. 1. Employees may be given time to participate in professional conferences and seminars, and will be reimbursed for reasonable expenses associated with attending such conferences and seminars, provided that the conference or seminar was approved in advance by the supervising administrator or the Superintendent. To obtain reimbursement, employees must submit the required forms in accordance with School Board policy.

Tuition Reimbursement. Employees are eligible for up to one thousand dollars (\$1,000) in tuition reimbursement per school year for post-graduate coursework that is germane to their assignment and benefits the District. All coursework must be preapproved by the Executive Director of Administrative Services. All employees must submit appropriate documentation to the District showing that the employee earned a grade of B or higher, or a passing grade in a pass/fail system, in order to be eligible for tuition reimbursement.

Flexible Benefit Plan. The District has established a Flexible Benefit Plan under IRS Code 125. Regulations and procedures are available in the Human Resources Office. A School Board policy and accompanying regulations have been developed and will be updated annually to comply with IRS Regulations.

- c. **Employee Application.** Employees must apply to participate in the eligible TSA plan by July 1 for upcoming school year. Once an eligible employee elects to participate in the TSA investment program, the election will remain in effect for that school year and for each subsequent year unless modified by the employee.

- e. **Enrollment Limited to Participating Companies.** Tax sheltered annuity purchases will be limited to companies approved by the District.

Minnesota Paid Leave.

1. The Minnesota Paid Leave Law (Minnesota Statutes Chapter 268B) creates a statewide Family and Medical Leave insurance program, scheduled to become effective on January 1, 2026. Employees are covered under this new statute. Given that the statute may undergo multiple revisions during its implementation, this language allows all individuals to plan and rely on specific details. The core understanding of this document is that it shall not restrict any mandated employee benefit required by the statute. PFML benefits are defined as monetary payments associated with qualifying events such as bonding, family care, medical care related to pregnancy, serious health conditions, qualifying exigency, or safety leave.
2. **Premium Contribution**
 - a. The Employer shall contribute 50% of the premiums to the State, and the employee shall pay the remaining 50% of the premium through wage deduction.

3. Non-Supplementation of State Benefits

- a. The district has determined it will not designate paid accrued leave (such as sick leave, personal time, or vacation pay) as a supplemental benefit payment.
- b. A "Supplemental benefit payment" is defined in the statute as a payment made by an employer, such as salary continuation or paid time off, which is given in addition to any PFML benefits the employee receives under Chapter 268B.
- c. An employee retains the ability to use accrued paid time off (like vacation pay or sick leave) in lieu of receiving the state PFML program benefits, provided the employee is concurrently eligible for the leave.

4. Increments for Intermittent Leave

- a. The minimum increment of intermittent leave permitted by this agreement is one calendar day. A "calendar day" refers to a fixed 24-hour period.

5. Relationship to Federal FMLA

Leave required by the federal Family and Medical Leave Act (FMLA) will, as permitted by law, run concurrently with the new state benefit.
