1. ACCESS & LOGIN

Where: CUSD Staff Links → Tableau.

Login: Regular CUSD Login (e.g., woods.kenton@cusd80.com).

Note: Do NOT use your GSE account.

2. NAVIGATION BASICS

Home Base: Look under `Explore / Profile - Teacher`.

Assessments: Testing workbooks live in `Profile - Teacher / Assessments`, grouped by type.

Favorites (★): Click the star icon next to a dashboard name to pin it.

Breadcrumbs: Use the top-left file path to backtrack if lost.

3. KEY DASHBOARDS FOR JUNIOR HIGH

DASHBOARD / FOLDER	WHAT IT SHOWS
Teacher Dashboard Profile - Teacher	Current year data for rostered students (Attendance, Grades, Behavior).
Student Dashboard Profile - Student	Deep dive into a single student (SSI, Enrollment History, Assessments).
Benchmark (Renaissance Star) Profile - Teacher / Assessments	Workbooks with BOY, MOY, and EOY Star benchmark performance (Math/ELA).
End-of-Year (AASA, AzSCI) Profile - Teacher / Assessments	Workbooks with statewide results for your current class, plus prior-year section summaries.
Summative (Common Finals) Profile - Teacher / Assessments	Workbooks with end-of-semester Common Finals results.
Programmatic (AZELLA, STAMP) Profile - Teacher / Assessments	Workbooks with AZELLA results (English learners) and STAMP (dual language).

4. UNDERSTANDING SSI

STUDENT SUCCESS INDICATORS — "EXTREME" RISK FLAGS

- Attendance:** Absent ≥10% of enrolled days.
- Behavior:** ≥10 points (Major=5, Minor=1).
- Coursework:** Presence of D/F Grades in Core Subjects (Math, ELA, Science, Social Studies).
- Composite Score:** A combination of Attendance, Behavior, and Course Performance.

5. TROUBLESHOOTING

"The Numbers Look Wrong!"

- Pick a Section:** Dashboards start blank — choose a section in *Filters* (Student Dashboard: pick a student).
- Check the Date:** Tableau refreshes overnight. It is always *one day behind* Infinite Campus.
- Check the Year:** Current and prior years share one workbook — check the year selected. Details show for *current* students; past sections are summaries.

6. PRO TIPS

Get Email Updates: 1) Set filters. 2) Click View: Original → Save Custom View. 3) Click Watch → Subscriptions.

FERPA ALERT: Never print or share the Student Dashboard with another teacher unless they are rostered to that student.
