Carroll ISD Board of Trustees Honored with Two Proclamations at Tarrant County Commissioners Court

FORT WORTH, Texas - The Carroll ISD Board of Trustees was honored at the Tuesday, July 14, 2026 Tarrant County Commissioners Court meeting, where the District received two official proclamations recognizing its outstanding achievements and leadership.

The first proclamation recognized Carroll ISD as the inaugural recipient of the Texas High School Athletic Directors Association (THSADA) Class 6A Texas Cup, honoring the District's athletic program as the top overall Class 6A program in Texas for the 2025-2026 school year. The proclamation celebrated the exceptional accomplishments of Dragon student-athletes, coaches, staff, and families while highlighting Carroll ISD's longstanding tradition of excellence in academics, athletics, fine arts, and leadership development.

The Board of Trustees also received a second proclamation recognizing Carroll ISD's leadership in defending girls' athletics and Title IX through litigation that contributed to the United States Supreme Court's consolidated decision in *West Virginia v. B.P.J.* and *Little v. Hecox*. The resolution commended the District's steadfast commitment to educational excellence, constitutional principles, parental involvement, and advocacy for fair and safe athletic opportunities for girls.

Accepting the recognitions on behalf of the Board of Trustees and Superintendent Dr. Jeremy Glenn, Board President Cam Bryan expressed his appreciation to the Commissioners Court for honoring the District.

"On behalf of our Board and our Superintendent, thank you so much for these recognitions. It really means a lot because I'm super proud of this Board and this Superintendent for always standing up for what is right and always striving for excellence," said Bryan. "That's why Carroll ISD consistently ranks number one in the State of Texas."

The two proclamations reflect Carroll ISD's commitment to excellence, principled leadership, and dedication to serving students, families, and the Southlake community. They also recognize the Board of Trustees' continued leadership in advancing opportunities for students while representing Carroll ISD with distinction across Texas and the nation.
