July 17, 2026

Dear St. Xavier Freshman Parents and Guardians,

Welcome to St. Xavier High School and the 2026-27 school year! The journey ahead for your son is both exciting and unknown, but promises to be one supported by the wonderful community at St. X. As we move through the summer, a great deal of work has been done to plan for the start of school in August. From the improvement of the building to the professional development of the faculty, administration and staff, we continue to work toward animating the vision of Jesuit education at St. Xavier High School. We look forward to working with your son as he strives to become a man for and with others.

At St. Xavier, we are not just interested in the academic development of our students, but the growth of the student as an entire person, including his spiritual, personal, physical and social development. The next four years will include many programs designed to support your son in this development, starting with his freshman orientation on August 11-12. Along with working with your sons, we have a number of parent education programs that will be offered over the next four years. We look forward to collaborating with you moving forward.

In the spirit of listening and reflection, we continue to extend the invitation to our students and parents to collaborate with us. Please do not hesitate to reach out to let us know how we are doing with our goal of "being the best at getting better."

You should have received separate information concerning student schedules which are now available in PowerSchool. Please carefully read that information and log on to PowerSchool to verify there are no problems.

In the parent portal you will find important documents throughout the year. Currently, in the *Back to School* section, you will find the orientation days schedule, summer reading assignments, information necessary to purchase your son's religion book, this welcome letter and much more to help start the year. Important documents and information will be posted and updated in the parent portal. If there are any problems accessing the parent portal, please contact: helpdesk@stxavier.org.

Best wishes to you and your son as he enters the doors of St. Xavier. We look forward to spending the next four years with you on this journey.

Please feel free to contact me if you have any questions or concerns.

Daniel J. Lynch
Principal
