She was awarded \$500 and America250 gear, which is the official national organization charged by Congress with commemorating the 250th anniversary of the United States. There were only three students in Kentucky who received awards.

Superintended Josh Hurt presented announced Metcalfe County Schools has been recognized as a 2025-2026 National Beta District of Distinction. The honor is bestowed upon school districts that induct qualifying students in all eligible grades (4th-12th) within each school. *Board recognitions are sponsored by RBS Design Group, Glass & Thompson Insurance, and American Fidelity.

3) Superintendent and Director Reports

Superintendent Josh Hurt

- Great end to the school year. Graduation was successful, classy, and well done.
- Very pleased with all of the end-of-the-year ceremonies at all three schools.
- 21st Century Summer Camp is now underway at all three schools.
- Kentucky Education Commissioner Robbie Fletcher visited the 21st Century Summer Camp and Summer Boost/Summer Feeding Program at MCES on June 2. He read a book to students during lunch. It was a very nice visit and covered by local TV. Our Summer Feeding Program has been a huge success.

- Micah Fields could not be here, but submitted information about the LifeWise Program. Enrollment ended at 153 students enrolled and 160 students served in grades 2-5. The program will be open for students in grades 1-8 next year. Students enrolled during the 25-26 school year will be automatically enrolled during the 26-27 school year.

Beth Miller – Food Services Director

- The district served 12,000 meals during the first week of the Summer Feeding Program and 13,000 meals during the second week. The district handed out about 960 gallons of milk each week. The program runs through July 27 with ongoing registration. Pickups are on Mondays, 11am-1pm, at the middle school.

Britt Young – Transportation

- Kentucky legislators have changed the law for school vans. There will be additional training for van drivers before the upcoming school year. Our new plan is expected to be completed next month and will have to be board approved.

Kelly Bell – *We want the public to know that plans to build a new bus garage are on hold for now, while the district purchases new buses. But the Board plans on revisiting options for a new bus garage in the near future.*

Jamie Howard – MCES

- MCES i-Ready scores are trending upward in math and reading. Fewer students are performing below grade level, while the number of students performing above grade level is increasing. It is the strongest progress shown in recent years.
- MCES had two winners in the 2026 Kentucky Department of Agriculture Ag Education and Outreach Poster and Essay Contest. MCES 1st grader Cason Shaw and MCES 2nd grader Reagan Morgan both submitted winning essays at the statewide level and were recognized at an awards ceremony in May.
- Approximately 100 students are enrolled at the MCES 21st Center Summer Camp.

Stacey Slinker – HR

- Action item 5D is the 2026-2027 pay dates schedule and action item 5C is the updated salary schedule if any of the board members have any questions.

Allen Trotter – DPP

- No comments.

Josh Hurt – *If the Board approves action item 5E, it will allow students and staff to be off for Good Friday and would move the last day of school for students to May 21 and closing day for staff to May 24.*

Jenny Stotts – MCMS

- MCMS wrapped up the year with awards day for students in grades 6-8. The following earned all A's for the entire year:
 - 15-6th graders
 - 10-7th graders
 - 11-8th graders
- 21st Century Camp and Summer School started on June 8 and ends June 19.
- *"This is my last official board meeting. I am very excited to start at Metcalfe County Elementary School as their new assistant principal. I believe that Paige Crowe will do a superb job at MCES. I have enjoyed working with the Board of Education and appreciate all of your support. I truly believe that you put students and staff first in Metcalfe County."*

Josh Hurt – *Thank you, Mrs. Jenny, for five wonderful years of service as the principal at Metcalfe County Middle School.*

Matt Shirley – Facilities

- The district has a job opening for a maintenance tech.
- The roster has been approved for the District's Facilities Plan. The first committee meeting will be the last of July or early August.

Rachel Dial – Instruction

- Action item 5B is an update to the 2026-2027 Certified Evaluation Plan. The plan includes the Bullseye evaluation tool, which will be used districtwide.
- Item 5J is a first read only for the new KSBA Policies and Procedures for the 26-27 school year outlined during the previous legislative session. There is no action required tonight.

Cheyenne Garmon – CFO

- Wrapping up FY 26 and getting ready for FY 27. All is going well for both.
- Can answer any questions regarding action items 5A and 5F-5I.

Joseph Eaton – MCHS

- Bobby Young and Brayden Westmoreland both completed the Cleary apprenticeship program, and Bobby has already received a promotion in the business.
- Baseball and softball seasons both came to a close. Seniors in both sports were recognized for their success and time in both programs.
- Tennis finished strong this season with Lucas Macedo making a strong showing at the state tournament.
- Senior Elyda Hicks won the 1st District Congressional Art Contest, and her artwork is being displayed in Congressman Comer's office in Washington, D.C.
- Eli Wilson received student of the month at Barren ATC in May for his performance in the diesel program.
- Addison Morgan signed to cheer at ECU this coming year.

- Maddux Garrett, Hudson Fields, and Chance Garrett were all named to the 16th District All-District Baseball Team.
- Track wrapped up a great track season with new records set.
- Madelyn-Grace Wright recently completed her Rogers Scholars charity project of Socks for Seniors, in which she donated new socks to Metcalfe Nursing and Rehabilitation.
- Senior events and graduation went extremely well. It was a great week for our seniors and their families. This year, 53 students stayed for project graduation, which is the highest number in a while. Thank you to the senior parents and sponsors for making these events possible.
- Last week, 8 of MCHS FFA students show dairy cattle here at the fairgrounds.
