OTHER HIGH SCHOOL FACILITATED EVENTS

(Dates and details will be communicated by the high school)

- High School Incoming Freshman Curriculum Night
 - This evening is dedicated to sharing information about the curriculum for each high school and subject area. The instructional supervisors at the high school will present a synopsis of their programs from a student's freshman to senior year in high school. Questions about credits and course sequences will be answered. Parents and students may attend these meetings.
- Incoming Freshman Activity/Athletics Night
 - The Incoming Freshman Activity/Athletics Night has traditionally provided information for parents and students to help them discover the many activities offered at the high schools. Activity sponsors will be available to answer questions.
