Richmond County School System announces back-to-school dates, annual update reminders

(AUGUSTA, GEORGIA) – The Richmond County School System is reminding families to complete student registration, update annual contact information, and register for school bus transportation before the start of the 2026-27 school year.

Elementary school students will return to class on Wednesday, Aug. 5. Students attending K-8, middle, high, and magnet schools will begin classes Thursday, Aug. 6.

"We're asking every family to complete their annual update before school begins," said Deputy Superintendent of Operations Marcus Allen. "Our job is to make sure students arrive at school and return home safely each day. Completing your annual update gives us the information we need to plan bus service, communicate with families, and support the safe and secure learning environments our students deserve."

Returning families can complete their annual update and bus registration through the Infinite Campus Parent Portal. Step-by-step instructions are available at **rcboe.org/busregistration**.

Families enrolling new students or transferring into the school system can register online at **rcboe.org/registration**. Registration assistance is available in person or by phone at schools from 8:30 a.m. to 3:30 p.m. on weekdays through July 29.

Families who need in-person assistance may also complete registration during Open House. Elementary schools will host Open House from noon to 6 p.m. Monday, Aug. 3. K-8, middle, high and magnet schools will host Open House on Tuesday, Aug. 4. Students who register during Open House will receive their class schedule at a later date.
