Richmond County School System will close on Monday, Feb. 2

(AUGUSTA, GEORGIA) – The Richmond County School System (RCSS) will close all schools and offices on Monday, Feb. 2, due to winter weather conditions and safety concerns related to refreezing temperatures overnight. All extracurricular activities are also canceled.

An update regarding Tuesday, Feb. 3 operations will be provided no later than Monday evening.

Families and staff are encouraged to stay informed by visiting the district's inclement weather landing page at www.rcboe.org/weatherupdates, checking the Infinite Campus Parent Portal, following RCSS social media channels, and monitoring local media outlets.

RCSS appreciates the continued support and flexibility of its families, staff, and community as the school system prioritizes the safety of students and employees.
