MEETING NOTICE
Community Forum: Regionalization Feasibility Study Results

Public Notice is hereby given that the Board of Education will meet on July 6, 2026 at 7:00 PM in the Cafeteria at the Valley Road School, 24 Valley Road, Stanhope, New Jersey, to hold an important community forum regarding the results of the Regionalization Feasibility Study.

The Rowan School Regionalization Institute will present the findings and recommendations from its feasibility study on regionalization and shared services involving the Lenape Valley, Byram, Netcong, and Stanhope school districts.

This study was conducted to explore potential opportunities for greater collaboration, efficiency, and service delivery across the Lenape Valley, Byram, Netcong, and Stanhope school districts as the Board of Education considers what these findings and recommendations may mean for our students, families, and staff.

The meeting will be livestreamed and also made available for viewing on all four districts' websites following the presentation.

Formal action will not be taken.
