

Spierings Cancer Foundation Volunteer Opportunities

Spierings Cancer Foundation (SCF) is a 501(c)3 non profit established in 2009 to provide funds for those affected by cancer within Wisconsin. SCF is a grass roots volunteer-driven organization whose mission is to help local families battling cancer, enhance cancer treatment in our community, and fund cancer research in our state.

90% of the money raised is returned directly to our community. SCF works with local cancer center health professionals and other community members to identify families in need of financial support. 40% of the money raised supports families through the [Family Grant Program](#). 30% of the money raised supports local cancer centers in purchasing equipment and services. 20% of the money raised is allocated to research in the state of Wisconsin. The remaining 10% of the money raised is used for administration purposes.

Over the past 17 years, the foundation has raised more than 2.5 MILLION dollars to support its mission and has helped over 1000 families.

This [link](#) is where you can find our upcoming events and volunteer opportunities. Our next large event is Rock Cancer on August 15, 2026. Please check out this [link](#) for ROCK CANCER's schedule of events to participate in the prayer service, 5K walk, donate, sponsor, purchase merchandise, and volunteer. We need about 350 volunteers for this event. We have an opportunity for a group of (10) to volunteer together on Sunday, 08/16 with clean up. Please share our volunteer [webpage](#) and or sign up genius link (<https://www.signupgenius.com/go/4090448AEA92AA1FC1-64183098-rock/198155492#/>) with others for more information and to sign up.
