PARENT/STUDENT USE AGREEMENT

One to One Device Issuance

Opt In

This agreement explains the responsibilities for families who choose to have a school-issued device assigned to their child. Read the following agreement carefully. Opting in indicates your agreement that your child can be issued a school-owned computing device, and that you understand and agree to the conditions below for remote use of a device owned by The School Board of Broward County, Florida (SBBC):

1. Ownership and Return

- The device and accessories remain the property of SBBC and must be returned in good working condition when requested by the school.
- If the student transfers to another school (including public, private, or out-of-county), the device must be returned to the original issuing school before academic records are released.

2. Responsibility and Use

- Parent(s)/Guardian(s) accept full responsibility for the device while it is checked out to the student and will ensure it is not sold, traded, or pawned. Devices are asset-tagged and may be traceable by law enforcement.
- The device will be used exclusively for school-related purposes. Installation of unauthorized software or tampering with hardware/software is prohibited.
- The student will not lend the device to others, and families will supervise its use and care at home.

3. Loss, Damage, and Support

- Any damage will be reported to issuing location immediately. All repairs are handled exclusively by SBBC. In the event of loss or irreparable damage, parent(s)/guardian(s) agree to reimburse SBBC for the original purchase price.

4. Monitoring and Content Filtering

- Content filtering is applied at all times to the device. Parent(s)/Guardian(s) will monitor student use, especially internet activity, while the device is outside of the school's network.

The assignment of a SBBC device is subject to the conditions established in Board Policy #5306, the Technology Use Policy contained in The Code of Student Conduct and Florida Statute 274, the tangible personal property described below
