WHAT IS PAWS?

PAWS is the name for Spring Valley's PTO. Our goal is to enrich the school community through events, activities, and projects that promote learning, build community, and improve the quality of life for students and SVS faculty. PAWS also brings energy fun, and excitement to the school experience.

YOUR CHILD BENEFITS

Research shows that participating in your child's school helps them perform better academically.

YOUR SCHOOL BENEFITS

PAWS provides support for teachers and administration, creating a positive and caring atmosphere.

MAKE CONNECTIONS

By volunteering, you get the opportunity to socialize with other parents and get to know your child's teachers.

TOGETHER, WE CAN ACCOMPLISH MORE.
