

Brasher Montessori Car Rider Line Information

In an effort to make our car line go more quickly, please follow the guidelines below.

- Every child has a car number. Please keep this in any vehicle that will pick up your child.
- Please **hang** the number from the rearview mirror OR hold it up for us to see. You can also tape it on the left side of your windshield. (see examples below)
- If someone else picks up your child, please make sure they know the number.
- **EVERY** child has a number. Even if they are regular BUS RIDERS. This is just in case you ever need to pick them up in the car line instead of bus.

Car line follows the ARROWS.

Do NOT turn in to the line from Ball Lane.

**We will ask you to move.*

Please do NOT park in this area for the car line.

Do NOT block personal driveways while in the car line.

There is ONLY a RIGHT TURN back onto Cloverleaf Blvd.

Please do NOT drop students before 7:45 AM. We do NOT have staff to supervise them until 7:45. Thank you!

Afternoon Car Line:

- Cars line up using Meadowlark Dr.
- DO NOT turn into car line from Ball Lane. We WILL ask you to move and keep driving onto Meadowlark Dr.
- **DO NOT BLOCK PERSONAL DRIVEWAYS!!!!** You must leave spaces between vehicles for the driveways- IT IS A STATE LAW- LA RS 32:143.1

Neighbors have been instructed to report any vehicle that is blocking their driveways and those vehicles will be reported to **Rapides Parish Sheriff's Office**.

Homeowners have the right to ask you to move off their property. Please ensure your students' Name/Number page is hanging from your rearview mirror or on the dash- this will greatly help the line to move more efficiently and quickly.

Car Line Important Info

Car Riders and Walkers:

The following rules protect the safety of students:

- **No child should be dropped off before 7:45 a.m. because teachers are not on duty before that time.**
- Please do not park in the bus zone during loading and unloading times. The Car line is the closest lane to the patio. Busses line up in the outer lane. You will either get stuck in between busses and blocked in once they park, or you will be asked to move to the end of the carpool line.
- Do not drop your child off across the street or at the corner. We do not have a crossing guard to protect the safety of the students. Please get in the car line so we may safely unload your students.
- **Do not park on the street or grass in front of the school. YOU MUST COME THROUGH THE CAR LINE.**
- **Do not drive on or make U-turns on the grassy area in the front of the school.**
- **ALWAYS** have your car number visible when picking up your child in the afternoons. We do ID any adult picking up a student without a car number/name tag
- **Children should exit on the passenger side of the car.**
- **Remember, if a student is late, the adult must come in, and sign the child in. Doors open at 7:45 - tardy bell @ 8:15.**
- Do not cut through the grass or walk up the driveway on the RIGHT side of the building near the library. YOU MUST walk on the sidewalk in front of the school to crosswalk. (AT ALL TIMES)
- If a car in front of you is NOT PAYING ATTENTION, please honk to alert them to move. Please do not pass them - it messed up our number system of lining students up correctly.

Afternoon Car Line:

- **DO NOT BLOCK PERSONAL DRIVEWAYS!!!!** You must leave spaces between vehicles for the driveways- IT IS A STATE LAW- LA RS 32:143.1
- **Cars MUST turn RIGHT on to Cloverleaf Blvd. when leaving the car line, NO LEFT TURNS during dismissal.**

Neighbors have been instructed to report any vehicle that is blocking their driveways and those vehicles will be reported to **Rapides Parish Sheriff's Office**. Homeowners have the right to ask you to move off their property.
