SPARTAN MISSION:

Meeting the needs of all students with a proud tradition of academic excellence.

Spartan Families,

Although summer has only just begun, we know many families like to get an early start on back-to-school shopping. If you would like to purchase some basic school supplies, please review the attached list.

This list is intended to provide students with the general school supplies they can use across all content areas throughout the school year. Purchasing these items now is completely optional. If you prefer to wait until student schedules are released in August, you can purchase any additional course-specific supplies at that time based on your child's classes and individual teacher expectations.

We hope you and your family have a wonderful, relaxing summer!

My best,

Chris Amato
Principal
