Meal Account Information

The Southeast Dubois County School Corporation uses a prepaid debit system for student meal accounts. Prepaying funds into your child(ren)'s account helps avoid lost money and ensures that funds are available when needed for meals or a' la carte purchases.

Because the system operates as a debit account, money should be deposited before your child makes any purchases. A la carte items cannot be purchased if the account has insufficient funds.

We continue to use the Harmony point-of-service system, which gives parents online access to:

- Check meal account balances
- View food purchases
- Set up automatic low-balance push notifications

It is the responsibility of each family to maintain a positive balance in their child(ren)'s meal account(s) at all times.

Payments can be made using the following methods:

- **Online:** Through Harmony Family Access (a \$3.00 convenience fee applies per transaction)
 - **In Person:** Submit cash or check (payable to the school) in a sealed envelope clearly labeled with your student's name to the front office
-

Free & Reduced Meal Benefits

Free and Reduced-Price Meal Applications can be completed online through [Harmony Family Access](#) during registration.

- If you receive a Direct Certification letter, you do not need to complete an application. However, please notify us if not all students in your household are listed on the letter.
 - DC Qualifying Situations:
 - SNAP (Supplemental Nutrition Assistance Program)
 - Must provide Case Number on Application
 - TANF (Temporary Assistance for Needy Families)

Students without a current application on file by September 22, 2026, will be required to pay full price for all meals until a new application is processed and approved.
- A new application is required each school year to avoid any interruption in benefits.
- Only one application per household should be submitted.
- If the required documentation to support the information provided on the meal application is not submitted or cannot be verified when requested, the student's meal benefits will be denied or discontinued.
- Textbook Assistance section no longer applies and does not need to be completed.
