Rockdale County Public Schools Traffic and Parking Control

The Rockdale County Board of Education provides transportation for students to and from the school to which they are assigned based on residence. Since student transportation is provided, the operation of a motor vehicle by students on campus is a privilege. **Academic and attendance progress is the most important aspect of high school, and therefore, students must meet minimum academic and attendance standards to earn this privilege.** To be eligible to park on school property, the following conditions must be met:

1. High school cumulative GPA of 1.5 or higher.
2. Pass a minimum of five (5) subjects each semester.
3. Be on track for graduation.
4. Will not have excessive tardies and/or absences.

Parking permits will be issued at the beginning of each school year; **grades will be reviewed each semester, and parking privileges will be revoked if the above eligibility criteria are not met.**

Retention of the privilege to drive and park on school property is based on compliance with state motor vehicle laws and Board policies and regulations governing students. Violating these laws, policies, and regulations will result in losing the privilege of operating a motor vehicle on campus and other disciplinary actions, as appropriate.

The following regulations will be followed in the implementation of the Board of Education's policy on traffic and parking control:

1. **Initial_____**

Students cannot leave campus during any class/lunch periods unless they have an RCA class.

2. **Initial_____**

Students who attend classes at RCA cannot transport other students to RCA. RCPS provides transportation.

3. **Initial_____**

Operators violating regulations, policies, or laws may have their vehicles impounded at the owner's expense.

4. **Initial_____**

All student motor vehicles parked on any high school campus in the Rockdale County school system shall be officially registered with the high school and have a valid Rockdale County license tag registration.

5. **Initial_____**

Registration of a vehicle shall be evidenced by the issuance of a specific parking permit, which shall be affixed to the left lower side of the driver's window (no tape or leaving the permit loose on the dashboard/in the car). RCPS Employee Tags may not be used by students to park at RCHS.

6. **Initial_____**

A fee of \$50.00 will be charged to cover the cost of the parking decal at Rockdale County High School.

The Rockdale County Board of Education and Rockdale County High School shall not be responsible for any loss or damage to vehicles or personal items.

9. **Initial**_____

Parking will be provided only for students having decals affixed to vehicles. Unauthorized vehicles (including those having expired decals or RCPS parking tags) will be impounded at the owner's expense.

20. **Initial_____**

Determination of disciplinary action for any violation will be the responsibility of the school principal. The administration of disciplinary action will be conducted with the same caution as those administered for violation of any other school rule(s).
