

HEALTH & SCHOOL SAFETY ANNOUNCEMENT

Student and staff safety is our absolute priority. We want to reassure our families that we, along with all CCSD schools, are fully equipped to handle medical emergencies with critical, life-saving tools on campus:

AEDs (Defibrillators)
Epi-Pens (Epinephrine)
NARCAN (Nasal Spray)
Stop the Bleed Kits

Click the links below to watch a quick 1-minute video explaining how these tools keep our campus safe:
