

MERCED COUNTY OFFICE OF EDUCATION

2026-27 Library Workshops

The workshops will include the following:

- Literacy Exploration through hands-on activities
- Library best practices and advocacy
- Book recommendations
- Guest speakers
- Tech bytes and digital resources
- Maker Activities
- Library policies development

These workshops will showcase strategies and activities to transform your library, virtually and physically, to promote student exploration for the purpose of critical thinking. Each workshop will contain different guests, presentations and information.
