FREE YMCA FAMILY MEMBERSHIP WITH CERTAIN PLANS!

FUN FOR THEM. PEACE OF MIND FOR YOU.

BEFORE & AFTER SCHOOL CARE FOR K-5TH

At the Y, we believe knowledge, skills and values learned early in life create a foundation for the future. We also believe in the power of fun and games, creativity and curiosity, friends and role models. That's why YMCA Before & After School Care sets out to give kids both smile-inspiring escapades and foundational experiences that help them grow as individuals. Whether it's getting homework help, exploring science concepts, enjoying outdoor playtime or creating group art projects, the Y provides a safe, supportive environment that focuses on learning, developing interests and making friends.

Plus, parents enjoy the peace of mind of knowing that their child is being cared for by a state-licensed organization with qualified and trained staff and affordable rates.

- Before school (times and availability vary by district)
- After school (school dismissal until 6pm)
- **Full-time, part-time and drop-in options available**
