

IMPORTANT UPDATE

SchoolCash Online

Fulton County Schools is excited to introduce SchoolCash Online—a convenient and secure way for families to pay for school-related fees. With this new system, you can easily pay for items such as field trips, classroom activities, parking permits, yearbooks, and more—all from the comfort of home.

SchoolCash Online helps reduce the need for cash and checks in our schools while giving families a safe and simple way to make payments using a credit card, debit card, Apple Pay, or Google Pay.
