Charter School Athletic Fees Guidance

Overview

Students who attend charter schools are required to pay fees to participate in any Nevada Interscholastic Activities Association (NIAA) sanctioned sports as approved by the Board of School Trustees at the Regular Board Meeting on August 11, 2022.

Each school must utilize the 2026–2027 Clark County School District Athletics Payment Form for all students participating in sports at their respective schools who attend a charter school. The form must be used for any sport the student is rostered for during the school year.

Fees and Deadlines

For each season, NIAA rosters are due to the NIAA the Wednesday before regular season competition begins. All fees will be paid to the school banker or Aktivate and due to the Secondary Student Athletics and Activities Department on the designated dates. This same procedure will be followed for all subsequent seasons. Any student with an outstanding balance will not be able to roster in any sports at the school until the unpaid balance is paid in full.

Deadlines

Season	2026–2027 District Athletics Payment Form Due	Charter School Fees Due to District
Fall	Thursday, August 13, 2026	Thursday, August 20, 2026
Winter	Thursday, November 26, 2026	Thursday, December 3, 2026

Banking Procedures

Each school will utilize the account, titled Due-to-CCSD, to record the charter school fees. Schools using Aktivate to collect the fees will utilize this account in the same manner as other fees. When Aktivate sends the money, schools will transfer it to the correct school banking activity account. Schools that do not use Aktivate will have each student pay the school banker directly in alignment with the school's procedures by Wednesday, August 12, 2026, for fall athletics; by Monday, November 23, 2026, for winter athletics; and by Wednesday, February 24, 2027, for spring athletics. Schools will then issue a check payable to the Clark County School District from the new Due-to-CCSD account and provide it along with any supporting documentation to the accountant at the Secondary Student Athletics and Activities Department. For additional questions regarding fee payments, contact the School Banking Help Desk at (702) 799-5827.
