

Get Back-to-School Ready

with the **Annual Student Information Update**

Update Emergency Contact Information

All students are required to have updated emergency contact information on file so the district and your school can communicate with you in case of an emergency.

Complete the School Funding Form

All families are asked to complete one school funding form per household to help our schools receive funds to support your students' success.

Get the 2026-27 Family Handbook

Review and acknowledge receipt of this year's family handbook containing district resources and information regarding your rights and responsibilities.

Review Demographic Information

Families are asked to review the demographic information for their student(s) and can update phone number(s) and race, as needed.
