

# **Del Campo High School**

## **Discipline Policy**

### **Points to Remember**

- **Students are not allowed to leave the campus during the school day without obtaining an early dismissal from the Attendance Office.**
- **Smoking, vaping and possession of tobacco are against school and district policy. Possession or use of drugs, drug paraphernalia, or alcohol on or around school violates school and district policy and will result in disciplinary action. Times include before, during, after school, and at all school activities.**
- **Possession of any weapon or explosive, including fireworks, can be grounds for expulsion. All fights result in home suspension and social probation. Repeated fights will result in longer suspensions, social probation, and possible expulsion. Play fighting may result in the same consequences as a real fight.**
- **Running toward a fight, watching a fight, recording a fight, or being disruptive in the vicinity of a fight, may result in disciplinary action up to and including suspension. Harassment of any kind violates school and district policy and will result in disciplinary action.**
- **In addition to other consequences, some offenses result in Social Probation. Social Probation prohibits students from participating in extracurricular activities such as sports, sports practices, clubs, dances, plays, performances, and ceremonies. Offenses for which Del Campo assigns social probation include - but are not limited to - excessive tardies, vandalism, fighting, drug/alcohol use/possession, fines and theft.**
- **All rules apply not only during the school day but also at any San Juan Unified School District activities and athletic contests.**
