

Dear Families and Students,

Welcome to the 2026–2027 school year! We are excited to begin another year of growth, opportunity, and success with our students and families.

At our school, we pride ourselves on creating positive life changes by preparing students for college, careers, and life beyond graduation. We believe that developing strong academic skills, career readiness, and life skills empowers students to succeed both now and in the future.

Our dedicated staff is committed to supporting, encouraging, and challenging every student to reach their full potential. We work closely with students to help them grow academically and personally as they prepare for their next steps in life—whether that path includes vocational training, a career, college, or other post-secondary learning opportunities.

We are proud to offer a variety of programs and experiences that support student success, including:

- Clubs based on student interests
- Activities that promote a positive school climate and career exploration
- Project-based learning opportunities
- Credit recovery options to help students stay on track for graduation

We also invite families to join us for two important events this school year:

- **Back to School Night** — Thursday, August 27, from 3:30 p.m. to 5:30 p.m.
- **Open House** — Thursday, March 18, from 3:30 p.m. to 5:30 p.m.

We value strong partnerships with our families and community. Please feel free to stop by campus or schedule an appointment to meet with our administrative team and support staff. We look forward to working together to make this school year a successful and rewarding experience for every student.

Thank you for being part of our school community. We are excited for a great year ahead!

Sincerely,

William “Pods” Podsakoff
Principal
DeWolf High School
