

August 2026

Dear Parents and Guardians,

As we approach the start of the new school year, I wanted to take a moment to welcome you and your student to our amazing school here at the Farber Educational Campus.

The Farber team has been working diligently to ensure a strong and successful start to the 2026 – 2027 school year. We are proud to celebrate last year's accomplishments, including 10 internships completed, 51 forklift certifications earned, more than 100 CPR certifications awarded, 92 Seals of Civic Engagement achieved, and over XXX graduates. These milestones reflect the hard work and dedication of our students and staff, and we are excited to continue providing the same high level of programs, support, and opportunities for all students this school year.

Early release for Farber online and PLC Staff meetings will all happen on Tuesdays for the 26-27 school year.

All the appropriate bell schedule times will be in your student's welcome packet and on our website.
