	BASE BID PRICE	ALLOWANCE	TOTAL BID PRICE (BASE BID PRICE + ALLOWANCE)
IN NUMBERS	\$128,333.00	\$15,000.00	\$143,333.00
IN WRITTEN FORM	One hundred forty-three thousand three hundred twenty-six dollars.	FIFTEEN THOUSAND	One hundred fifty-eight thousand three hundred twenty-six dollars.

The costs for any work shown or required in the Contract Documents, but not specifically identified as a bid line item are to be included in the related bid line items and no additional compensation shall be due to Contractor for the performance of the work.

All blank spaces appearing above must be filled in. Failure to fill in any blank spaces may render the Bid non-responsive. In case of discrepancy between the Unit Price and Item Cost set forth for a unit basis item, the Unit Price shall prevail and be utilized as the basis for determining the lowest responsive, responsible Bidder. However, if the amount set forth as a Unit Price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or is the same amount as the entry in the Item Cost column, then the amount set forth in the Item Cost column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the Unit Price.

For purposes of evaluating Bids, the District will correct any apparent errors in the extension of unit prices and any apparent errors in the addition of lump sum and extended prices.

The estimated quantities for Unit Price items are for purposes of comparing Bids only and the District makes no representation that the actual quantities of work performed will not vary from the estimates. Final payment shall be determined by the District from measured quantities of work performed based upon the Unit Price.

The undersigned agrees that this Bid Schedule constitutes a firm offer to the District which cannot be withdrawn for the number of calendar days indicated in the Notice Inviting Bids from and after the bid opening, or until a Contract for the work is fully executed by the District and a third party, whichever is earlier.

If the Contract Documents specify alternate bid items, the District can choose to include any, all, or none of the alternate bid items in the Work. If the District selects any of the alternate bid items, the corresponding alternate bid prices shall be added to or deducted from Base Bid Price for the work. The District can award/select alternate bid items at any time(s).
