From the Eagle's Nest— Welcome from the Principal

Dr. Rosemary Camp

As we begin the 2026-2027 school year, we are grateful to our school community for their unwavering support and would like to extend a warm welcome to our Eagle families.

At LNHS, our mission remains **Building Learners and Leaders through Inclusion, Instruction, and Innovation**. We strive to establish a safe learning environment in which all students can thrive. We endeavor to promote a school climate that cultivates personal initiative and fosters a sense of belonging for all students. Through a combination of real world learning opportunities and competency-based instructional experiences, it is our intention that all students leave Liberty North ready for the next phase of their journey, whether that be enrollment, enlistment, or employment.

We recognize that providing clear expectations facilitates effective school operations. To that end, we wish to provide a few reminders regarding school day routines.

- Regular school attendance is vital to the academic success of our students. We are committed to providing quality learning experiences for all students and want to partner with families to ensure that students have every hope of maximizing their learning by routinely attending school.

- Flex Hour is a part of the daily schedule for high school students. We encourage students to take advantage of this time to enhance their learning, partner with their teachers, or socialize with their peers when "brain breaks" are needed. To assist our 9th graders in onboarding for high school, we are implementing Freshmen Success in partnership with MU and have designated the cafeteria as the Flex Zone for Freshmen. Parents/Guardians may complete the Off Campus Permission Form for upperclassmen to leave campus during Flex Hour.

- Liberty Public Schools offers a variety of school lunch options that

meet nutrition guidelines. As a result, LPS does not offer an open campus during lunch and outside food deliveries are prohibited during regular school hours. Please support both our school cafeteria and school district policies by honoring these expectations.

In an attempt to streamline the registration process, we encourage you to register and pay fees online and have placed all necessary forms and information on our website for your convenience. If you would prefer in-person registration, we will be available on August 11 between 9 a.m. and 6 p.m. to complete your registration needs.

We extend this message as an invitation to partner with us, as we recognize how vital a strong home-to-school connection is for student success. We are excited for the promise that the new school year holds and look forward to embarking on this journey together. Sincerely,
Dr. Camp

patty.oguin@lps53.org with questions about Pay to Play.**

If you/your student is in a sport that has to make cuts, please do not pay your Pay to Play until your student makes the team.

MSHSAA Activities

Missouri State High School Athletics and Activities Association requires each participant to have a minimum of 3.0 acceptable credits of course work in the semester prior to their participation in athletics, vocal and instrumental music, debate, forensics, and scholar bowl. This equals six classes. In addition, students must be enrolled in six or more classes for credit for the fall semester.

LNHS Athletic Activity Passes

Students in grades 9-12 have the option to purchase a high school activity pass. This pass will admit students into LNHS home athletic events, EXCLUDING tournament and postseason competitions. The cost of the activity pass for the 2026-2027 school year for \$35 and will be discounted by 50 percent if purchased for second semester only. Activity passes will be issued through Hometown Ticketing before the first home event. Passes may be purchased online via the LN Athletics website.

Liberty North High School Parking Pass Policies & Procedures

ELIGIBILITY:

- Students must have a valid driver's license.
- Students must have insurance on the vehicle.
- Students must have cleared all financial obligations.
- Students may be denied the privilege to park based upon attendance issues, discipline issues, and/or parking/driving incidents.

REQUIREMENTS:

All students who are granted the privilege to park must have their parking permit displayed properly in their vehicle. All students issued a student parking permit must park in the student lots only. Students are not allowed to park along curbs, on fire lanes, or in the staff/visitor parking lots. All parking locations are clearly marked.

VIOLATIONS:

First offense is \$10, second offense is \$25 and third offense is \$50. Parking in a handicapped, visitor, reserved, no parking area or staff spots is \$25 first offense and then \$50 for every offense then after. All tickets issued after the third violation will be \$50. Liberty North High School reserves the option to revoke parking privileges after the third violation or whenever deemed necessary by the school administration. Tickets include but are not limited to no parking privileges, failure to display parking pass, parking illegally, parking in fire lane or handicapped, parking in reserved spots, parking in visitor's lot, or anything else that would cause issues for parking control. After the third violation or whenever administration deems necessary, vehicles may be subject to a parking boot or towing. If the vehicle receives a parking boot, the student will be responsible for paying a \$50 fine for the ticket issued and a \$50 fine to have the boot removed. The party will also have to pay any current outstanding tickets. If the vehicle is towed, the student will be responsible for towing fees and storage charged by the towing company.

LOSS of PRIVILEGE:

Student behaviors in violation of LPS BOE policies, disciplinary guidelines, and/or school procedures may result in loss of parking privileges for the remainder of the current school year and potentially the following school year. All students will be required to pay tickets issued as soon as possible but must have paid prior to graduation in order to receive their diploma.

VEHICLE SEARCHES:

It is a privilege, not a right, to park on school grounds. The school retains the authority to conduct routine patrols of any vehicle parked on school grounds. The interior of a student's automobile on school premises may be searched if the school authority has reasonable suspicion to believe that such a search will produce evidence that the student has violated or is violating either the law or district policy.

GENERAL INFORMATION:

Parking passes that are lost will not be replaced. The student will need to purchase another parking pass at the same rate of \$60. All tickets will be paid through the main office. Students will receive email notification that a debt is owed and they will remain on the debt list until that debt is paid. Debts carry over from year to year.

SENIOR PARKING SPACES:

Members of the Class of 2027 have the opportunity to buy an exclusive parking spot in "Senior Row."

- There will be spaces near the fieldhouse doors and spaces near the 600 doors.
- Purchasers are able to paint the spot to customize it and will have a guaranteed space at school whatever time they arrive.
- There are a limited number of spots, so it is key to register and pay for the parking space as soon as possible.
- If all spots are filled, a waitlist will be created.
- The cost for a year-long spot is \$300, and must be paid in person at the LNHS office with cash or check.
- The spot is non-transferrable.
- Students must clear all fees on the debtors list to be eligible and payment for the pass must be made up front.

NON-REFUND POLICY:

If a student loses the privilege to park on campus during the year, he/she is not eligible for a refund of parking fees. Purchased spots are non-transferrable.

Any student parking permit questions, contact the Main Office at 816-736-5500.

PLEASE fill out the Online Parking Permit Form online at this link:
