Dear Parents,

The Kewaskum School District uses a computerized accounting system for the district's lunch program. It is a PRE-PAID debit system, similar to a debit card or checking account. You must have money in your account to purchase a meal. A check or cash may be deposited into your account at anytime. You can also deposit funds to lunch accounts online via "e-funds". For more information using e-funds, call (262)626-3063. You may use a variety of payment methods (weekly, monthly, semester, etc.). Our payment system runs a "family account", so if you have more than one child, please make only one deposit, which will cover the children in your household.

	LUNCH			BREAKFAST
	<u>Daily</u>	<u>Weekly</u>	<u>Monthly(20 Days)</u>	<u>Daily</u>
Elementary Student	\$3.35	\$16.75	\$67.00	\$2.00
Middle School Student	\$3.60	\$18.00	\$72.00	\$2.00
High School Student	\$3.60	\$18.00	\$72.00	\$2.00
Reduced Price	\$.40	\$2.00	\$8.00	\$.30
Adults/Visitors/Child Visitors	\$4.95	\$24.75	\$99.00	\$2.95

Milk is offered with each "reimbursable" meal. If you bring a cold lunch or breakfast but would like to purchase a milk, the cost for a milk is \$.60. This cost is not part of the milk break offered at our elementary schools. There is a separate fee for milk breaks. Please see the fee schedules that are provided at each schools for that cost.

For information about your child's Lunch Account, please contact Terri Miller at (262)626-33063 or TMiller@kewaskumschools.org . Please provide:

- Head of the household's last name
- Your address
- Phone Number

Are you moving? Changing your last name or phone number? Important! Please, contact your child's school secretary.
If we do not know which account is yours, we cannot deposit your money!!

***KHS and KMS Parents** if you do not want your children to purchase extra, which we call "A la carte", food items you must sign a "Nutrition Services Account Management Form". Available at "Open House" or call (262)626-3063.

Our computerized system works as follow:

1. Each student/staff member is issued a 4 – digit PIN/I.D. number which corresponds with their lunch account, that the computerized system will keep track of deposits and purchases. The student or the lunch cashiers can enter a student by PIN number or by name, should they forget their PIN number. The amount of purchase is subtracted from the appropriate family's account.

2. Parents, please make checks payable to Child Nutrition. Bring checks to school office or mail to:
Child Nutrition c/o Kewaskum High School
1510 Bilgo Lane
Kewaskum, WI 53040

Please, **do not combine this check with money for other purposes**, such as field trips, book fees or sports. We cannot give change to students, as the deposits are entered and deposited at one central location. The entire amount will be entered into your family's lunch account. This will apply for all meal account deposits made throughout the school year.

IMPORTANT: It is necessary to put money in to your account in order to buy a lunch. The system is like a checking account/debit card, not a credit card.

If your account balance falls below \$5.00, you will be notified in the following manner:

- a. FES & KES – cashiers do not inform the students, as we don't feel it's appropriate at that age level.
- b. MIDDLE & HIGH SCHOOLS – The cashier will inform your student and offer him/her a payment envelope to take home
- c. DISTRICT – The district office has a phone calling system that will call you when your account is below \$10.00.

Students who have been approved for free or reduced lunches will also be automatically issued a PIN number. ALL FAMILY MEMBERS WILL DRAW FROM ONE ACCOUNT! Any remaining funds in the family accounts at the end of the school year will be carried over in your account for the next school year. Or, the remaining funds will be returned to you at your written request.

Please call if you have any questions or concerns.

The Nutrition Department is run by the district. We look forward to providing the students and staff with Healthy and Nutritious Meals! Please check out the website at <https://www.kewaskumschools.org/departments/nutritionservices> for information regarding Nutrition Services.

Sincerely,

Terri Miller
