Leatrice Sanders – Principal
Jennifer Hughes – Dean of Instruction
Elizabeth Davis – Assistant Principal
Ronald Davidson – Assistant Principal
Mary Taylan – Counselor
Chelsie Billings – Counselor
Tiffany Esparza – Student Support Counselor

2026-2027 Backpack and Locker Policy

Students are permitted to carry full-size backpacks to all classes throughout the school day. As a result, hallway lockers are not regularly utilized, and lockers will not be automatically mass assigned. If a student determines the need for a locker after the school year has begun, they may submit a request through the Student Center.

To promote student safety and comfort, we kindly ask parents and guardians to encourage their child to use the smallest backpack necessary. Intermediate-aged students often carry more items than needed and may not regularly clean out their backpacks. We recommend that families routinely check and help their student organize their backpack to ensure it contains only essential items. This practice helps reduce unnecessary weight and supports the student's physical well-being.

Thank you,

Victory Lakes Intermediate
