Employee Acknowledgement of the Alliance Direct Contracting Program

I have received information that tells me how to get health care under my employer's workers' compensation coverage. If I am hurt on the job and live in a service area described in this information, I understand that:

1. I must choose a treating doctor from the Alliance list of doctors designated as treating doctors.
2. I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go to any licensed medical professional within the United States.
3. Even though my treating doctor should refer me to a specialist of providers contracted with the Alliance, I understand that I need to verify that the referral doctor is a member of the Alliance provider panel.
4. The Texas Association of School Boards Risk Management Fund will pay the treating doctor and other Alliance providers for all health care related to my compensable injury.
5. I understand that my medical and/or income benefits may be disputed if I receive health care from a provider other than an Alliance provider without prior approval from the Fund.
6. Making a false or fraudulent workers' compensation claim is a crime that may result in fines and or imprisonment.
7. If I want to change doctors after my first choice, I can do so within the first 60 days of starting treatment, and I can only choose from the Alliance list of providers. A third choice requires approval from my adjuster.

Revised 06/10/2026.

WORKERS COMPENSATION TELEMEDICINE PROCESS

Process for injured worker:

1. The employee's First Report of Accident online form will need to be submitted to TASBRMF before the employee can setup an appointment with RediMD.

2. The nurse, department designee, supervisor, or injured employee calls RediMD (888-733-4635) and reports the injury and a customer service rep with RediMD sets up an appointment with the doctor.

3. The injured worker determines what time they would like to see/speak to a RediMD doctor.

    - The RediMD doctor will be available to see the injured worker in 5 to 10 minutes from the initial reporting of the injury to RediMD.

4. The RediMD doctor will conduct a Telemedicine visit with the injured worker and confirm the compensable injuries reported by the injured worker. (The doctor will read back the exact statement the injured worker reported to RediMD to determine and agree on the compensable injuries.)

5. If a follow up Telemedicine visit is necessary, the doctor and the injured worker will schedule a time and date for the follow up visit. The injured worker will get a conformation email or text immediately upon scheduling the follow up visit.

6. RediMD will notify/remind the injured worker the day before their scheduled visit via email and a phone call.

7. The doctor will complete the necessary paperwork and DWC-73 forms. RediMD will send over all the notes via fax or email to TASBRMF, the Division of Workers' Compensation, and the employer.

8. The company can call the treating doctor at their convenience to discuss the case and go over work restrictions, if necessary.

9. The injured workers DWC forms and notes will be uploaded to RediMD's portal where pre-determined staff will have access to retrieve at any time. The staff will be given a log in and password on RediMD that will only show them their employee's DWC forms and notes.
