

BCCC

Baltimore City Community College

ARTS AND SCIENCES TRANSFER, **SCIENCE**

Area of Concentration
Associate of Arts

The Associate of Science degree with Science Concentration prepares students to transfer into bachelor degree programs in science in a four-year college or university. This degree is the first step toward readiness to pursue high demand careers in STEM (Science, Technology, Engineering, and Mathematics).

The bachelor's degree in science prepares students for a variety of careers in industry, government, health care, and educational institutions.
