7th Grade School Supply List

School Issued iPads: All students will continue to use their school issued iPad (with a case, charging brick, and charging cord - for home charging nightly). *If you are new to the district an iPad will be issued to your student during the first week of school.*

- ☐ WIRED headphones (Lightning) - no wireless allowed during school hours
- ☐ \$20 Yearly Insurance Coverage paid on Edutrak (recommended)
- ☐ Stylus pen (optional - personal preference)

Sports Physical- If your child plans to play a school sport, a completed doctor's physical form must be submitted to the school nurse prior to registration (valid for three years).

System of Organization:

Having a physical tool like a large accordion file, or a trapper-keeper is important for keeping class materials organized, separated, and easy to locate. Each student is able to choose what works best, but our experience is positive for students who use a file folder system. We suggest the same color folder and notebook for subjects (i.e. red folder and red notebook for math, yellow folder and yellow notebook for science, etc.).
