Drawing & Painting 1 - Art Supplies

Buy economy quality materials to keep cost down, unless it's a material you like to work with.

Example: Buy Crayola Colored Pencils (if you don't think you will use colored pencils that much. Buy Prismacolor if colored pencils are your thing). You are welcome to reuse any of the supplies you already have from other art classes. You won't need to bring all these supplies to school each day.

- Drawing Journal/Sketchbook 5.5 x 8" – Toned Tan preferred (students are welcome to continue to use a sketchbook that they already have)
- Supply Box/Shoe box/Plastic container with top (hold art supplies to travel/store in school)
- Drawing Pencils - Set (6H-6B)
- Small Pencil Sharpener
- Kneaded Eraser
- Tombow Mono Zero Eraser Round 2.3mm (Amazon)

- 11x14 Canvas (stretched or panel is fine)
- Drawing board with Clip or Masonite 18"x24" (recommended but not required)

Other supplies may be needed throughout the school year based on materials used. It is the nature of art classes to require more supplies than the average course.
