August 1, 2026

Dear Steilacoom Historical School District Families,

On behalf of our dedicated Board of Directors, teachers, administrators, and support staff, I am excited to welcome you to the 2026-27 school year!

Throughout the summer, our team has been thoughtfully preparing to ensure a successful year for every student. We are eager to welcome our students back and begin another year of learning, growth, and meaningful connections.

This year is especially exciting as we launch [our new five-year Strategic Plan](#), centered on three important focus areas: **Learning, Culture, and Systems**. Developed through extensive input from students, families, staff, and community members, this plan reflects our shared values and priorities and provides a clear roadmap for the future of our district.

At the heart of our work remains our mission: **providing the best education for every student**. Through our focus on Learning, we are committed to ensuring high levels of achievement and opportunities for every learner. Through Culture, we will continue to foster welcoming, supportive, and inclusive school environments where students and staff feel connected and valued. Through Systems, we will strengthen the structures, resources, and processes that support student success and ensure our district remains strong and sustainable for years to come.

We know that strong partnerships between home and school are essential to student success. We value our relationship with families and encourage you to stay connected, ask questions, and engage in the many opportunities to be involved in your child's educational journey. Together, we can create exceptional experiences for every student.

Thank you for being such an important part of our SHSD community. We are honored to partner with you and look forward to an outstanding school year filled with learning, growth, and celebration.

Warmly,

A handwritten signature in blue ink that reads 'K. Weight'.

SCHOOL EMERGENCY INFORMATION GUIDE

What Families Should Do

The natural instinct for parents or guardians is to come to the school during an emergency to protect their children. However, by doing so, they may endanger themselves and their children. Law enforcement and school personnel are busy responding to the situation. Your arrival or calls may distract them from their work. Please help by following the steps below.

Stay Home

The most important contribution you can make to your student and your own safety may be staying away from the school.

Stay Informed

Information will be shared with families as soon as possible. Please know, in some situations, accurate information may take some time to verify and share.

Be Ready

Be prepared to follow instructions from the District.

You will be reunited with your child as directed by school or public safety officials. Students will ONLY be released to individuals who are documented as emergency contacts and who present a picture ID.

Family Guide for MEDICATIONS at SCHOOL

State or federal law requires that a form must be completed and signed by both parent/guardian and a licensed health care provider with prescriptive authority for ALL medications to be given at school, including over-the-counter medications.

This form needs to be renewed at the beginning of each year.

1. A new order form for medication at school **is required each school year and for any changes.** This includes medications and treatments ordered on the Physician's Orders for Medication at School form, EpiPen Request and Treatment Plan form, Asthma Medication and Treatment Plan form, Seizure Action Plan form, Feeding Tube Order Set form, and the Orders for Students with Diabetes form.

The form must be **completed and signed by the prescribing physician** for each medication.

The form must also have the **parent/guardian's signature** in order for the medication to be administered.

2. Prescribed medication **must match physician's order**, be in the **original container** with a **pharmacy label that is not expired**, showing the student's name, physician's name, medication name, dose and administration information, prescription number, prescription date, and medication expiration date.

Medication must be **delivered to the school by the custodial parent/guardian**, not your child. A medication count and co-signature for the delivery and receipt of the medication will be required.

Over-the-counter medications must be in the original, unopened container, not expired, and labeled with the student's name.

All requirements listed above must be met at the beginning of each school year for the medication to be received and administered to the student at school.

See District Policy 3416 and Procedure 3416P Medication at School

HOW TO FIND YOUR CHILD'S BUS ROUTE IN SKYWARD

Find your child's pick up & drop off times and stop location information by logging into [Skyward Family Access](#) > Busing Tab

The screenshot shows the Skyward Family Access interface. At the top, the user is logged in as JENNIFER DOE. The left sidebar contains navigation links: Home, New Student Online Enrollment, Ethnicity/Race, Calendar, Attendance, Student Info, Busing (highlighted), and Food Service. The main content area is titled 'Busing' and shows the student's name 'JANE'. Below the name, it displays 'AM Bus Number: 12' and 'PM Bus Number: 12'. A table provides route details:

Route Type	Route	Stop Type	Bus Stop	Arrives	Days
To School	12CDS	Pickup	UNION AVE@CEDAR ST	8:33 am	
From School	12CDH	Pickup	UNION AVE@CEDAR ST	4:03 pm	

Below the table, there is a section for student 'JULIE' with 'AM Bus Number: 12' and 'PM Bus Number: 12'.

AM Bus Number = Student's pick-up bus number taking student TO SCHOOL

PM Bus Number = Student's drop-off bus number bringing student HOME FROM SCHOOL

More than one child?

First select your child's name, and then select busing

This screenshot shows the Skyward Family Access interface with the 'Select Student' dropdown menu open. The dropdown lists 'All Students', 'JANE DOE', 'JULIE DOE', and 'JUSTIN DOE'. The 'Busing' tab is highlighted in the left sidebar. The main content area shows the 'Busing' section for the selected student, with 'AM Bus Number:' and 'PM Bus Number:' fields, and a 'Route Type' dropdown menu with options 'To School' and 'From School'.

Welcome, Parents of Durham Bus Students

Meet Pride, Our Safety Hero

Pride is our safety mascot here at Durham School Services. He helps to teach our young riders how to behave safely in and around the bus.

Learn how to be safe with Pride by watching our [video](#) and completing the games and activities on [our website](#).

Students: Remember to Ride with Pride

P

Pay attention to the Danger Zone.

The Danger Zone is the area around the bus. It is hard for the driver to see you when you are in the Danger Zone.

R

Respect others and the bus.

Talk quietly with a friend. Don't throw things inside the bus or out the windows. Keep the bus clean.

I

Inside, stay seated.

Sit facing forward and keep the aisles clear. Keep head, hands, and feet inside the bus.

D

Don't Run.

Running for the bus could cause you to trip or fall.

E

Exit and move out of the Danger Zone.

When you exit the bus, walk away from it. Don't stand near the bus. Don't try to go back on the bus and get anything you left.

... your school-age child may qualify for certain rights and protections under the **McKinney-Vento Act**. Please complete the attached housing questionnaire and return to your child's school.

A family may find themselves at a point of transition without a home or struggling to meet the daily living needs of their children.

School counselors and school social workers can help with school and community resources.

If you are not sure if your child is eligible, please contact the McKinney-Vento Liaison.

Your eligible child has the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible. If the school district believes that the school you select is not in the best interest of your child, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from school, if you request this.
- Receive educational services comparable to those provided to other students, according to your child's needs.

If you believe your child may be eligible, contact your child's school counselor or the district liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.
