HOLDERNESS

Part-Time Weekend Nurse

Desired Start Date: late August 2026

Overview

Located amid the lakes and mountains of central New Hampshire, Holderness School is a traditional co-ed independent secondary school, serving grades 9-12. Holderness strives to strike a balance in fostering the resources of the mind, body, and spirit: the mind through a challenging college preparatory curriculum; the body through outdoor activities and required interscholastic athletics; and the spirit through school and community service and affiliation with the Episcopal Church. Holderness remains by choice a small school where everybody plays an important role, and where students, faculty, and staff maintain close personal relationships.

Diversity Mission Statement

Holderness School is committed to being a community that celebrates and supports diversity in its many forms because multiple perspectives and experiences are vital to educational excellence and strengthen our community. Diversity refers to the human facets of race, ethnicity, national origin, religion, gender, sexual orientation, age, ability, and socioeconomic status. Holderness strives to create opportunities for cooperation, to broaden the educational experience of all students, and to enrich the lives of all community members.

Job Description

Holderness School's Health Center plays a crucial role in helping manage our students' overall health. Candidates must be a licensed Registered Nurse.

Our nurses provide health care services and address health concerns while promoting healthy choices that enhance students' physical and mental well-being. The work environment is team-oriented and involves close collaboration with students, parents, and all departments of the school to effectively provide a nurturing and healthy living environment for our students.

The ideal candidate will be organized, detail-oriented, follow policies about clinical care, and possess the ability to work independently.
