MILITARY RECRUITMENT NOTICE

Dear 11th or 12th Grade Parent/Guardian:

The Minnesota law requires Tech to provide student data to military recruiters. Here is the Data Practices Act. MN, 13.32, Subd.5a:

> Subd. 5a.**Military recruitment.**
> A secondary institution shall release to military recruiting officers the names, addresses, and home telephone numbers of students in grades 11 and 12 within 60 days after the date of the request, except as otherwise provided by this subdivision. A secondary institution shall give parents and students notice of the right to refuse release of this data to military recruiting officers. Notice may be given by any means reasonably likely to inform the parents and students of the right. Data released to military recruiting officers under this subdivision:
> (1) may be used only for the purpose of providing information to students about military service, state and federal veterans' education benefits, and other career and educational opportunities provided by the military; and
> (2) shall not be further disseminated to any other person except personnel of the recruiting services of the armed forces.

This means that Tech High School must now release to military recruiting officers the following information: names, addresses, and home phone numbers of students in grades 11 and 12 within 60 days after the date requested. This information will be released to military recruiting officers UNLESS the parents have refused to release this data after notice.

If you do not want the above information released to the military recruiting officers, please fill out the form below and return it to Tech High School.

Sincerely,

Principal Tech High School

I do NOT want my student's name, address or home phone number released to military officers.
