

MESSAGE FROM THE TRANSPORTATION DEPARTMENT

Dear NSD Families,

It's that time of year when we are finalizing bus routes for the upcoming school year. Please log in to the Aspen Parent Portal to ensure that the following information is accurate:

- Student's name
- Home address and school information
- Contact information (including phone numbers and email addresses)

If you are unable to access the Parent Portal, please contact your student's school for assistance in resetting your portal login credentials.

All regular education and special education bus routes will be posted in the Parent Portal by mid-August. An email will be sent to the email address on file, and routes will be visible in X2 shortly after routes are set.

Important Dates and Deadlines:

- August 20: A freeze will be placed on all regular education route changes.
- August 24: Approved changes from the initial freeze will be implemented. A second freeze on changes will go into effect.
- August 31: The second freeze will be lifted.

After August 31, any additional changes to both regular and special education routes will require a 48-hour turnaround for the remainder of the school year.

Bus passes will be required for all high school students. Payment for bus passes can be made on the Nashua School District Website via credit or debit card. Check and cash payments can be made directly at the District Office at 141 Ledge St.

Thank you for your attention to this matter and for helping us ensure a smooth start to the school year within our Transportation Department.
