COLONIAL School District

Photo Opt Out form

Great things happen in Colonial Nation every day! In order to get the word out about positive things that are going on in our district, and tell our story we often spotlight students during classroom activities on our website, school and district Facebook Pages, E-newsletters, Instagram, and Twitter.

In addition, district officials appreciate the opportunity to photograph, quote, and/or videotape our students for use in promotional or training/education materials. There are also occasions when TV, radio, and/or newspaper reporters interview or photograph students at a teacher's or administrator's discretion regarding an activity or program.

If you DO NOT wish to have your child's photo used in this way, Please sign and return the opt-out form below. Once this is filled out and returned to the office, your child's teachers will be notified.

If this Opt-Out form is NOT returned, it will be assumed that you are giving permission for your child to be photographed and/or interviewed at a teacher or administrator's discretion.
