An informational meeting will be held on Monday, July 28, 2026 immediately following the board meeting at the administrative offices of the South Point Local School District. This meeting will allow members of the public an opportunity to comment on the use of federal funds (IDEA B, Title, homeless, etc.) received by the district. The public can also give input on Title 1 program components such as but not limited to ESSA and One Plan and the South Point Local Schools Parent Involvement Policy. Other topics to be discussed and feedback sought on will be the following: McKinney Vento/FERPA/Wellness policy review and evaluation DPIA and SWSF/Title IX. Teachers, family members, interested agencies, and all other community members are welcome to attend.
