

2026-2027 Crowley Independent School District

Middle School Dress Code (6th-8th)

Crowley ISD Dress Code Philosophy

Crowley ISD believes middle school students should dress in a manner appropriate for the learning environment. The purpose of the middle school student dress code is to maintain safety, limit distractions, and to help guide and prepare students for career readiness expectations linked to professional workforce attire. Crowley ISD middle schools follow a **Standardized Dress Code**. This dress code is a flexible selection of clothing from which students may choose. It encourages uniformity yet allows for individual expression. This standard for dress is a vital step toward furthering excellence and better preparing our students for their futures. Students are expected to be in dress code beginning the first day of school. Dress code violations shall be handled at the campus level. Dress Code(s) for specialized programs will be described in the individual program guidelines.
