Community & School Partnerships

The Central Bucks School District (CBSD) is located 25 miles north of Philadelphia in Bucks County, Pennsylvania. The district is comprised of nine municipalities, with the Borough of Doylestown serving as the largest population center. CBSD serves just under 18,000 students across fifteen elementary schools, five middle schools, and three high schools.

Beginning with the 2026–2027 school year, Central Bucks High School East expanded to include 9th grade, becoming a four-year comprehensive high school serving students in grades 9–12. As a result of this transition, the school's approximate enrollment is 1,700 students. Career & Technology Education is offered at Middle Bucks Institute of Technology (MBIT), with programs in 5 board career clusters and 21 state approved career pathways. Select students may apply to take part in our partnership with the PA Biotechnology Center through AP Chemistry (indicated as 3101B on transcripts). Central Bucks High School East is accredited by the Middle States Association of Secondary Schools and Colleges and the Pennsylvania Department of Education. The staff includes 103 members, including a psychologist, nurse, seven counselors, one social worker, and five administrators.

Curriculum, Grades, & Ranking

Central Bucks High School East operates under a block scheduling model with four instructional periods per day. A portion of the day is dedicated to time when students can engage in academic support, clubs/activities, and self-directed enrichment opportunities. The school year is divided into two semesters totaling 180 days with 4 marking periods. Each marking period is the equivalent of .50 credit: with a maximum of 8 credits/year. Classes are classified in one of the following areas: Advanced Placement, Honors, Academic, or Special Education. Students must earn a minimum of 27.25 credits to graduate. Expanded details on our curriculum can be found in the 2026-27 Program of Studies.

Central Bucks offers dual enrollment programs with Delaware Valley University and Bucks County Community College. More information can be found at CBSD DE Program

CBSD DOES NOT RANK. Grading is on a 4.0 scale. AP courses are weighted by 1.0 (Ex, an A is 5.0), and honors courses are weighted by .25 (Ex. an A is a 4.25). Ninth grade students were housed in the middle schools through June of 2026, therefore AP courses were not available to our ninth-grade students prior to the 2026.2027 school year.

Courses with 1.00 GPA Weight (Typical Grade Level)
Weighted by 1.0. Denoted with an * on the transcript.

AP Language & Composition (11)	AP Computer Science Principles (10,11,12)	AP Physics C - Mech (11,12)
AP Literature & Composition (12)*	AP Computer Science A (11,12)	AP Physics C - E&M (12)
