

Food & Nutrition Services

2026-2027 School Year

Student Meal Account

For the safety of our students, they are required to identify themselves at each meal service. While our youngest students use an ID card, we encourage you to work with your child to memorize their student ID number. Using this number helps speed up service for all students and allows them more time to enjoy their lunch.

Although we accept cash and checks made payable to "WPCSD Food & Nutrition" at the register, we strongly encourage families to use MySchoolBucks whenever possible to manage their child's meal account.

Please remember students are not permitted to charge A la Carte items.

You May Be Eligible

Although school meals are available at no cost to students this school year, we encourage you to still apply for meal benefits.

You may be eligible for the following:

- ✓ EBT Funding
- ✓ Free musical instrument rental
- ✓ Reduced registration fees for AP, SAT and/or AP Tests
- ✓ Discounted rates on college application fees

Your application affects funding in many areas!

- ✓ School Funding
- ✓ Internet & Technology
- ✓ Access to grants
- ✓ Resources for classrooms, teachers & children

Visit [MySchoolApps.com](https://www.myschoolapps.com) or scan the QR Code below to apply.

2026/2027 SY Meal Prices

Menus

Monthly breakfast and lunch menus can be found by scanning this QR code or visiting the District website.

Please check the online menu frequently, as menus may change without notice due to product availability. Posted menus will always reflect the most current information.

Allergy Safety Plan

Scan this QR Code or Visit the District Website.

Healthcare provider notes and Food Allergy Action Plans must be updated with your school nurse annually, or whenever there are changes.

Restriction notes will not be added or removed from a student's meal account without providing required documentation to the school nurse and confirmation with Food & Nutrition Services.

Visit www.whiteplainspublicschools.org/district-offices/food-services or scan the QR Code for the most up-to-date information.
