Dear Canterbury Community,

With the utmost gratitude, I am honored to share with you the 2023-2024 Donor Impact Report. **The following pages recognize and celebrate you—our families, alumni, and friends—whose generous contributions of time, resources, and talent make Canterbury School a truly remarkable place.** Your support is the foundation of our success, and for that, we say **THANK YOU!**

This year, we are also celebrating a significant milestone—Canterbury's 60th year of academic excellence. Over six decades, our commitment to fostering a love of learning has remained steadfast. At every level, our academic program emphasizes high standards, collaboration, and an atmosphere of mutual respect among students, parents, and teachers. Our faculty, the heart of this institution, nurtures the whole child and promotes a college preparatory education that integrates intellectual, artistic, and athletic pursuits.

I am also proud to acknowledge a historic moment in Canterbury's journey: the creation of the Dosoretz Family Fund for Academic Excellence. **Thanks to the generosity of Dr. Daniel and Mrs. Chely Dosoretz, their \$1 million matching gift will have a transformative impact on attracting and retaining top-tiered faculty.** This includes the hiring of a new leadership position, the Director of Academics, who will play a pivotal role in guiding the academic direction of the school.

On behalf of the entire Canterbury community, thank you for your continued generosity and partnership in shaping the future of our school. Your support ensures that Canterbury will continue to provide an outstanding education for generations of students to come.

All the Best,

Rick Kirschner
Head of School

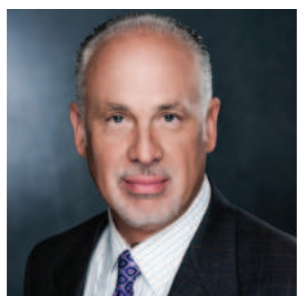

Welcome **NEW TRUSTEES**

Brian Lucas '92

Brian Lucas, a proud 1992 graduate of Canterbury School and Stetson University, has built a career that blends business innovation with community impact. Holding a degree in entrepreneurial management, he began as an IT Management Consultant with Accenture, focusing on the healthcare and utility industries. Brian later returned to Fort Myers to join his family's real estate development business. Brian currently leads Peninsula Investments, a family office managing a diverse portfolio that includes private equity, publicly traded companies, and real estate projects. He is deeply committed to his community and actively supports various philanthropic causes, including Habitat for Humanity and the United Way. Outside his professional achievements, Brian finds his greatest joy in his family. He is the devoted father of five, four of whom are Canterbury graduates, with the youngest currently enrolled. He shares his life with his wife, Becky Lucas, and when he's not in the boardroom or the community, you'll find him enjoying his favorite pastime on the golf course.

Robert Moro

Robert Moro is a native of Long Island, New York, and the President of Pinnacle Strategies, Inc. which assists affluent clients in conserving their wealth through effective financial and estate planning and wealth management. In addition, Bob is co-founder of LI Net, Inc., a start-up company that became Long Island's largest Internet provider before being sold to a public company. Bob holds several professional designations including ChFC, CLU, and AEP from the American College, along with being a Life Member in the Million Dollar Round Table. His involvement in civic activities includes Past President of the Estate Planning Council of Nassau County, former Treasurer and Board Member of the FDNY Firefighter John F. McNamara Foundation, and a former Chairman of the Long Island Chapter Golf Outing Committee for the American Heart Association. He is the proud father of an adult daughter Kristin who was recently married in October of 2024. He and his wife, Christine Moro, are the proud parents of Olivia, Class of 2032. In addition, their family includes Canterbury therapy dog, Tux. In his spare time, he enjoys golf and muscle cars.

Sarah Owen

After a 20-year career as CEO of community change-making organizations, including leading the Southwest Florida Community Foundation now known as the Collaboratory, Sarah Owen now serves as Vice President of Business Development at Shell Point, a positive aging community in Southwest Florida. Sarah is a servant leader, dedicated to helping people fall in love with where they live and discovering their purpose in every stage of life. She is married to David, and they are the proud parents of three children who have successfully launched into the world, including their son, Sam, a graduate of the Class of 2019.

Dr. Rishi Patel

Dr. Rishi Patel is an accomplished pharmaceutical professional equipped with a Doctorate of Pharmacy from Nova Southeastern University, a Master's Degree in Business Administration from Florida Gulf Coast University, and a Bachelor's Degree in Microbiology from the University of Florida, boasting 23 years of expertise in pharmacy and healthcare services. Proven success includes cultivating a multi-million-dollar pharmacy startup, steering one of the largest not-for-profit healthcare entities in the country, and excelling in customer/patient relations. Recognized for his exceptional contributions to the industry, Dr. Patel was inducted into the esteemed Florida Council 100 in 2022, an honor reserved for top-tier business leaders in Florida. He and his wife, Kristin, are proud parents to Harper '30 and Emerson '33.

Stephen Pezzi

Stephen Pezzi is a Senior Trial Counsel at the United States Department of Justice. He graduated from the University of Pennsylvania (where he met his wife, Abigail Dosoretz Pezzi '05) and Harvard Law School. After law school, Stephen worked as a litigation associate at a large international law firm in Washington, D.C., and served as a law clerk to two federal judges. Now, as a litigator at the Department of Justice, Stephen has a nationwide practice that is focused on defending civil lawsuits filed against the federal government. He is proud to live in Fort Myers, from where he works remotely, full-time. Stephen and Abby have two students at Canterbury (Samantha '34 and Andy '37), with a third (Nora) in the pre-kindergarten admissions pipeline.

Trey Ward '91

Trey Ward is a Canterbury alumnus, Class of 1991. He earned a degree in English from Ursinus College in 1995 and returned to Fort Myers in 1996, to join the family business, Val Ward Cadillac. In his 28 years at the company, he has held numerous positions starting in service and parts before advancing to lead both new and pre-owned sales departments. Since 2008, Trey has been President of Val Ward Cadillac, achieving General Motors' prestigious Dealer of the Year award eight times. A dedicated community member, Trey served on the Board of Fiddlesticks Country Club from 2007 to 2010. His ties to Canterbury School remain strong; he is proud to have had three daughters attend and graduate from Canterbury —Whitney ('19), Valerie ('20), and stepdaughter Aubrey Gatewood ('24)—and looks forward to his son Drew continuing the legacy as member of the Class of 2034. In his free time, Trey enjoys golf, offshore fishing, and creating lasting memories with his family.

Gratitude for 60 Years **OF COMMITMENT AND COMMUNITY**

Dear Canterbury Community,

As we celebrate Canterbury's 60th anniversary, we are deeply grateful for the generosity and commitment of our donors. **This past year, you gave with open hearts, enabling us to raise an incredible \$3.7 million!** Equally impressive were the countless hours you volunteered, and gave selflessly to advance our mission of providing an education grounded in academic excellence, character, leadership, and service.

Your belief in the work we do at Canterbury ensures that our outstanding faculty and amazing students have the resources they need to thrive academically while growing into compassionate leaders in their communities.

We recognize that rather than simply being “our” donors, you are individuals who have chosen Canterbury School as a charity worthy of your trust and support. Your contributions are a powerful endorsement of our shared values and vision and enable us to keep our promise that your child will be known and cared for.

With great appreciation,

A handwritten signature in blue ink, appearing to read 'G. Pappas', with a long, sweeping horizontal line extending to the right.

George Pappas
Associate Head of School

PHILANTHROPIC PRIORITIES AT CANTERBURY

The Canterbury Fund is essential, covering four percent of the operating budget. Your gift has an immediate impact on students, teachers, and programs. Your gift supports academic, athletic, and arts offerings at the school with **seventy-six percent of the**

money raised, or 76 cents of every dollar going to pay the school's most important expense: our faculty and staff salary and benefits.

A night like no other! **Extravaganza is the school's premier fundraising event.** It is an evening you can attend in person or join in our online auction. In addition, each year Grant A Wish funds a special school project like the Performing Arts Center renovation, improving

our Courtyards, or refreshing the Hanno Dining Hall. **Money raised not only benefits our students and teachers, but also our facilities.**

Is there something especially meaningful to your family? If so, then direct your gift to a particular need. Say your child loves music and theater, then make a gift to help update lighting and sound systems. Are you interested

in athletics? Then make a gift for new uniforms. Whatever your interest, there is a need that aligns with your values and advances the school's mission.

Capital gifts are those made to improve the school's long-term needs. They often fund major projects like building renovations, new construction, or the acquisition

of technology and equipment that enhances our students' educational experiences. These gifts ensure the school's future growth and sustainability.

2023-2024 ANNUAL GIVING

With heartfelt appreciation, we want to express our gratitude to the donors listed below, whose generous support helped make a Canterbury education possible during the 2023-2024 school year.

Together, as one community, we uphold the school's mission:

"dedicated to academic excellence within a caring, supportive community emphasizing character, leadership, and service."

Investing in Community

THE EVANS FAMILY'S COMMITMENT TO THE CANTERBURY FUND

For James and Amber Evans, choosing to support the Canterbury Fund is a natural extension of the deep sense of belonging and commitment they feel toward Canterbury School. As new members of the community, the Evans family found an immediate sense of warmth and welcome when their son, Ben, joined third grade. "Every interaction we have had with the school has been positive and engaging," James and Amber share. "In a fast-paced world, you enter through the doors of Canterbury and immediately relax, knowing this is your safe place."

The Canterbury Fund plays a vital role in enhancing the academic, athletic, and artistic experiences that make Canterbury a unique environment for growth and learning. For the Evans family, their gift to the Canterbury Fund is a meaningful way to help sustain and strengthen these opportunities. They understand that every contribution, no matter the size, fuels experiences that shape not only their own child's journey but also those of so many other students.

Supporting the Canterbury Fund is also a way for the Evans family to invest in a school that truly values its community. "We know that every dollar counts for nonprofit organizations. These are only a few of the reasons why we donate to the Canterbury Fund," they say, emphasizing the importance of contributing in ways that foster a dynamic and inclusive learning environment. The Evans family's support reflects the joy and pride they feel in being part of Canterbury's Cougar family, a place where their child is recognized, encouraged, and inspired every day.

Making Ellenberg A Welcome Space

A STORY OF FAMILY AND DESIGNATED GIVING

At Canterbury, we cherish the way our community comes together to create meaningful change. For the Jackson family, this sense of connection started with a love for reading. “Our family loves reading, books, and libraries!” said Kyle and MaryBeth Jackson. “When we first toured Canterbury, we fell in love with the spirit and creativity found in the Lower School Library. But when we visited the Ellenberg Library, which serves the Middle and Upper School students, we didn’t experience the same invitation to come, grab a book, and linger.”

The Jacksons saw an opportunity to make a difference and approached Canterbury’s administration with an idea. They wanted to transform the Ellenberg Library into a warm and welcoming space that encouraged students to explore and enjoy the collection. Working alongside other Canterbury families, the Jacksons were able to provide new bookshelves, versatile workspaces, and cozy furniture, creating an inviting environment for all students to discover the joy of reading.

Designated giving to independent schools like Canterbury allows families to support projects that align with their passions and values. In the case of the Jacksons, their love for books and libraries inspired them to direct their contribution toward improving the Ellenberg Library. Designated gifts like theirs have a direct impact, allowing donors to focus on specific areas of the school while fostering a deeper connection between families and the school’s mission.

“We are so happy that Canterbury helped us find a way to provide this designated gift and thrilled we could help make some improvements to the Ellenberg Library,” the Jacksons shared. “Our hope is that our contribution can serve as a catalyst for other families to get involved in areas they care about, whether it’s the library or another part of the school.”

Through their designated gift, the Jackson family helped create a lasting legacy at Canterbury—one that will inspire students to linger, learn, and love reading for years to come.

Cougar Classic Golf Tournament

DRIVES SUPPORT FOR CANTERBURY PROGRAMS

Thanks to the incredible generosity of our Canterbury community, the Cougar Classic Golf Tournament, presented by Pinnacle Strategies, was a resounding success! Held on Saturday, May 18, 2024, at The Forest Golf and Country Club, 120 enthusiastic golfers joined together for a friendly competition supporting Canterbury's Arts, Academics, and Athletics programs.

Together, our sponsors and participants raised nearly \$75,000 to enhance our students' educational experience. This impactful event wouldn't have been possible without the support of our community, and we extend a heartfelt thank you to each of you who contributed to its success.

We also want to extend a big shout-out to our Pro and Math Department Chair, Mr. Thomas Jewell, and our dedicated volunteers who donated their time and talents, ensuring a wonderful day for all. Your commitment makes a lasting difference, and we couldn't be more appreciative!

IT IS WITH SINCERE THANKS THAT WE ACKNOWLEDGE THE FOLLOWING SPONSORS FOR THEIR OUTSTANDING SUPPORT!

Established to recognize those who have included Canterbury School in their estate planning, the 1964 Society honors individuals whose foresight and generosity ensure the long-term growth and success of Canterbury.

With a planned gift to Canterbury School, you can create a lasting legacy in your name while also benefiting from potential financial advantages. A planned gift is a wonderful way to show your support and appreciation for Canterbury School and its mission while accommodating your personal, financial, estate-planning, and philanthropic goals. Planned gifts can come from anyone, at any income level, wishing to make a lasting impact. For many, the simplest option is a bequest in a will or living trust. By including Canterbury School in your estate plans, you help sustain our mission and empower future generations of students.

† Deceased

A Legacy of Opportunity

THE DIBENEDETTO FAMILY RED SOX FOUNDATION MINORITY SCHOLARSHIP

Tom and Linda DiBenedetto's journey with Canterbury School began when they moved their family to Fort Myers with four boys in tow. Initially planning to stay only 18 months, the DiBenedettos never fully unpacked. While their affection for the area grew, they also built a lasting connection with the Canterbury community. Now, years later, their commitment to education has flourished into something far more profound—a scholarship that will benefit minority students for generations to come, with a preference for outstanding student-athletes.

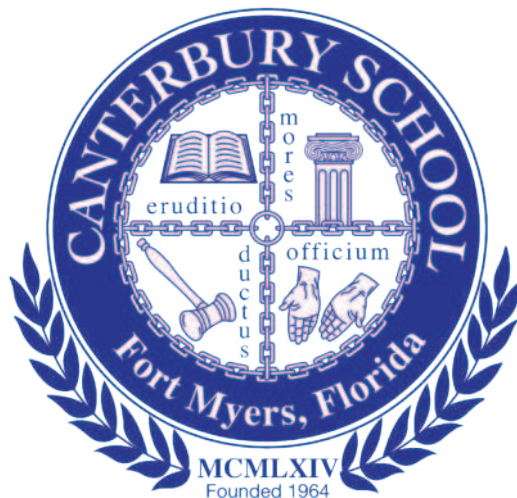

Tom and Linda are deeply involved in philanthropy, education, and athletics. All five of their sons played sports, including at the collegiate level and two played baseball professionally. Tom played college football, and along with Linda, they are part owners of the Boston Red Sox. Linda, perhaps had the most challenging role: getting everyone ready for games and never missing one! The outstanding lessons that a Canterbury education and athletics experience provided their family inspired them to partner with the Red Sox Foundation to create the same life-changing opportunity.

OTHER ENDOWED FUNDS

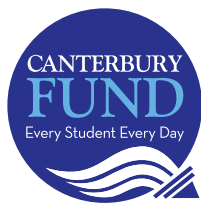

Canterbury has five other fully funded endowment funds - the Davis & Romano Fund for Mathematics, the Mueller Endowment Fund for Financial Aid, the E.E. Ford Fund for Professional Development, the General Endowment Fund for school operating expenses, and the Alumni Scholarship Fund. In addition, there is the Fund for Faculty Excellence, started by the families from the Class of 2019, as their senior class gift. This fund has continued to grow with contributions from subsequent senior classes. Once the \$100,000 goal is reached—and we are nearly there—a portion of the fund will be allocated annually to support and retain our exceptional faculty.

ENDOWMENT OPPORTUNITIES

By making an endowment gift, you can ensure Canterbury's long-term financial stability. Named endowment opportunities at Canterbury begin at \$25,000 to support operating expenses, with named funds for student and faculty support beginning at \$100,000. In addition, matching funds are available for those who wish to make endowed gifts for financial aid. If you would like to make a gift to the endowment, please contact George Pappas, Associate Head of School at gpappas@canterburyfortmyers.org or 239-481-4313 Ext. 718.
