MAKE NOTE OF THE 2026-2027 TEI INCREASE STRUCTURE.

In 2026-2027, eligible teachers will receive the greater of the following: an Effectiveness Level advancement, change to compensation level, OR differentiated board-approved increase.

REVIEW THE 2026-2027 TEI COMPENSATION LEVELS.

2026-2027 TEI Compensation Levels (187/191 Days)

PROGRESSING I	PROGRESSING II	PROFICIENT I	PROFICIENT II	PROFICIENT III	EXEMPLARY I	EXEMPLARY II	MASTER
\$68,500	\$69,500	\$78,000	\$81,000	\$86,000	\$89,000	\$93,000	\$103,000

If the increase earned by advancing an effectiveness level or by change in the compensation level is *greater* than the board-approved increase, the employee's 2026-2027 salary will equal the 2026-2027 TEI Compensation level for the corresponding Effectiveness Level.

OR

5

If the increase earned for change in compensation level or effectiveness level is *less than the amount earned via board approved increase*, the teacher receives the board approved increase.

Board-Approved Increase

PROGRESSING I	PROGRESSING II	PROFICIENT I	PROFICIENT II	PROFICIENT III	EXEMPLARY I	EXEMPLARY II	MASTER
\$1,370*	\$1,390*	\$1,560*	\$1,620*	\$1,720*	\$1,780*	\$1,860*	\$2,060*

*2% of compensation level

Remember: the board-approved increase is applied only if the change in salary from level advancement or compensation level is less than the board-approved increase.
