

690 - SCHOOL PROPERTIES DISPOSAL

A resolution approved by the electorate at an annual meeting provides the Board with the authority to dispose of or sell property belonging to but no longer needed by the District. This resolution remains in effect until rescinded by another resolution approved by the electorate at another annual meeting. By authority of the electorate, the Board shall approve the disposition of property no longer considered usable in the school's instructional or operational program in one of the following ways:

- By sale, transfer or other specific action (auction, bids or bargaining) of items with resalable value
- By approval of purchases or contracts which include trade-ins
- By donation or discard of items of no significant use and/or resalable value

Public notice must be given to the electorate via School Board meeting, The Eagle Flyer, and District website.

The District Administrator shall keep the Board informed of obsolete equipment and materials and shall make disposal recommendations to the Board. Surplus property shall be sold, transferred, exchanged, donated or disposed of in the most efficient manner as determined by the District Administrator.
