

Dear Small Fry,

Welcome to First Grade! My name is Mrs. Fry and I am very excited to be your first grade teacher. We are going to have so much fun learning and growing together this year. I can't wait for our first grade adventure to begin!

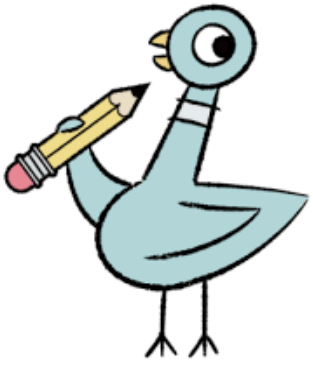

My friend Pigeon will be joining us on the first day and will be a part of our class throughout the year. He is a funny little fellow with big ideas. If you are not familiar with the cute and energetic character named Pigeon you will get to meet him on the first day in a silly book called The Pigeon Has to Go to School by Mo Willems. You might find out that you are a little like Pigeon too!

Our first day together will be filled with many fun activities. We will start learning the routines of the day and we will also learn more about our silly friend Pigeon! Please remember to bring a healthy snack and a ***labeled*** water bottle if you would like to have water in the classroom. Pigeon will probably have his corn and seeds and I'll have an apple on the first day for our snack!

When you get to school on the first day, look for me. I'll be easy to find because I will be holding our friend Pigeon. We really can't wait to meet you!

Love,

Pigeon and Mrs. Fry (and family!)
