

Welcome to the 2026-27 School Year!

Welcome Back, New Heights Family!

We are thrilled about what's in store for our New Heights Family this year! We are coming off yet another historic school year, having reached incredible new milestones in our school's history. Together, we've overcome challenges, supported one another, and truly soared. We could not be prouder of our scholars as they continue to prove just how brilliant, resilient, and capable they are.

New Heights is a remarkably special and diverse learning community. We operate by our guiding phrase, "**I am because WE A.R.E.**"—a daily reminder that our actions impact everyone around us and that we are all part of something bigger than ourselves.

Your New Heights instructional team is energized and eager to work alongside our scholars, helping them grow into the absolute best versions of themselves. The **2026-2027** school year will be another year where we make history through hard work, determination, and a relentless attitude.
