

Monroe Township School Nurses

Dear parent/guardian:

The NJ Department of Health and Senior Services made changes to N.J.A.C. 8:57-4 (Immunization of pupils), which became effective September 2026. Please note the following:

Tdap (tetanus, diphtheria and acellular pertussis vaccine)

Children who will be entering, enrolling or transferring into **grade 7** from a New Jersey school, another state, or another county, are required to receive one dose of this vaccine. This vaccine is typically given on or around the 11th birthday. It cannot be given before the 10th birthday to be considered valid for school.

Meningococcal vaccine

Children who will be entering, enrolling or transferring into **grade 7** from a New Jersey school, another state, or another county, are required to receive one dose of this vaccine. This vaccine is typically given on or around the 11th birthday. It cannot be given before the 10th birthday to be considered valid for school.

****Students who do not comply with the above requirements will not be permitted to start the 7th grade. Unfortunately, there is no grace period. ****

******* Please submit these forms to the nurse for [foreign translations](#), [religious](#), or [medical exemptions](#)***
