District Information

Eanes ISD Mission Statement

Unite. Empower. Inspire...Every Person, Every Day.

We **unite** our community through respectful relationships, creating a sense of belonging for all.

We **empower** students, providing an exemplary education that develops curiosity, creativity, and individual talents.

We **inspire** each other to lead purposeful lives of empathy, gratitude, and compassion.

Eanes ISD Statement of Beliefs

We believe that:

- Individuals have equal intrinsic value
- Each person is unique, possessing diverse abilities and talents
- Each person has the potential to be successful
- Each person is responsible for his or her choices, decisions, and actions
- Individuals need a safe, secure, and supportive environment to be productive, creative, and successful
- The home is the primary influence in the development of the individual and an integral partner in public education
- High expectations and hard work, guided by a positive vision, are essential to achieve success
- The pursuit of excellence requires substantial community effort, investment, and a willingness to improve

Board of Trustees

Texas law grants the Board of Trustees the power to govern and oversee the management of the District's schools. The Board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The Board has completed and final control over school matters within limits established by state and federal law and regulations.

The Board of Trustees is elected by the citizens of the District to represent the community's commitment to a strong educational program for the District's children. Board Members are elected by place and serve three-year terms. Board Members serve without compensation, must be qualified voters, and must reside in the District.

Current Board members are:

- Catherine Walker, President
- John Troy, Vice President
- Diane Hern, Secretary
- Jennifer Blackman
- Kate Ivers
- Kelly Marwill
- James Spradley

Administration

- Kirk Koennecke, Superintendent of Schools
- Dr. Kristy Sailors, Assistant Superintendent of Operations & Technology
- Kimberly Dewrell, Chief Academic Officer
- Laurie Lee, Chief Human Resources Officer
- Dr. Pete Pape Chief Financial Officer
- Claudia McWhorter, Chief Communications Officer
- Matthew Zemo, Chief Student Services Officer
- Audrey Shakra Hipp, General Counsel

School Calendar

<http://www.eanesisd.net/District/calendar>

Preface for Parents and Students

Welcome to the new school year!

Education is a team effort. Students, parents, teachers, and other staff members working together will make this a successful year.

The Eanes Independent School District's Student Handbook is a general reference guide that is divided into two sections:

Section One: Parental Rights describes certain parental rights as specified in state or federal law.

Section Two: Other Important Information for Parents and Students is organized alphabetically by topic. Where applicable, the topics are further organized by grade level.

Note: Unless otherwise noted, the term "parent" refers to the parent, legal guardian, any person granted some other type of lawful control of a student, or any other person who has agreed to assume school-related responsibility for a student.

The Student Handbook is designed to align with law, Board-adopted policy, and the Student Code of Conduct, a Board-adopted document intended to promote school safety and an atmosphere for learning. The Student Handbook is not meant to be a complete statement of all policies, procedures, or rules in any given circumstance.

In case of conflicts between Board Policy (including the Student Code of Conduct) and any Student Handbook provision, the District will follow Board Policy and the Student Code of Conduct.

Therefore, parents and students should become familiar with the District's Student Code of Conduct. To review the Code of Conduct, visit the District's website at <https://www.eanesisd.net/parents/handbooks>.

The Student Handbook is updated annually; however, policy adoption and revisions may occur throughout the year. The District encourages parents to stay informed of proposed policy changes by attending Board meetings and reviewing newsletters and other communications explaining changes in policy or other rules that affect Student Handbook provisions. The District reserves the right to modify the Student Handbook at any time. Notice of revisions will be provided as is reasonably practical.

Although the Student Handbook may refer to rights established through law or District policy, it does not create additional rights for parents and students. It does not, nor is it intended to, represent a contract between any parent or student and the District.

A hard copy of either the Student Code of Conduct or Student Handbook can be requested at your campus.

Also, please complete the following forms included as part of the Online Verification Process:

1. Intent to Attend Eanes ISD
2. Directory and Release of Student Information
3. Demographic Changes and Updates
4. Verify Ethnicity Race

Eanes Independent School District 2026-27 Student Handbook

5. Residency/Foster Care
6. Health Information
7. iPad Protection
8. Library Materials Selection (Secondary Only)
9. Senior Career and Service Days Permission (Seniors Only)
10. Acknowledgement Statement

Note: References to Board Policy codes are included for ease of reference; view the District's [policy manual](#).

The policy manual includes:

- Legally referenced (LEGAL) policies that contain provisions from federal and state laws and regulations, case law, and other legal authorities that provide the legal framework for school Districts.
- Board-adopted (LOCAL) policies that articulate the Board's choices and values regarding District practices.

For questions about the material in this handbook, please contact your campus principal.

Accessibility

If you have difficulty accessing this handbook because of a disability, please contact the District's Communication Department at (512) 732-9002.

Section One: Parental Rights

This section describes certain parental rights as specified in state or federal law.

Consent, Opt-Out, and Refusal Rights

Consent to Conduct a Psychological Evaluation or Provide a Mental Health Care Service

Unless required under state or federal law, a District employee or contractor of the district will not conduct a psychological or psychiatric examination, test, or treatment, without obtaining prior written parental consent.

Note: An evaluation may be legally required under special education rules or by the Texas Education Agency for child abuse investigations and reports.

Consent to Human Sexuality Instruction

Annual Notification

As a part of the District's curriculum, students receive instruction related to human sexuality. The School Safety and Health Advisory Council (SSHAC) makes recommendations for curriculum materials, and the school Board adopts the materials and determines the specific content of the instruction.

The Eanes ISD professional staff believes that it is the combined responsibility of parents, the community, and the public school to assist students in developing the foundation for a healthy lifestyle. This foundation includes both the knowledge and practice of healthy behavior. The District's role is to provide a comprehensive health education program that:

- Takes into account the developmental age of the student
- Emphasizes positive self-esteem
- Encourages respect for self and others
- Develops the notion of proper nutrition and exercise as life-long habits that promote maximum health and fitness
- Develops healthy, respectful attitudes toward human sexuality
- Develops informed, responsible decision-making
- Provides up-to-date factual information regarding high-risk behaviors associated with alcohol and other drug use, and sexual activity
- States that abstinence from high-risk behaviors is the desired goal for EISD students

In accordance with state law, a parent may:

- Review, receive a copy of, or purchase a copy of curriculum materials depending on the copyright of the materials
- Remove his or her child from any part of the human sexuality instruction without academic, disciplinary, or other penalties
- Become involved in the development of this curriculum by becoming a member of the District's SSHAC or attending SSHAC meetings (See the campus principal for details.)
- Use the District's grievance procedure concerning a complaint

Eanes Independent School District 2026-27 Student Handbook

State law also requires that instruction related to human sexuality, sexually transmitted diseases, or human immunodeficiency virus (HIV) or acquired immune deficiency syndrome (AIDS):

- Present abstinence from sexual activity as the preferred choice in relationship to all sexual activity for unmarried persons of school age
- Devote more attention to abstinence from sexual activity than to any other behavior
- Emphasize that abstinence, if used consistently and correctly, is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted infections, and the emotional trauma associated with adolescent sexual activity
- Direct adolescents to abstain from sexual activity before marriage as the most effective way to prevent pregnancy and sexually transmitted diseases
- If included in the content of the curriculum, teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates

Consent Before Human Sexuality Instruction

Before a student receives human sexuality instruction, the parent must give written consent. Parents will be sent a request for written consent at least 14 days before the instruction will begin.

Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking

Before a student receives instruction on the prevention of child abuse, family violence, dating violence and sex trafficking, the District must obtain written consent from the student's parent. Parents will be sent a request for written consent at least 14 days before the instruction begins.

Annual Notification

Students in middle school and high school receive instruction related to the prevention of child abuse, family violence, dating violence, and sex trafficking. The School Safety Health Advisory Council (SSHAC) makes recommendations for curriculum materials, and the school Board adopts the materials and determines the specific content of the instruction.

In accordance with state law, a parent may:

- Review, receive a copy of, or purchase curriculum materials depending on the copyright of the materials. As required by law, any curriculum materials in the public domain used in this instruction will be posted on the District's website at the location indicated above
- Remove his or her child from any part of this instruction without academic, disciplinary, or other penalties
- Become involved in the development of this curriculum by becoming a member of the District's SSHAC or attending SSHAC meetings (See the campus principal for details.)
- Use the District's grievance procedure concerning a complaint

Consent to Provide a Mental Health Care Service

The District will not provide a mental health care service to a student or conduct a medical screening of a student as part of the District's intervention procedures except as permitted by law.

Eanes Independent School District 2026-27 Student Handbook

The District has established procedures for recommending to a parent an intervention for a student with early warning signs of mental health concerns, substance abuse, or risk for self-harm or suicide. The District's mental health liaison will notify the student's parent within a reasonable amount of time after the liaison learns that a student has displayed early warning signs and provide information about available counseling options.

The District has also established procedures for staff to notify a school counselor regarding a student who may need intervention. Each campus has a school counselor and a school-based therapist who can provide further information regarding these procedures as well as educational materials on identifying risk factors, accessing resources for treatment or support on- and off-campus, and accessing available student accommodations provided on campus.

Consent to Display a Student's Original Works and Personal Information

Teachers may display a student's work in classrooms or elsewhere on campus as recognition of student achievement without seeking prior parental consent. These displays may include personally identifiable student information. Student work includes:

- Artwork
- Special projects
- Photographs
- Original videos or voice recordings
- Other original works

However, the District will seek parental consent before displaying a student's work on the District's website, a website affiliated or sponsored by the District (such as a campus or classroom website), or in District publications, which may include printed materials, videos, or other methods of mass communication.

Consent to Video or Audio Record a Student when Not Already Permitted by Law

State law permits the school to make a video or voice recording without parental permission when the recording is to be used for:

- School safety
- Classroom instruction or a cocurricular or extracurricular activity
- Media coverage of the school
- Promotion of student safety as provided by law for a student receiving special education services in certain settings
- In other circumstances, the District will seek written parental consent before making a video or voice recording of a student.

Please note that parents and visitors to a classroom, both virtual and in person, may not record video or audio or take photographs or other still images without permission from the teacher or other school official.

Opting Out of Advanced Mathematics in Grades 6-8

The District will automatically enroll a student in grade 6 in an advanced mathematics course if the student performed in the top 60 percent on the grade 5 mathematics STAAR or in the top 40 percent on a local measure that demonstrates proficiency in the student's grade 5 mathematics course work.

Enrollment in an advanced mathematics course in grade 6 will enable students to enroll in Algebra I in grade 8 and advanced mathematics in grades 9-12.

Eanes Independent School District 2026-27 Student Handbook

The student's parent may opt the student out of automatic enrollment in an advanced mathematics course.

Limiting Electronic Communications between Students and District Employees

When communicating with teachers and staff, students will use the District provided communication tool(s) as identified by Eanes ISD. The application(s) are to be used for electronic communications as it relates to school activities, clubs, or campus-based activities. Students should not communicate to teachers, coaches, sponsors, or staff members through cellular text messaging. All messages, attachments and links shared between students and staff will be reviewed by Eanes ISD administrators as needed.

A parent who does not want his or her child to receive one-to-one electronic communications from a District employee should contact the campus principal.

Objecting to the Release of Directory Information

The Family Educational Rights and Privacy Act, or FERPA, permits the District to disclose appropriately designated "directory information" from a student's education records without written consent.

"Directory information" is information that, if released, is generally not considered harmful or an invasion of privacy. Examples include:

- A student's photograph (for publication in the school yearbook)
 - A student's name and grade level (for communicating class and teacher assignments)
 - The name, weight, and height of an athlete (for publication in a school athletic program)
 - A list of student birthdays (for generating schoolwide or classroom recognition)
 - A student's name and photograph (posted on a District-approved and -managed social media platform)
 - The names and grade levels of students submitted by the District to a local newspaper or other community publication (to recognize the A/B honor roll for a specific grading period)
1. Directory information for District students shall only be released to anyone who follows procedures for requesting it [See policy FL (LOCAL) for more information District- and school-sponsored/school-affiliated purposes for all students
 2. Military recruiters and institutions of higher education for secondary students, in accordance with law.

District/School Purposes: The District has designated the following categories of information as directory information for the purpose of disclosure relating to District- and school-sponsored/school-affiliated purposes: student name; address; telephone number; parent electronic mail address; photograph; date of birth; honors and awards received; dates of attendance; grade level; most recent educational institution attended; participation in officially recognized activities and sports; and weight and height of members of athletic teams.

Other Purposes – Secondary Students Only: The District has designated the following categories of information as directory information, for secondary students only, for the purpose of disclosure to military recruiters and institutions of higher education: student name, address, and telephone number.

Eanes Independent School District 2026-27 Student Handbook

If you do not want the District to disclose directory information from your child's education records without your prior written consent, please notify the District through the online enrollment verification process or talk to your campus administrator.

The District requests that families living in a shelter for survivors of family violence or trafficking notify District personnel that the student currently resides in such a shelter. Families may want to opt out of the release of directory information so that the District does not release any information that might reveal the location of such a shelter.

Objecting to the Release of Student Information to Military Recruiters and Institutions of Higher Education (Secondary Grade Levels Only)

Unless a parent has advised the District not to release his or her student's information through the online enrollment verification process, the Every Student Succeeds Act (ESSA) requires the District to comply with requests from military recruiters or institutions of higher education for the student's:

- Name
- Address
- Telephone listing

Military recruiters may also have access to a student's District-provided email address, unless a parent has advised the District not to release this information.

Participation in Third-Party Surveys

Consent Required Before Student Participation in a Federally Funded Survey, Analysis, or Evaluation

The Protection of Pupil Rights Amendment (PPRA) provides parents certain rights regarding participation in surveys, the collection and use of information for marketing purposes, and certain physical exams.

A parent has the right to consent before a student is required to submit to a survey funded by the U.S. Department of Education that concerns any of the following protected areas:

- Political affiliations or beliefs of the student or the student's parent
- Mental or psychological problems of the student or the student's family
- Sex behavior or attitudes
- Illegal, antisocial, self-incriminating, or demeaning behavior
- Critical appraisals of individuals with whom the student has a close family relationship
- Legally recognized privileged relationships, such as with lawyers, doctors, and ministers
- Religious practices, affiliations, or beliefs of the student or parent
- Income, except when the information is required by law and will be used to determine the student's eligibility for a program

A parent may inspect the survey or other instrument and any corresponding instructional materials used in connection with such a survey, analysis, or evaluation. [See policy EF(LEGAL) for more information.]

"Opting Out" of Participation in Other Types of Surveys or Screenings and the Disclosure of Personal Information

The PPRA gives parents the right to receive notice and an opportunity to opt a student out of:

Eanes Independent School District 2026-27 Student Handbook

- Activities involving the collection, disclosure, or use of personal information gathered from the child for marketing, selling, or otherwise disclosing that information to others
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of the student

Exceptions are hearing, vision, or spinal screenings, or any physical examination or screening permitted or required under state law. [See policies EF and FFAA for more information.]

A parent may inspect:

- Protected information surveys of students and surveys created by a third party
- Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes
- Instructional material used as part of the educational curriculum

The U.S. Department of Education provides extensive information about the [Protection of Pupil Rights Amendment](#), including a [PPRA Complaint Form](#).

Removal of a Student from Instruction or Excusing a Student from a Required Component of Instruction

See Consent to Human Sexuality Instruction and Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking for information on a parent's right to remove a student from such instruction

Reciting a Portion of the Declaration of Independence in Grades 3–12

- State law designates the week of September 17 as Celebrate Freedom Week and requires all social studies classes to provide:
- Instruction concerning the intent, meaning, and importance of the Declaration of Independence and the U.S. Constitution

A specific recitation from the Declaration of Independence for students in grades 3–12.

Per state law, a student may be excused from recitation of a portion of the Declaration of Independence if any of the following apply:

- A parent provides a written statement requesting that his or her child be excused
- The District determines that the student has a conscientious objection to the recitation
- A parent is a representative of a foreign government to whom the U.S. government extends diplomatic immunity

[See policy EHBK(LEGAL) for more information.]

Reciting the Pledges to the U.S. and Texas Flags

A parent may request that his or her child be excused from participation in the daily recitation of the Pledge of Allegiance to the U.S. flag and the Pledge of Allegiance to the Texas flag. The request must be made in writing.

State law, however, requires that all students participate in one minute of silence following recitation of the pledges.

[See policy EC(LEGAL) for more information.]

Eanes Independent School District 2026-27 Student Handbook

Religious or Moral Beliefs

A parent may remove his or her child temporarily from the classroom if a scheduled instructional activity conflicts with the parent's religious or moral beliefs.

The removal may not be used to avoid a test and may not extend for an entire semester. The student must also satisfy grade-level and graduation requirements as determined by the school and by state law.

Tutoring or Test Preparation

A teacher may determine that a student needs additional targeted assistance for the student to achieve mastery in state-developed essential knowledge and skills based on:

- Informal observations
- Evaluative data such as grades earned on assignments or tests
- Results from diagnostic assessments

The school will always attempt to provide tutoring and strategies for test-taking in ways that prevent removal from other instruction as much as possible.

In accordance with state law and policy EC, Districts must obtain parental permission before removing a student from a regularly scheduled class for remedial tutoring or test preparation for more than ten percent of the days the class is offered.

If a district offers tutorial services to students, state law requires a student with a grade below 70 for a reporting period to attend.

[For questions about school-provided tutoring programs, contact the student's teacher and see policies EC and EHBC. See Standardized Testing for information regarding required accelerated instruction after a student fails to perform satisfactorily on certain state-mandated tests.]

Right of Access to Student Records, Instructional Materials, and District Records/Policies

Parent Review of Instructional Materials and Plan

A parent has the right to review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered, whether instruction is delivered in-person, virtually, or remotely.

The District will make instructional materials available for parent review no later than 30 days before the school year begins and for at least 30 days after the school year ends. However, tests that have not yet been administered will not be made available for parent examination.

The District will provide login credentials to each student's parent for any learning management system or online learning portal used in instruction to facilitate parent access and review.

A parent is also entitled to request that the school allow the student to take home instructional materials the student uses. The school may ask the student to return the materials at the beginning of the next school day.

A school must provide printed versions of electronic instructional materials to a student if the student does not have reliable access to technology at home.

Teachers are required to provide a copy of the teacher's instructional plan or course syllabus for each class to the parent of each student enrolled in that class before the beginning of each

Eanes Independent School District 2026-27 Student Handbook

semester. A parent may obtain additional copies of plan or syllabus by request. These documents will be available or linked on each teacher's website. Parents may also request a hard copy for their child's teacher.

[For information about parental access to any online library catalog and library materials, including records of their child's checked out library materials, see Library (All Grade Levels).]

District Review of Instructional Materials

A parent may request that the District conduct an instructional material review in a math, English Language Arts, science, or social studies class in which the parent's student is enrolled to determine alignment with state standards and the level of rigor for the grade level.

The District is not required to conduct an instructional material review for a specific subject area or grade level at a specific campus more than once per school year.

For more information about requesting an instructional material review, contact the campus principal.

Notices of Certain Student Misconduct to Noncustodial Parent

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to his or her child's misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion. [See the Student Code of Conduct and policy FO(LEGAL) for more information.]

Participation in Federally Required, State-Mandated, and District Assessments

In accordance with the Every Student Succeeds Act (ESSA), a parent may request information regarding any federal, state, or District policy related to his or her child's participation in required assessments.

Student Records

Accessing Student Records

A parent may review his or her child's records including:

- Attendance records
- Test scores
- Grades
- Disciplinary records
- Counseling records
- Psychological records
- Applications for admission
- Health and immunization information
- Other medical records
- Teacher and school counselor evaluations
- Reports of behavioral patterns
- Records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with the child, as the term "intervention strategy" is defined by law
- Records relating to school library materials the child obtains from a school library [See Library (All Grade Levels) for more information.]
- State assessment instruments that have been administered to the child
- Teaching materials and tests used in the child's classroom

Authorized Inspection and Use of Student Records

The Family Educational Rights and Privacy Act (FERPA) affords parents and eligible students certain rights regarding student education records.

For purposes of student records, an “eligible” student is anyone age 18 or older or who attends a postsecondary educational institution. These rights, as discussed here and at **Objecting to the Release of Directory Information**, are the right to:

- Inspect and review student records within 45 days after the day the school receives a request for access
- Request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA
- Provide written consent before the school discloses personally identifiable information from the student’s records, except to the extent that FERPA authorizes disclosure without consent
- [File a complaint with the U.S. Department of Education](#) concerning failures by the school to comply with FERPA requirements

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy.

Before disclosing personally identifiable information from a student’s records, the District must verify the identity of the person, including a parent or the student, requesting the information.

Virtually all information pertaining to student performance—including grades, test results, and disciplinary records—is considered confidential educational records.

Inspection and release of student records is restricted to an eligible student or a student’s parent unless the school receives a copy of a court order terminating parental rights or the right to access a student’s education records. A parent’s rights regarding access to student records are not affected by the parent’s marital status.

Federal law requires that control of the records goes to the student as soon as the student meets at least one of the following criteria:

- Reaches the age of 18
- Is emancipated by a court
- Enrolls in a postsecondary educational institution

However, the parent may continue to have access to the records if the student is a dependent for tax purposes and, under limited circumstances, when there is a threat to the health and safety of the student or other individuals.

FERPA permits the disclosure of personally identifiable information from a student’s education records without written consent of the parent or eligible student when school officials have what federal law refers to as a “legitimate educational interest” in a student’s records.

Legitimate educational interest may include:

- Working with the student
- Considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities
- Compiling statistical data

Eanes Independent School District 2026-27 Student Handbook

- Reviewing an educational record to fulfill the official's professional responsibility
- Investigating or evaluating programs

School officials may include:

1. Board members and employees, such as the superintendent, administrators, and principals
2. Teachers, school counselors, diagnosticians, and support staff (including District health or medical staff)
3. A school District police officer
4. A person or company with whom the District has contracted or allowed to provide a specific institutional service or function (such as an attorney, consultant, third-party vendor that offers online programs or software, auditor, medical consultant, therapist, school resource officer, or volunteer)
5. A person appointed to serve on a team to support the District's safe and supportive school program
6. A parent or student serving on a school committee
7. A parent or student assisting a school official with their duties

FERPA also permits the disclosure of personally identifiable information without written consent:

- To authorized representatives of various governmental agencies, including juvenile service providers, the U.S. Comptroller General's office, the U.S. Attorney General's office, the U.S. Secretary of Education, the Texas Education Agency, the U.S. Secretary of Agriculture's office, and Child Protective Services (CPS) caseworkers or, in certain cases, other child welfare representatives
- To individuals or entities granted access in response to a subpoena or court order
- To another school, District/system, or postsecondary educational institution to which a student seeks or intends to enroll or in which the student already is enrolled
- In connection with financial aid for which a student has applied or has received
- To accrediting organizations to carry out accrediting functions
- To organizations conducting studies for, or on behalf of, the school to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction
- To appropriate officials in connection with a health or safety emergency
- When the District discloses directory information-designated details [To prohibit this disclosure, see **Objecting to the Release of Directory Information.**]

Release of personally identifiable information to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned schools as well as students who have withdrawn or graduated.

A parent or eligible student who wants to inspect the student's records should submit a written request to the records custodian identifying the records he or she wants to inspect.

Records may be reviewed in person during regular school hours. The records custodian or designee will be available to explain the record and to answer questions.

Eanes Independent School District 2026-27 Student Handbook

A parent or eligible student who submits a written request and pays copying costs of 10 cents per page may obtain copies. If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the District will either provide a copy of the records requested or make other arrangements for the parent or student to review records.

The addresses of the principals' offices

Westlake High School	4100 Westbank Drive	Austin, TX 78746
Hill Country Middle School	1300 Walsh Tarlton	Austin, TX 78746
West Ridge Middle School	9201 Scenic Bluff Drive	Austin, TX 78733
Eanes Elementary	4101 Bee Cave Road	Austin, TX 78746
Cedar Creek Elementary	3301 Pinnacle	Austin, TX 78746
Forest Trail Elementary	1203 S. Capital of TX Hwy.	Austin, TX 78746
Barton Creek Elementary	1314 Patterson Rd.	Austin, TX 78733
Bridge Point Elementary	6401 Cedar Street	Austin, TX 78746
Adult Transition Services	601 Camp Craft Road	Austin, TX 78746

A parent or eligible student may inspect the student's records and request a correction or amendment if the records are considered inaccurate, misleading, or otherwise in violation of the student's privacy rights.

A request to correct a student's record should be submitted to the appropriate records custodian. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information is inaccurate. If the District denies the request to amend the records, the parent or eligible student has the right to request a hearing. If after the hearing the records are not amended, the parent or eligible student has 30 school days to place a statement in the student's record.

Although improperly recorded grades may be challenged, contesting a student's grade in a course or on an examination is handled through the complaint process found in policy FNG(LOCAL). A grade issued by a teacher can be changed only if the Board of Trustees determines that the grade is arbitrary, erroneous, or inconsistent with the District's grading guidelines. [See **Report Cards/Progress Reports and Conferences, Complaints and Concerns**, and Finality of Grades at policy FNG(LEGAL).]

The District's [student records policy](#) is found at policy FL(LEGAL) and (LOCAL).

Note: The parent's or eligible student's right of access to and copies of student records does not extend to all records. Materials that are not considered educational records—such as a teacher's personal notes about a student shared only with a substitute teacher—do not have to be made available.

Teacher and Staff Professional Qualifications

A parent may request information regarding the professional qualifications of his or her child's teachers, including whether the teacher:

- Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction

Eanes Independent School District 2026-27 Student Handbook

- Has an emergency permit or other provisional status for which state requirements have been waived
- Is currently teaching in the field or discipline of his or her certification

The parent also has the right to request information about the qualifications of any paraprofessional who may provide services to the child.

A Student with Exceptionalities or Special Circumstances

Children of Military Families

The [Interstate Compact on Educational Opportunities for Military Children](#) entitles children of military families to flexibility regarding certain District and state requirements, including:

- Immunization requirements
- Grade level, course, or educational program placement
- Eligibility requirements for participation in extracurricular activities
- Enrollment in virtual or hybrid courses offered by the district or another district or school
- Graduation requirements

The District will excuse absences related to a student visiting a parent, including a stepparent or legal guardian, who is:

- Called to active duty
- On leave
- Returning from a deployment of at least four months

The District will permit **no more than five** excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent's return from deployment.

Additional information may be found at the Texas Education Agency's [Military Family Resources page](#).

Parental Role in Certain Classroom and School Assignments

Multiple-Birth Siblings

State law permits a parent of multiple-birth siblings (e.g., twins, triplets) assigned to the same grade and campus to request in writing that the children be placed in either the same classroom or separate classrooms.

Written requests must be submitted by the 14th day after the students' enrollment. [See policy FDB(LEGAL) for more information.]

Safety Transfers/Assignments

The Board or its designee will honor a parent's request to transfer his or her child to another classroom or campus if the District has determined that the child has been a victim of bullying, including cyberbullying, as defined by Education Code 37.0832.

The Board may transfer a student who has engaged in bullying to another classroom. For campuses other than Westlake High School, the Board will consult with the parent of a child who has engaged in bullying before deciding to transfer the child to another campus.

Transportation is not provided for a transfer to another campus. See the principal for more information.

[See **Bullying**, and policies FDB and FFI for more information.]

Eanes Independent School District 2026-27 Student Handbook

The District will honor a parent's request for the transfer of his or her child to a safe public school in the District if the child attends a school identified by the Texas Education Agency as persistently dangerous or if the child has been a victim of a violent criminal offense while at school or on school grounds.

[See policy FDE for more information.]

The Board will honor a parent's request for the transfer of his or her child to another District campus if the child has been the victim of sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for the assault. In accordance with policy FDE, if the victim does not wish to transfer, the Board will transfer the assailant.

Student Use of a Service/Assistance Animal

A parent of a student who uses a service/assistance animal because of the student's disability must submit a written request to the principal before bringing the service/assistance animal on campus. The District will try to accommodate a request as soon as possible but will do so within 10 District business days.

A Student in the Conservatorship of the State (Foster Care)

In an effort to provide educational stability, the District will provide enrollment and registration assistance, as well as other educational services throughout the student's enrollment, to any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state, sometimes referred to as substitute care).

A student in the conservatorship (custody) of the state who enrolls in the District after the beginning of the school year will be allowed credit-by-examination opportunities at any point during the year.

The District will assess the student's available records to determine transfer of credit for subjects and courses taken before the student's enrollment in the District.

The District will award partial course credit by semester when the student only passes one half semester of a two-semester course

A student in the conservatorship of the state who is moved outside the District's or school's attendance boundaries—or who is initially placed in the conservatorship of the state and moved outside the District's or school's boundaries—is entitled to remain at the school the student was attending prior to the placement or move until the student reaches the highest grade level at that particular school.

If a student in grade 11 or 12 transfers to another District but does not meet the graduation requirements of the receiving District, the student can request a diploma from the previous District if the student meets its graduation criteria.

For a student in the conservatorship of the state who is eligible for a tuition and fee exemption under state law and likely to be in care on the day preceding the student's 18th birthday, the District will:

- Assist the student with the completion of applications for admission or financial aid
- Arrange and accompany the student on campus visits
- Assist in researching and applying for private or institution-sponsored scholarships
- Identify whether the student is a candidate for appointment to a military academy

Eanes Independent School District 2026-27 Student Handbook

- Assist the student in registering and preparing for college entrance examinations, including (subject to the availability of funds) arranging for the payment of examination fees by the Texas Department of Family and Protective Services (DFPS)
- Coordinate contact between the student and a liaison officer for students formerly in the conservatorship of the state.

If you have questions, please contact the District's foster care liaison, Heidi Sauer at hsauer@eanesisd.net or (512)732-9020.

[See Credit by Examination for Advancement/Acceleration — If a Student Has Not Taken the Course/Subject and Course Credit (Secondary Grade Levels Only)]

A Student Who Is Homeless

A parent is encouraged to inform the District if his or her child is experiencing homelessness. District staff can share resources that may be able to assist families.

A student who is homeless will receive flexibility regarding certain District provisions, including:

- Proof of residency requirements
- Immunization requirements
- Educational program placement (if the student is unable to provide previous academic records or misses an application deadline during a period of homelessness)
- Credit-by-examination opportunities at any point during the year (if the student enrolled in the District after the start of the school year), per State Board of Education (SBOE) rules
- Assessment of the student's available records to determine transfer of credit for subjects and courses taken before the student's enrollment in the District
- Awarding partial credit when a student passes only one semester of a two-semester course
- Eligibility requirements for participation in extracurricular activities
- Graduation requirements

Federal law allows a student who is homeless to remain enrolled in the "school of origin" or to enroll in a new school in the attendance area where the student is currently residing.

If a student who is homeless in grade 11 or 12 transfers to another District but does not meet the graduation requirements of the receiving District, state law allows the student to request a diploma from the previous District if they meet the criteria to graduate from the previous District.

A student or parent who is dissatisfied by the District's eligibility, school selection, or enrollment decision may appeal through policy FNG(LOCAL). The District will expedite local timelines, when possible, for prompt dispute resolution.

For more information on services for students who are homeless, contact the District's homeless education liaison, Heidi Sauer at hsauer@eanesisd.net or (512)732-9020.

[See Credit by Examination for Advancement/Acceleration — If a Student Has Not Taken the Course/Subject and Course Credit (Secondary Grade Levels Only)]

Eanes Independent School District 2026-27 Student Handbook

A Student Who Has Learning Difficulties or Who Needs Special Education or Section 504 Services

For those students who are having difficulty in the regular classroom, all school Districts must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, through the district's multi-tiered system of academic and behavioral supports (MTSS). The provision of these intervention and support services, which might include (RTI) process, can have an impact on the ability of district to meet the needs of all students.

If a student is experiencing learning difficulties, his or her parent may contact the individuals listed below to learn about the school's overall general education referral or screening system for support services.

This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine whether the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

Special Education Referrals

If a parent makes a **written request** for an initial evaluation for special education services to the director of special education services or to a District administrative employee of the school District, the District must respond no later than **15 school days** after receiving the request. At that time, the District must give the parent prior written notice of whether it agrees or refuses to evaluate the student, along with a copy of the [Notice of Procedural Safeguards](#). If the District agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

Note: A request for a special education evaluation may be made verbally; it does not need to be made in writing. Districts must still comply with all federal prior-written notices and procedural safeguard requirements as well as the requirements for identifying, locating, and evaluating children who are suspected of having a disability and in need of special education. However, a verbal request does not require the District to respond within the 15 school-day timeline.

If the District decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an **exception** to the 45-school-day timeline. If the District receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30 due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the District must give the parent a copy at no cost.

Additional information regarding special education is available from the school District in a companion document titled [Parent's Guide to the Admission, Review, and Dismissal Process](#).

Contact Person for Special Education Referrals

The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for special education services is the Student

Eanes Independent School District 2026-27 Student Handbook

Support Coordinator at each campus is listed below. Additionally, a parent or guardian can [complete and submit a form requesting a Full and Individual Evaluation](#).

School:	Contact Name:	Phone Number:
Westlake High School	Dianne Parks	(512) 732-9280
Hill Country Middle School	Brad Corbett	(512) 732-9220
West Ridge Middle School	Kara Dawson	(512) 732-9240
Eanes Elementary School	Lesley Ryan	(512) 732-9100
Cedar Creek Elementary School	Jennifer Dusek	(512) 732-9120
Forest Trail Elementary School	Holly Reid	(512) 732-9160
Barton Creek Elementary School	Brandis Smoland	(512) 732-9180
Bridge Point Elementary School	Ashley Reily	(512) 732-9200

For questions regarding post-secondary transitions, including the transition from education to employment, for students receiving special education services, contact Carly Roebuck, Transition and Employment Designee, at croebuck@eanesisd.net.

Section 504 Referrals

Each school District must have standards and procedures in place for the evaluation and placement of students in the District's Section 504 program. Districts must also implement a system of procedural safeguards that includes:

- Notice
- An opportunity for a parent or guardian to examine relevant records
- An impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel
- A review procedure

Contact Person for Section 504 Referrals

The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for §504 services is the §504 Coordinator at each campus:

School:	Contact Name:	Phone Number:
Westlake High School	Whitney Black	(512) 732-9280
Hill Country Middle School	Brett LaBissoniere	(512) 732-9220

Notification to Parents of Intervention Strategies for Learning Difficulties Provided to Students in General Education

In accordance with state law, the District will annually notify parents if their child receives assistance for learning difficulties. Details of such assistance can include intervention strategies. This notice is not intended for those students already enrolled in a special education program.

Texas Driving with Disability Program

In accordance with state law, the District will provide notification of the Texas Driving with Disability Program to students who have a health condition or disability that may impede effective communication with a peace officer and receive special education or are covered by Section 504 of the Rehabilitation Act of 1973. This notification will be provided annually to an eligible student aged 16 years or older until the student's graduation or 21st birthday and to the student's parents.

The Texas Driving with Disability Program focuses on improving the interaction between law enforcement and drivers with disabilities that have unique communication needs.

A Student Who Receives Special Education Services with Other School-Aged Children in the Home

If a student is receiving special education services at a campus outside his or her attendance zone, state law permits the parent or guardian to request that other students residing in the household be transferred to the same campus—if the grade level for the transferring student is offered on that campus.

The student receiving special education services would be entitled to transportation; however, the District is not required to provide transportation to other children in the household.

The parent or guardian should contact the school principal regarding transportation needs prior to requesting a transfer for other children in the home. [See policy FDB(LOCAL) for more information.]

A Student Who Speaks a Primary Language Other than English

A student may be eligible to receive specialized support if his or her primary language is not English, and the student has difficulty performing ordinary class work in English.

If the student qualifies for these services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, and local and state-mandated assessments.

[See **Emergent Bilingual Students** and **Special Programs.**]

A Student with Physical or Mental Impairments Protected under Section 504

A student with a physical or mental impairment that substantially limits a major life activity, as defined by law—and who does not otherwise qualify for special education services—may qualify for protections under Section 504 of the Rehabilitation Act.

Section 504 is a federal law that prohibits discrimination against individuals with disabilities.

When an evaluation is requested, a committee will be formed to determine whether the student needs services and supports under Section 504 in order to receive a free appropriate public education (FAPE), as defined in federal law.

[See **A Student Who Has Learning Difficulties or Who Needs Special Education or Section 504 Services** and policy FB for more information.]

Section Two: Other Important Information for Parents and Students

This section contains important information on academics, school activities, and school operations and requirements.

It is organized alphabetically to serve as a quick-reference guide. Where applicable, the topics are further organized by grade level.

Parents and children should take a moment together to become familiar with the issues addressed in this section. For guidance on a particular topic, contact your campus principal.

Absences/Attendance

Regular school attendance is essential. Absences from class may result in serious disruption of a student's education. The student and parent should avoid unnecessary absences.

Two important state laws are discussed below—one dealing with compulsory attendance and the other with how attendance affects the award of a student's final grade or course credit.

Compulsory Attendance

Kindergarten

Students enrolled in kindergarten are required to attend school and are subject to the compulsory attendance requirements as long as they remain enrolled.

Ages 6–18

State law requires that a student who is at least six years of age, or who is younger than six years of age and has previously been enrolled in first grade, and who has not yet reached their 19th birthday, shall attend school, as well as any applicable accelerated instruction program, extended-year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

A student will be required to attend any assigned accelerated instruction program before or after school or during the summer if the student does not meet the passing standard on an applicable subject area state assessment.

Age 19 and Older

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day until the end of the school year. If the student incurs more than five unfunded absences in a semester, the District may revoke the student's enrollment. The student's presence on school property thereafter would be unauthorized and may be considered trespassing. [See policy FEA for more information.]

Compulsory Attendance – Exemptions

All Grade Levels

State law allows exemptions to the compulsory attendance requirements, as long as the student makes up all the work, for the following activities and events:

- Religious holy days
- Required court appearances
- Appearing at a governmental office to obtain U.S. citizenship
- Taking part in a US naturalization oath ceremony
- Serving as an election clerk

Eanes Independent School District 2026-27 Student Handbook

- Health-care appointments for the student or a child of the student, including absences related to autism services and mental health appointment if the student returns to school on the same day of the appointment and brings a note from the health-care provider
- Absences resulting from a serious or life-threatening illness or related treatment that makes a student's attendance infeasible, with certification by a physician on the district's form
- Absences for attendance in a released time course in religious instruction
- For students in the conservatorship of the state:
 - An activity required under a court-ordered service plan
 - Any other court-ordered activity, provided it is not practicable to schedule the student's participation in the activity outside of school hours

For children of military families, absences of up to five days will be excused for a student to visit a parent, stepparent, or legal guardian going to, on leave from, or returning from certain deployments.

Note that documented health-care appointments may include telehealth appointments. Students who are physically on campus will not be allowed to participate in telehealth or other online appointments without specific authorization from an appropriate administrator. Students should not use District-issued technology, including Wi-Fi or internet, for telehealth appointments because use of District-owned equipment and its network systems is not private and will be monitored by the District.

Secondary Grade Levels

The District will allow a student who is 15 years of age or older to be absent for one day to obtain a learner license and one day to obtain a driver's license, provided that the Board has authorized such excused absences under policy FEA(LOCAL). The student will be required to provide documentation of his or her visit to the driver's license office for each absence and must make up any work missed.

The District will allow junior and senior students to be absent for up to two days per year to visit a college or university, if the following conditions are met:

- The Board has authorized such excused absences under policy FEA(LOCAL)
- The principal has approved the student's absence
- The student follows campus procedures to verify the visit and makes up any work missed

The District will allow a student 17 years old or older to be absent for up to four days during the period the student is enrolled in high school to pursue enlistment in the U.S. armed services or Texas National Guard, provided the student verifies these activities to the District.

The District will allow a student to be absent for up to two days during the student's junior year and two days during the student's senior year for a career investigation day to visit a professional at that individual's workplace to determine the student's interest in pursuing a career in the professional's field, provided the student verifies these activities to the District.

The District will allow a student to be absent for up to two days per school year to serve as:

- An early voting clerk, provided the District's Board has authorized this in policy FEA(LOCAL), the student notifies his or her teachers, and the student receives approval from the principal prior to the absences
- An election clerk, if the student makes up any work missed

Eanes Independent School District 2026-27 Student Handbook

The District will allow a student in grades 6–12 to be absent for the purpose of sounding “Taps” at a military honors funeral for a deceased veteran.

Compulsory Attendance – Failure to Comply

All Grade Levels

School employees must investigate and report violations of the compulsory attendance law.

A student who is absent without permission from school, any class, any required special program, or any required tutorial will be considered in violation of the compulsory attendance law and subject to disciplinary action.

Students with Disabilities

If a student with a disability is experiencing attendance issues, the student’s ARD or Section 504 committee will determine whether the attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student’s individualized education program or Section 504 plan, as appropriate.

Ages 6–18

When a student ages 6–18 incurs three or more unfunded absences within a four-week period, the law requires the school to send notice to the parent.

The notice will:

- Remind the parent of his or her duty to monitor the student’s attendance and require the student to attend school
- Request a conference between school administrators and the parent
- Inform the parent that the District will initiate truancy prevention measures, including a behavior improvement plan, school-based community service, referrals to counseling or other social services, or other appropriate measures

The truancy prevention facilitator for the District is Kimberly Dewrell Chief Academic Officer, kdewrell@eanesisd.net. (512)732-9020.

For any questions about student absences, parents should contact the facilitator or any other campus administrator.

A court of law may impose penalties against the parent if a school-aged student is deliberately not attending school. The District may file a complaint against the parent if the student incurs ten or more unfunded absences within a six-month period in the same school year.

If a student aged 12-18 incurs ten or more unfunded absences within a six-month period in the same school year, the District, in most circumstances, will refer the student to truancy court.

[See policies FEA(LEGAL) and FED(LEGAL) for more information.]

Age 19 and Older

After a student aged 19 or older incurs a third unfunded absence, the District is required by law to send the student a letter explaining that the District may revoke the student’s enrollment for the remainder of the school year if the student has more than five unfunded absences in a semester. As an alternative to revoking a student’s enrollment, the District may implement a behavior improvement plan.

Eanes Independent School District 2026-27 Student Handbook

Attendance for Credit or Final Grade (All Grade Levels)

To receive credit or a final grade in a class, a student must attend the class at least 90 percent of the days it is offered. A student who attends at least 75 percent but fewer than 90 percent of the days may receive credit or a final grade if he or she completes a plan, approved by the principal, that allows the student to fulfill the class's instructional requirements. If a student is involved in a criminal or juvenile court proceeding, the judge presiding over the case must also approve the plan before the student receives credit or a final grade.

If a student attends fewer than 75 percent of the class days or does not complete the principal-approved plan, then the attendance review committee will determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade. [See policy FEC for more information.]

Except for absences due to serious or life-threatening illness or related treatment, all absences, funded or unfunded, may be held against a student's attendance requirement. To determine whether there were extenuating circumstances for any absences, the attendance committee will consider:

- Whether the student has mastered the essential knowledge and skills and maintained passing grades in the course or subject
- Whether the student has completed makeup work satisfactorily. If the student completes makeup work, absences listed under Compulsory Attendance—Exemptions and absences for extracurricular activities will be considered extenuating circumstances
- Whether the student or the student's parent had any control over the absences
- Any information presented by the student or parent to the committee about the absences

The student or parent may appeal the committee's decision to the Board by following policy FNG(LOCAL).

Grades 6-12

In all cases, the student must earn a passing grade to receive credit. Parents of students who lose credit due to excessive absences shall receive notice at the close of semester grading period. The following timeline conditions apply to regaining credit for grades 6-12:

1. Fall semester loss of credit shall be regained two weeks before the end of the spring semester
2. Spring semester loss of credit shall be regained two weeks before the start of the next school year
3. Seniors shall not participate in the graduation ceremony unless they are certified for graduation

Official Attendance-Taking Time (All Grade Levels)

The District will take official attendance every day at 9:00 a.m. at the elementary level, 9:30 a.m. at the middle school level and 9:46 a.m. at the high school level per District procedure.

A student absent for any portion of the day should follow the procedures below to provide documentation of the absence. Parents of elementary students are able to enter the absence in Smart Tag, and all secondary parents, must provide written notice within 5 school days of the absence to the school office. Any written or emailed notes received after the allowed 5 days will be accepted, but noted as late and the absence will not be adjusted. The absences in question will be recorded as undocumented and unfunded).

Eanes Independent School District 2026-27 Student Handbook

Procedures to Follow When Absent (All Grade Levels)

Each day of a student's absence, parents are asked to call or email the attendance office and report the absence. When parents have followed the procedure to report their child's absence, the student must report directly to class upon their return to school. Should parents decide to send a signed written statement that identifies the reason for the absence, the student must deliver this to the attendance office within 48 hours of their return to school. The student will be given an admit slip to enter class.

Parent's Written Documentation after an Absence

A parent must provide an explanation for any absence upon the student's arrival or return to school. The student must submit a note signed by the parent. The district does not accept phone calls.

A note signed by the student will not be accepted unless the student is age 18 or older or is an emancipated minor under state law.

The campus will document in its attendance records whether the absence is funded or unfunded.

Note: The District is not required to excuse any absence, even if the parent provides a note explaining the absence, unless the absence is an exemption under compulsory attendance laws.

Doctor's Note after an Absence for Illness (All Grade Levels)

Within two days of returning to school, a student absent for more than four consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the absence. Otherwise, the absence may be considered unfunded and in violation of compulsory attendance laws.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition causing the absence to determine whether an absence will be funded or unfunded.

[See policy FEC(LOCAL) for more information.]

Certification of Absence Due to Severe Illness or Treatment

If a student is absent because of a serious or life-threatening illness or related treatment that makes a student's attendance infeasible, a parent must provide certification from a physician licensed to practice in Texas specifying the student's illness and the anticipated period of absence related to the illness or treatment on the district's form. A parent may access the required form from the Eanes ISD Website Health page or contact the school nurse or principal.

Driver License Attendance Verification (Secondary Grade Levels Only)

A currently enrolled student seeking a driver's license shall submit the Texas Department of Public Safety [Verification of Enrollment and Attendance Form \(VOE\)](#), signed by the parent, to the campus central office at least 10 days before it is needed. The District will issue a VOE only if the student meets class credit or attendance requirements.

Further information may be found on the [Texas Department of Public Safety website](#).

Funded Absence Reasons

Below are the TEA approved Funded absence codes. For more detail see the [Student Attendance Accounting Handbook](#).

Eanes Independent School District 2026-27 Student Handbook

Reason Code	Description	Funding Details
AE	Discipline Alternative Education Placement (DAEP)	
CI	Junior and senior career investigation	No more than 2 days/year
CN	Student US naturalization oath ceremony	No more than 2 days
CT	Required student court appearance	No more than 2 consecutive days per appearance
CV	Junior and senior college visit	No more than 2 days/year
CZ	Student US citizenship activity	2 days
DA	Distinguished Achievement Mentorship Program	
DC	Dual credit program	Student is not on campus (does not qualify for Alternative Attendance Taking Time)
DF	Department of Family & Protective Services or foster care conservatorship and misses school	No more than 2 days per activity, appointment or visitation
DV	Driver's Permit/License (High School only)	1 day for each
EC	Election Clerk (High School only)	No more than 2 days/yr
HB	Homebound	
IS	In-school suspension	
LT	Life threatening illness/treatment	Medical documentation required
MD	Partial day - doctor appointment	Supported by documentation; includes telemedicine visits & generally recognized services for students with autism
MP	Parental/legal guardian military deployment	No more than 5 days/year
MR	Military recruitment visit	No more than 4 days/year
P	Partial day - doctor appointment for child of student	Medical documentation required

Eanes Independent School District 2026-27 Student Handbook

PT	Playing Taps (Secondary Only)	
RH	Religious holy day	No more than 2 consecutive days
SR	School related (field trips, UIL events)	
TS	Short-term program TSBVI/TSD	
TV	Full-time Texas Virtual School Network	
WB	Off-campus work-based learning	Student is not on campus (does not qualify for Alternative Attendance Taking Time)
XO	With school staff (AP, nurse, counselor)	

Academic Program Details (Grades 9-12)

The school counselor provides students and parents' information regarding academic programs to prepare for higher education and career choices.

Academic Integrity Honor Code

Academic honesty and integrity are basic to an effective learning community. All students are expected to be honest and display a high standard of integrity in the preparation and presentation of work for credit in all classes.

The Honor Code ensures that all students understand the importance of academic integrity at Westlake. The acceptable standard for a WHS student is to be honest and honorable in his/her dealings with fellow students, faculty, and staff.

Academic Honor Code Violations

The attempt of any student to present as his/her own work any work not honestly performed will be regarded as a serious offense which will subject the student to a grading penalty and disciplinary action. This includes work generated by artificial intelligence in violation of written teacher assignment expectations. The student who cheats is harmed because he or she is not learning the material. Other students are harmed when those who cheat gain an unfair advantage in the classroom. Eanes ISD students suffer when the climate of trust and mutual respect is undermined. Society pays the price when the taking of short cuts becomes an accepted norm.

Eanes Independent School District 2026-27 Student Handbook

EXAMPLES INCLUDE BUT ARE NOT LIMITED TO		CONSEQUENCES
Tier 1	• Copying homework or allowing another student to copy homework • Using any translation tool on a World Languages daily assignment • Using artificial intelligence on a daily assignment without teacher permission	• The student receives from a zero to 50% on the homework assignment • The teacher notifies parent and assistant principal
Tier 2	• Sharing or receiving answers to or items included on a test or quiz • Talking, using signs or making gestures during a quiz or test • Accessing information during a quiz or test using any electronic device or written source • Using any translation tool on a World Languages major grade • Using artificial intelligence on a major grade without teacher permission	The student: 1. Receives an official Honor Code violation 2. Receives a zero on quiz or test 3. Cannot exempt the final exam for course in which violation occurred 4. May be denied membership to or expelled from student organizations requiring an Honor Code 5. Receives assignment to ISS at the assistant principal's discretion The teacher notifies parent and assistant principal.
Tier 3	• Collusion and/or theft of test • Plagiarizing by taking credit for work done by another (including but not limited to art, music, artificial intelligence and other creative work) • Sabotaging a fellow student's work to gain an advantage	The student: 1. Receives an official Honor Code violation 2. Receives a zero on test/assignment 3. Loses all final exam exemptions 4. May be denied membership to or expelled from student organizations requiring an Honor Code 5. Receives assignment to ISS at the assistant principal's discretion 6. May be assigned to DAEP The teacher notifies parent and assistant principal.

Audit of Course

Campus policy allows for students to audit a course. The teacher of the requested course, counselor and principal must give consent for the student to audit a course. The principal may withdraw consent at any time during the course. See the school counselor for more information.

Class Rank/Grade Point Average (GPA)

For information regarding the process for determining class rank and calculating GPA, visit the [Westlake High School course catalog](#). Information about transcription of credits and grades for new-to-Eanes students and students planning to study abroad can also be found on that page.. Students can see their counselor for more information.

Course Load

The administration establishes the following course load for each class.

Seniors	at least 5 classes
Juniors	at least 6 classes

Eanes Independent School District 2026-27 Student Handbook

Sophomores at least 7 classes

Freshmen at least 7 classes

An ARD or 504 Committee may consider adjustments to this policy when necessary.

Semester Exams and Exemptions

All students must be present and accounted for during the attendance period on each exam day. Students with exemptions must be counted present in each attendance period or their exemptions will be invalidated.

First Semester Exams and Exemptions

A student may be exempt from a final exam in a *first* semester course if he/she meets the following criteria as verified by the teacher (1-5) and bookkeeper (6):

1. has a cumulative semester grade of 88 or better by 8:00 AM on the Monday of the week preceding exam week, called the exemption snapshot date; AND
2. is not in *Loss of Credit* status in the course, that is, has no more than nine (9) absences from the class coded unfunded
3. has no more than three (3) unexcused tardies in the class coded as T; AND
4. has not been removed from school for disciplinary reasons through out-of-school suspension or DAEP placement; AND
5. is present and accounted for during the attendance period on every exam day; AND
6. has met all financial and material obligations for the campus (for example, participation fees, textbooks, parking tickets, iPads, and loss of credit)

All students may be exempt from at most two exams in the Fall semester. Please note that all exemptions require a student to be present during the attendance period on all exam days.

First semester final exams will be scheduled over four days. Fall exam periods will be two hours. Tutorials will be available from 2:00 - 4:00PM with teachers, as will quiet study space in the library until buses arrive.

Second Semester Exams and Exemptions

A student may be exempt from a final exam in a *second* semester course if he/she meets the following criteria as verified by the teacher (1-5) and bookkeeper (6):

1. has a cumulative semester grade of 88 or better by 8:00 AM on the Monday of the week preceding exam week, called the exemption snapshot date; AND
2. is not in *Loss of Credit* status in the course, that is, has no more than nine (9) absences from the class coded unfunded; AND
3. has no more than three (3) unexcused tardies in the class coded as T-; AND
4. has *not* been removed from school for disciplinary reasons through suspension or DAEP placement; AND
5. is present and accounted for during the attendance period on every exam day; AND
6. has met all financial and material obligations for the campus (for example, participation fees, textbooks, parking tickets, iPads, and loss of credit)

-OR-

Eanes Independent School District 2026-27 Student Handbook

1. has a cumulative semester grade of 75 or better in an Advanced Placement (AP) course by 8:00 AM on the exemption snapshot date; AND
2. has completed the AP Exam for the course in question; AND
3. is not in *Loss of Credit* status in the course, that is, has no more than nine (9) absences from the class coded unfunded AND
4. has no more than three (3) unexcused tardies in the class; AND
5. has *not* been removed from school for disciplinary reasons through out-of-school suspension or DAEP placement; AND
6. is present and accounted for during the attendance period on every exam day; AND
7. has met all financial and material obligations for the campus (for example, participation fees, textbooks, parking tickets, iPads, and loss of credit)

Freshman and sophomores may exempt from at most two exams in the spring semester.

Juniors may exempt from at most three exams in the spring semester.

Seniors may exempt the exam for any class in which they meet all the criteria as stated above.

Freshman, Sophomores, Juniors: Second semester exams for freshmen, sophomores and juniors will be scheduled over four days, two hours each.

Please see WHS website and consult with campus for exam schedule.

Seniors: To allow for the completion of senior exams and finalized grades prior to graduation practice, second semester exams for seniors will be scheduled the week prior to graduation and will be completed in regularly scheduled classes.

Tutoring at Westlake High School

During their regular duty day, teachers will be available to students who need help beyond what they receive in the classroom.

In addition, open tutoring is held in the Ninth Grade Center library Monday, Tuesday, and Wednesday from 4:30-6:00 pm. The open tutoring is available for students needing extra support in core area subjects (English, Math, Science, Social Studies, and Spanish).

Accountability under State and Federal Law (All Grade Levels)

Eanes ISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of accountability is the dissemination and publication of certain reports and information, including:

- The Texas Academic Performance Report (TAPR) for the District, compiled by the Texas Education Agency (TEA), based on academic factors and ratings
- A School Report Card (SRC) for each campus in the District, compiled by TEA
- The District's financial management report, which includes the financial accountability rating assigned to the District by TEA
- Information compiled by TEA for the submission of a federal report card that is required by federal law

[Accountability information can be found on the District's website.](#) Hard copies of any reports are available upon request to the District's administration office.

Eanes Independent School District 2026-27 Student Handbook

TEA maintains additional accountability and accreditation information at [TEA Performance Reporting Division](#) and the [TEA homepage](#).

Armed Services Vocational Aptitude Battery Test (Grades 10–12)

A student in grades 10–12 will be offered an opportunity to take the Armed Services Vocational Aptitude Battery test and consult with a military recruiter.

Additional information including testing dates and times, can be found on the [Westlake High School counseling website](#).

Contact the WHS Counseling Center for more information about this opportunity.

Bullying (All Grade Levels)

The District strives to prevent bullying, in accordance with the District's policies, by promoting a positive school culture; building healthy relationships between students and staff; encouraging reporting of bullying incidents, including anonymous reporting; and investigating and addressing reported bullying incidents.

Each Campus Leadership Team also serves as that campus' *bullying prevention committee* to establish and implement Positive Behavior Interventions and Supports (PBIS). Campus bullying prevention committees focus on campus culture and climate in order to strive for and enforce bullying prevention.

Bullying is defined in state law as a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
- Infringes on the rights of the victim at school.

Bullying includes cyberbullying. Cyberbullying is defined in state law as bullying that is done using any electronic communication device, including:

- A cellular or other type of telephone
- A computer
- A camera
- Electronic mail
- Instant messaging
- Text messaging
- A social media application
- An internet website
- Any other internet-based communication tool.

Eanes Independent School District 2026-27 Student Handbook

Bullying is prohibited by the District and could include:

- Hazing
- Threats
- Taunting
- Teasing
- Confinement
- Assault
- Demands for money
- Destruction of property
- Theft of valued possessions
- Name-calling
- Rumor-spreading
- Ostracism

The District will integrate into instruction research-based content designed to reduce bullying that is appropriate for students' age groups.

Students in elementary grades will participate in:

- Instruction designed for students to recognize bullying behaviors and how to report them
- Age-appropriate discussions that encourage peers to intervene when bullying occurs
- Instruction that characterizes bullying as a behavior that results from the student's need to acquire more mature social or coping skills, not an unchangeable trait

Students in secondary grades will participate in:

- Instruction on the brain's ability to change and grow so the student recognizes bullying behavior can come from a developmental need to acquire more social skills, can change when the brain matures and learns better ways of coping, and is not an unchangeable trait
- Discussions that portray bullying as undesirable behavior and a means for attaining or maintaining social status at school, and that discourage students from using bullying as a tool for social status
- Instruction designed so that students recognize the role that reporting bullying behaviors plays in promoting a safe school community

The District will use an age-appropriate survey regarding school culture that includes relevant questions on bullying to identify and address student concerns.

Each Campus Leadership Team (CLT) serves as the committee that addresses bullying by focusing on prevention efforts and health and wellness initiatives. The committee will include parents and secondary students. For more information on this committee, including interest in serving on the committee, contact the campus principal

If a student believes that he or she has experienced bullying or witnesses the bullying of another student, the student or parent should notify a teacher, school counselor, principal, or another District employee as soon as possible to obtain assistance and intervention. Any District employee aware of a report of a bullying incident will relay that report to an appropriate administrator. Procedures for reporting allegations of bullying may be found in [Board Policy \(FFI-Local\)](#).

Eanes Independent School District 2026-27 Student Handbook

A student may anonymously report an alleged incident of bullying by submitting a report through [Westlake Watch](#).

The administration will investigate any allegations of bullying and related misconduct. The District will also provide notice to the parent of the alleged victim and the parent of the student alleged to have engaged in bullying.

If an investigation determines that bullying occurred, the administration will take appropriate disciplinary action and may, in certain circumstances, notify law enforcement. Disciplinary or other action may be taken even if the conduct did not meet the definition of bullying.

The District will provide research-based interventions, which may include counseling options, for students who engage in bullying behaviors, students who are targeted by bullying behaviors, and any student who witnessed bullying behaviors.

Any action taken in response to bullying will comply with state and federal law regarding students with disabilities.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon recommendation of the administration, the Board may transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student's parent, the Board also may transfer the student to another campus in the District.

The parent of a student who has been determined to be a victim of bullying may request that the student be transferred to another classroom or campus within the District. [See **Safety Transfers/Assignments**.]

View the District's [bullying policy](#), which is included at the end of this handbook as an appendix.

A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG(LOCAL).

[See **Safety Transfers/Assignments, Dating Violence, Discrimination, Harassment, and Retaliation, Hazing**, policy FFI, and the District's Student Code of Conduct.]

Career and Technical Education (CTE) and Other Work-Based Programs (Secondary Grade Levels Only)

The District offers career and technical education and other work-based programs in the following areas:

- Business and Marketing
- Cyber Security and Computer Sciences
- Hospitality
- Human Services and Education
- Arts
- A/V Technology and Communications
- Information Technology
- Career Development
- STEM
- Engineering
- Health Science

Admission to these programs is based on state guidelines, grade levels, course prerequisites, and course requests.

Eanes Independent School District 2026-27 Student Handbook

The District does not discriminate on the basis of race, color, religion, sex (including biological sex, gender identity, sexual orientation, and gender stereotypes), gender, national origin, age, disability, or any other basis prohibited by law, in its vocational programs, services, and activities, as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973 as amended.

District policy also prohibits discrimination on the basis of race, color, religion, sex (including biological sex, gender identity, sexual orientation, and gender stereotypes), gender, national origin, age, disability, or any other basis prohibited by law, in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

The District will take steps to ensure that lack of English language skills will not be a barrier to admission or participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX coordinator and the ADA/Section 504 coordinator.

[See **Nondiscrimination Statement** for the name and contact information for the Title IX coordinator and ADA/Section 504 coordinator, who will address certain allegations of discrimination.]

Celebrations (All Grade Levels)

Although a parent or grandparent is not prohibited from providing food for a school-designated function or for children in the child's or grandchild's classroom for his or her birthday, please be aware that classmates may have severe allergies to certain food products. Therefore, it is imperative to consult with the child's teacher prior to bringing food to school for a celebration.

Occasionally, a school or a class may host certain functions or celebrations tied to the curriculum that will involve food. The school or teacher will notify students and parents of any known food allergies when soliciting potential volunteers for bringing food products.

[See **Food Allergies**.]

Child Sexual Abuse, Neglect, School Staff Misconduct, Trafficking, and Other Maltreatment of Children (All Grade Levels)

The District has established a plan for addressing child abuse, neglect, school staff misconduct, trafficking, and other maltreatment of children which may be initiated by contacting the Department of Family and Protective Services (DFPS)/Child Protective Services (CPS). See the [District Improvement Plan](#).

Abuse includes physical abuse, including sexual abuse, and mental and emotional abuse. Trafficking includes both sex and labor trafficking.

Duty to Report

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, to report the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS). See below for information about how to report and respond to allegations of child abuse or neglect.

Possible Warning Signs of Child Abuse, Neglect, School Staff Misconduct, Trafficking, and Other Maltreatment of Children

Physical abuse

Possible warning signs of physical abuse include:

- Frequent injuries such as bruises, cuts, black eyes, or burns without adequate explanations
- Frequent complaints of pain without apparent injury
- Burns or bruises in unusual patterns that may indicate the use of an instrument or human bite; cigarette burns on any part of the body
- Lack of reaction to pain
- Extreme fear of going home or seeing parents
- Injuries that appear after a child has not been seen for several days
- Unseasonable clothing that may hide injuries to arms or legs

Sexual Abuse

Possible warning signs of sexual abuse include:

- Physical signs of sexually transmitted diseases
- Evidence of injury to the genital area
- Pregnancy in a young girl
- Difficulty in sitting or walking
- Extreme fear of being alone with adults of a certain sex
- Sexual comments, behaviors, or play beyond what is considered age-appropriate behavior
- Knowledge of sexual relations beyond what is expected for a child's age
- Sexual victimization of other children

Children and adolescents who have experienced dating violence may show similar physical, behavioral, and emotional warning signs. [**Dating Violence, Discrimination, Harassment, and Retaliation (All Grade Levels)** and **Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking.**]

Emotional Abuse

Possible warning signs of emotional abuse include:

- Over-compliance or low self-esteem caused by scapegoating or verbal abuse by caregivers
- Severe depression, anxiety, or aggression
- Lag in physical, emotional, and intellectual development
- Indicators of a caregiver who belittles the child, withholds love, and seems unconcerned about the child's problems
- Significant changes to behavior, such as withdrawal or over-aggression
- Significant changes to weight, such as substantial weight gain or weight loss

Eanes Independent School District 2026-27 Student Handbook

Neglect

Possible warning signs of neglect include:

- Obvious malnourishment
- Consistent lack of personal hygiene that poses a health risk
- Stealing or begging for food
- Child unattended for long periods of time
- Unaddressed need for dental care or other medical or mental health attention

School Staff Misconduct

Possible warning signs of school staff misconduct include:

- Inappropriate boundaries or communications with a student, including inappropriate relationships
- Violating school or district communication policies, such as improper use of messaging apps or social media
- Showing favoritism toward certain students in a way that compromises fairness or student well being
- Creating, using, or sharing inappropriate AI-generated images involving students or staff
- Neglecting, abusing, or physically harming a student
- Providing alcohol or drugs to a student
- Being under the influence of alcohol or drugs while on school property or during school activities
- Possessing a weapon on school property or during school activities
- Committing a felony
- Engaging in fraudulent or deceptive practices involving the school system or State Board of Education Certification (SBEC)

Description and Warning Signs of Trafficking

Child trafficking of any sort is prohibited by the Penal Code. Sex trafficking involves forcing a person, including a child, into sexual abuse, assault, indecency, prostitution, or pornography. Labor trafficking involves forcing a person, including a child, to engage in forced labor or services.

Traffickers are often trusted members of a child's community, such as friends, romantic partners, family members, mentors, and coaches. Some traffickers contact victims online.

Possible warning signs of sexual trafficking in children include:

- Changes in school attendance, habits, friend groups, vocabulary, demeanor, and attitude
- Sudden appearance of expensive items (for example, manicures, designer clothes, purses, technology)
- Tattoos or branding
- Refillable gift cards
- Frequent runaway episodes
- Multiple phones or social media accounts
- Provocative pictures posted online or stored on the phone

Eanes Independent School District 2026-27 Student Handbook

- Unexplained injuries
- Isolation from family, friends, and community
- Older romantic partners

Additional warning signs of labor trafficking in children include:

- Being unpaid, paid very little, or paid only through tips
- Being employed but not having a school-authorized work permit
- Being employed and having a work permit but clearly working outside the permitted hours for students
- Owning a large debt and being unable to pay it off
- Not being allowed breaks at work or being subjected to excessively long work hours
- Being overly concerned with pleasing an employer and/or deferring personal or educational decisions to a boss
- Not being in control of their own money
- Living with an employer or having an employer listed as a student's caregiver
- A desire to quit a job but not being allowed to do so

[See **Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking.**]

Reporting and Responding to Child Abuse, Neglect, Trafficking, and Other Maltreatment of Children

A child who has experienced any type of abuse or neglect should be encouraged to seek out a parent or trusted adult. Children may be reluctant to disclose abuse and may only disclose sexual abuse indirectly. As a parent or trusted adult, it is important to be calm and comforting if your child or another child confides in you. Reassure the child that they did the right thing by telling you.

If your child is a victim of abuse, neglect, trafficking, or other maltreatment, the campus counselors or principal will provide information on counseling options for you and your child available in your area. DFPS also manages early intervention counseling programs.

To find out what services may be available in your county, see [Texas Department of Family and Protective Services](#)

Reports of abuse, trafficking, or neglect may be made to the CPS division of the DFPS at 800-252-5400 or on the web at [Texas Abuse Hotline Website](#).

Further Resources on Sexual Abuse, Trafficking, and Other Maltreatment of Children

The following websites include resources to help increase awareness of child abuse and neglect, sexual abuse, trafficking, and other maltreatment of children:

- [Child Welfare Information Gateway](https://www.childwelfare.gov/) (<https://www.childwelfare.gov/>)
- [KidsHealth, For Parents, Child Abuse](https://kidshealth.org/en/parents/child-abuse.html) (<https://kidshealth.org/en/parents/child-abuse.html>)
- [Office of the Texas Governor's Child Sex Trafficking Team](https://gov.texas.gov/organization/cjd/childsextrafficking) (<https://gov.texas.gov/organization/cjd/childsextrafficking>)
- [Human Trafficking of School-aged Children](https://tea.texas.gov/about-tea/other-services/human-trafficking-of-school-aged-children) (<https://tea.texas.gov/about-tea/other-services/human-trafficking-of-school-aged-children>)
- [Child Sexual Abuse: A Parental Guide from the Texas Association Against Sexual Assault](https://www.nsvrc.org/publications/booklets/child-sexual-abuse-parental-guide) (<https://www.nsvrc.org/publications/booklets/child-sexual-abuse-parental-guide>)

- [National Center of Safe Supportive Learning Environments: Human Trafficking in America's Schools](https://safesupportivelearning.ed.gov/human-trafficking-americas-schools)
(<https://safesupportivelearning.ed.gov/human-trafficking-americas-schools>)

Class Rank/Highest-Ranking Student (High School Only)

Class rank shall only be determined for the top ten percent of each class. The top ten percent of students in the graduating class will be based on the weighted academic class rank. The top ten percent of the graduating class will be selected as honor graduates. For the purposes of determining the weighted academic class rank, grades through the third nine-week period of the senior year will be used. The valedictorian and the salutatorian will be the two students with the highest weighted academic class rank. To be eligible, a student must have attended Westlake and be a member of the class in which he/she will graduate for four complete and consecutive semesters prior to graduation. In case of a tie for the valedictorian, the student with the highest numerical grade average of all Advanced Placement (AP) courses taken shall be the valedictorian. A student who graduates early cannot be valedictorian or salutatorian.

For more detailed information, please review [Board Policy EIC\(LOCAL\)](#).

Class Schedules (Secondary Grade Levels Only)

Campus administration determines the number of courses to be taught and assigns teachers to the course sections based on student course selection. Therefore, students are expected to commit to their selections during the year. The only course adjustments that will be made are those necessary to work out an error, balance class size, or resolve conflict. Courses should be chosen with attention to prerequisites and graduation requirements.

All students are expected to attend school for the entire school day and maintain a full class schedule. Occasional exceptions may be made by the campus principal for WHS students who meet specific criteria and receive parental consent to enroll in less than a full-day schedule.

Multi-Year Electives

Students must sign up for the course level that reflects the number of years the student has been in the program; for example, a band or dance student will take level 1 band or dance in the first year and level 2 band or dance in the second year. This policy does not limit the ability of the teacher to place the student in the appropriate class based on the student's skill; for example, a first-year dance student might be placed in a third-year dance class for Dance 1 credit. The level number indicates the years of credit and not the skill level of the student.

Schedule Changes

During the first week of each semester, counselors will change priority requests. A request is a priority if the student failed the course, already has credit for the course or is a senior who needs the course for graduation. During this time, a student may transfer to another course.

University Interscholastic League (UIL) Eligibility and Schedule Changes

A student may not drop a class in which he/she has a grade below 70 after the end of the first four school weeks of the class without it being considered a failing grade for eligibility purposes. Dropping a non-honors class with a grade lower than 70 at the end of a grading period causes a student to lose eligibility until seven calendar days after the end of the three-school week evaluation period.

Eanes Independent School District 2026-27 Student Handbook

Honors or Advanced Placement Students

Students enrolled in an Honors or Advanced Placement (AP) course may change to a lower level of that same course until the end of the first six weeks or at the end of the fall semester with the counselor and administrator permission. The student's grades are transferred to the new course. Note: Not all Honors and AP courses have a lower level equivalent.

[See **Schedule Changes** for information related to student requests to revise their schedule.]

College and University Admissions and Financial Aid (All Grade Levels)

Colleges and universities vary greatly in their requirements regarding grades, rank in class, courses, and entrance examination. It is necessary for students or parents to view websites for these institutions and to check with counselors to be certain requirements are being met.

For two school years following graduation, a District student who graduates as valedictorian or in the top ten percent of his or her class is eligible for automatic admission into four-year public universities and colleges in Texas if the student meets one of the following requirements:

- Completes the distinguished level of achievement under the foundation graduation program
- Satisfies the ACT College Readiness Benchmarks or earns at least a 1500 out of 2400 on the SAT
- Beginning in the fall of 2028, achieves a score set by the Texas Higher Education Coordinating Board on a college entrance examination designated by coordinating board rules.

The student is ultimately responsible for meeting the admission requirements of the university or college, including timely submission of a completed application.

If a college or university adopts an admissions policy that automatically accepts the top 25 percent of a graduating class, the provisions above will also apply to a student ranked in the top 25 percent of his or her class.

The University of Texas at Austin may limit the number of automatically admitted students to 75 percent of the University's enrollment capacity for incoming resident freshmen. From the summer/fall 2026 term through the spring 2027 term, the University will admit the top five percent of a high school's graduating class who meet the above requirements. Additional applicants will be considered by the University through a holistic review process.

As required by law, the District will provide written notice concerning the following:

- Automatic college admission
- Curriculum requirements for financial aid
- Benefits of completing the requirements for automatic admission and financial aid
- The Texas First Early High School Completion Program, which requires a student to provide an official copy of assessment results and transcripts, as applicable, to receive credit for the assessments and credits required for early graduation under the program
- The Texas First Scholarship Program
- The Future Teacher Scholarship

Parents and students will be asked to sign an acknowledgment that they received this information.

Students and parents should contact their school counselor for further information about automatic admissions, the application process, and deadlines.

Eanes Independent School District 2026-27 Student Handbook

[See **Class Rank/Highest-Ranking Student** for information specifically related to how the District calculates a student's rank in class, and requirements for **Graduation** for information associated with the foundation graduation program.]

[See **Students in the Conservatorship of the State (Foster Care)** for information on assistance in transitioning to higher education for students in foster care.]

College Applications, Transcripts and Letters of Recommendation (Grade 12)

Students will submit college applications online.

Transcripts, which are required by most colleges as part of the application, will be requested through Scoir. Counselors will provide instructions within the first few weeks of the fall semester. A \$30 transcript fee is assessed to each senior and covers all transcripts sent through the senior year. Transcripts for graduating seniors include courses taken, semester grades, credit earned, weighted grade point averages, End-Of-Course (EOC) exam results, performance acknowledgements, endorsements, and note completion of CPR and Peace Officer instruction. Unofficial transcripts are available in the Portfolio section of Skyward or students can ask their counselor to provide one.

In keeping with the policy of confidentiality established by the colleges and universities, letters of recommendation will NOT be made available for review; letters typically are delivered electronically by the recommender to the college or university. For additional information, please contact your school counselor.

College Credit Courses (Grades 9 - 12 Only)

Students in grades 9-12 may earn college credit through the following opportunities:

- Advanced Placement (AP) courses; college credit is determined by colleges and based on the AP exam score
- Enrollment in AP or dual credit courses through the virtual or hybrid courses offered by the district or another school district or school
- Enrollment in dual credit courses taught at Austin Community College, which may be offered on or off campus; and
- Enrollment in courses taught at other colleges or universities

All these methods have eligibility requirements and must be approved prior to enrollment in the course. Please see the school counselor for more information. Depending on the course, a state-mandated end-of-course assessment may be required for graduation.

It is important to keep in mind that not all colleges and universities accept credit earned in all dual credit or AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student's desired degree plan.

Under the Financial Aid for Swift Transfer (FAST) program, a student may be eligible to enroll at no cost in dual credit courses at a participating institution of higher education. The FAST program allows students who are or have been educationally disadvantaged at any time during the four years preceding the student's enrollment in a dual credit course to enroll at no cost to the student. The District will determine eligibility upon the student's enrollment in the dual credit course. See your high school counselor for more information.

A student may be eligible for subsidies based on financial need for AP exam fees. See **Fees (All Grade Levels)** for more information.

Eanes Independent School District 2026-27 Student Handbook

A student may also earn college credit for certain Career and Technical Education (CTE) courses. See **Career and Technical Education (CTE) and Other Work-Based Programs (Secondary Grade Levels Only)** for information on CTE and other work-based programs.

For dual credit purposes, all these methods have eligibility requirements and must be approved before enrollment in the course. Please see the school counselor for more information. Depending on the student's grade level and the course, a state-mandated end-of-course assessment may be required for graduation.

Not all colleges and universities accept credit earned in dual credit or AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student's desired degree plan.

Communications—Automated (All Grade Levels)

Parent Contact Information

A parent is legally required to provide in writing the parent's contact information, including address, phone number, and email address.

A parent must provide the contact information to the District upon initial enrollment and each subsequent year through the Student Information Verification process.

If the parent's contact information changes during the school year, the parent must update the information in writing no more than two weeks after the date the information changes.

A parent may update contact information by changing the information in Skyward or emailing the campus registrar.

Automated Emergency Communications

The District will rely on contact information on file with the District to communicate with parents in an emergency, which may include real-time or automated messages. An emergency may include early dismissal, delayed opening, or restricted access to the campus due to severe weather, another emergency, or a security threat. It is crucial to notify your child's school when a phone number changes.

[See **Safety** for information regarding contact with parents during an emergency.]

Automated Nonemergency Communications

Your child's school periodically sends information by automated or pre-recorded messages, text messages, or real-time phone or email communications that are closely related to the school's mission and specific to your child, your child's school, or the District.

Standard messaging rates of your wireless phone carrier may apply.

If you do not wish to receive such communications, please contact your child's principal.

[See **Safety** for information regarding contact with parents during an emergency.]

Complaints and Concerns (All Grade Levels)

Usually, student or parent complaints or concerns can be addressed informally by a phone call or a conference with the teacher or principal.

For those complaints and concerns that cannot be resolved informally, the Board has adopted a [Student and Parent Complaints/Grievances policy](#) FNG(LOCAL) in accordance with Education

Eanes Independent School District 2026-27 Student Handbook

Code Chapter 26A This policy describing the grievance process in detail is available in the district's policy online manual and is attached to this handbook as an appendix. A parent may file a grievance form to the campus principals either in person or via email. The [district's grievance forms](#) are available on the district's website.

- In general, the written grievance form should be completed and submitted to the campus principal in a timely manner.
- If the concern is not resolved, a parent or student may appeal to the superintendent or the superintendent's designee.
- If the concern is still not resolved, the district provides a process for parents and students to appeal to the Board of Trustees.

Hearings at each level will be conducted in accordance with the timelines established by law described in the district's policy at FNG(LOCAL,

Conduct (All Grade Levels)

Applicability of School Rules

The Board has adopted a [Student Code of Conduct](#) that defines standards of acceptable behavior—both on and off campus, during any format of instruction, and on District vehicles—and outlines consequences for violation of these standards. The District has disciplinary authority over a student in accordance with the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules.

During summer instruction, the Student Handbook and Student Code of Conduct in place for the school year immediately preceding the summer period shall apply, unless the District amends either or both documents for the purposes of summer instruction.

Campus Behavior Coordinator

Each campus has a campus behavior coordinator to apply discipline management techniques and administer consequences for certain student misconduct, as well as provide a point of contact for student misconduct. The contact information for each campus behavior coordinator is available on each school's website and is listed below:

- Steve Ramsey, Westlake High School
- Morgan Peccarelli, Hill Country Middle School
- Erika Bacon, West Ridge Middle School
- Brandis Smoland, Barton Creek Elementary School
- Ashley Reily, Bridge Point Elementary School
- Jennifer Dusek, Cedar Creek Elementary School
- Lesley Ryan, Eanes Elementary School
- Holly Reid, Forest Trail Elementary School

Eanes Independent School District 2026-27 Student Handbook

Deliveries

Except in emergencies, delivery of messages or packages to students will not be allowed during instructional time. Contact the campus front office for procedures for leaving a message or package, such as a forgotten lunch, for the student to pick up from the front office during a passing period.

Disruption of School Operations

- Disruption of school operations is not tolerated and may constitute a misdemeanor offense. As identified by state law, disruptions include the following:
- Interference with the movement of people at an exit, entrance, or hallway of a District building without authorization from an administrator
- Interference with an authorized activity by seizing control of all or part of a building
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly
- Use of force, violence, or threats to cause disruption during an assembly
- Interference with the movement of people at an exit or an entrance to District property
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving District property without authorization from an administrator

Disruption of classes or other school activities while on or within 500 feet of District property includes:

- Making loud noises
- Trying to entice a student away from, or to prevent a student from attending, a required class or activity
- Entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct

Interference with the transportation of students in vehicles owned or operated by the District is also considered a disruption.

Student Identification Cards/SMART Tag

The Secured Mobility Authorized Ridership Technology (SMART) tag system streamlines services including transportation and cafeteria meal transactions as well as coordinates campus dismissal preferences and attendance reporting electronically with parents of elementary students. The District has connected the SMART Tag Radio Frequency Identification (RFID) cards to multiple processes, including:

- Transportation/Buses
- Elementary campus dismissal
- Meal payments, iPads and library books

Students are required to carry/wear school identification cards if issued and required by the District while on campus or attending school sponsored activities. Failure to meet this requirement will be grounds for disciplinary action. There is no cost for a SMART Tagcard. ID cards will be issued free of charge every two years. Students will be responsible for the cost of a replacement card and lanyard. [See [School ID Badges](#) for more secondary information]

Eanes Independent School District 2026-27 Student Handbook

Social Events

School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of his or her guest.

A parent interested in serving as a chaperone for any school social events should contact the campus principal.

Correspondence Courses (Secondary Only)

Students may earn no more than two high school credits taken by correspondence course throughout their school career. Grades from correspondence courses will not be averaged into a student's GPA. Seniors who enroll in correspondence courses to earn credits required for graduation shall complete the courses and submit the grade for recording at least 30 days prior to the graduation date in order to be eligible for graduation at the end of that semester.

[For further information, see policy EHDE.]

Counseling

The comprehensive guidance program in the District is an integral part of the total educational program. Counselors assist students with developing the skills they need to enhance their personal, social, educational and career development.

The District has a comprehensive school counseling program that includes:

- A guidance curriculum to help students develop their full educational potential, including their interests and career objectives
- A responsive services component to intervene on behalf of any student whose immediate personal concerns or problems put their continued educational, career, personal, or social development at risk
- An individual planning system to guide a student as they plan, monitor, and manage their own educational, career, personal, and social development
- Systems to support the efforts of teachers, staff, parents, and other community members in promoting the educational, career, personal, and social development of students.

These guidance and counseling components address the identified needs of all students in kindergarten through grade 12 and are implemented by certified school counselors and licensed school-based therapists with the support of teachers, administrators, students and parents.

The District will make a preview of the program, including all materials and curriculum, available to parents to review during school hours.

Academic Counseling

The school counselor will provide information to students and parents about college and university admissions and the importance of planning for postsecondary education, including appropriate coursework and financial aid availability and requirements.

In either grade 7 or 8, each student will receive instruction on how best to prepare for high school, college, and a career.

High school students and their parents are encouraged to talk with a school counselor, teacher, or principal to learn more about course offerings, graduation requirements, and early graduation procedures.

Eanes Independent School District 2026-27 Student Handbook

Each year, high school students will be provided information on anticipated course offerings for the next school year, how to make the most of academic and career and technical education (CTE) opportunities, and the importance of postsecondary education.

The school counselor will also provide information each year a student is enrolled in high school about:

- The importance of postsecondary education
- The advantages of earning an endorsement and completing the foundation program with the distinguished level of achievement
- The disadvantages of pursuing a high school equivalency exam (GED) as opposed to earning a high school diploma
- Financial aid eligibility and how to apply for financial aid
- Automatic admission to state-funded Texas colleges and universities
- Eligibility requirements for the TEXAS Grant
- Availability of District programs that allow students to earn college credit
- Availability of tuition and fee assistance for postsecondary education for students in foster care
- Availability of college credit awarded by institutions of higher education to veterans and military service members for military experience, education, and training

Additionally, the school counselor can provide information about workforce opportunities after graduation or technical and trade school opportunities, including opportunities to earn industry-recognized certificates and licenses.

Personal Counseling (All Grade Levels)

The school counselors and school-based therapists are available to assist students with a wide range of personal, social, and family concerns, including emotional or mental health issues and substance abuse. A student who wishes to meet with a counselor should make an appointment by speaking with, emailing or calling the counselor in the counseling office. As a parent, if you are concerned about your child's mental or emotional health, please speak with the campus counselor for a list of resources that may be of assistance.

If your child has experienced trauma, contact the school counselor or school-based therapist to make them aware.

[See Mental Health Support, and Child Sexual Abuse, School Staff Misconduct, Trafficking, and Other Maltreatment of Children and Dating Violence.]

Course Credit (Secondary Grade Levels Only)

A student at any grade level enrolled in a high school course will earn credit for the course only if the final grade is 70 or above. A student who earns at least a 65 in the fall semester shall be allowed to continue with the spring semester and have the two semester grades averaged together for credit when the combined average is at least a 70. However, a failing spring semester grade shall not be averaged with the fall semester grade for credit. To be eligible for averaging, the two semesters must be taken during the same school year. Summer school grades, correspondence course grades, and credit by examination grades shall not be used for averaging with a fall semester grade of 65 or higher to earn credit for the full course. Should the student's combined average be less than 70, the student will be awarded credit only for the half (semester) with the passing grade.

Credit by Examination—If a Student Has Taken the Course/Subject (Grades 9–12)

A student who has previously taken a course or subject but did not receive credit or a final grade for it may, in circumstances determined by the principal or attendance committee, be permitted to earn credit or a final grade by passing an examination approved by the District's Board of Trustees on the essential knowledge and skills defined for that course or subject.

Examples of prior instruction include incomplete coursework due to a failed course or excessive absences, homeschooling, or coursework by a student transferring from a nonaccredited school. The opportunity to earn credit by examination after the student has had prior instruction is also referred to as "credit recovery."

If the student is granted approval to take an examination for this purpose, the student must score at least 70 on the examination to receive credit for the course or subject.

The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a course by passing an examination.

[See the school counselor and policy EHDB(LOCAL) for more information.]

Credit by Examination for Advancement/Acceleration—If a Student Has Not Taken the Course/Subject

A student will be permitted to earn credit by examination for an academic course or subject area for which the student had no prior instruction for the purpose of advancement or to accelerate to the next grade level.

The examinations offered by the district are approved by the district's board of trustees. Testing windows for these examinations will be published in district publications and on the district's website for [Accelerated Academics](#). Eanes ISD will offer credit-by-examination (CBE or credit-by-exam), without prior instruction, four times per year, once per quarter. A student may take a specific examination only once per testing window.

The only exceptions to the published testing windows will be for examinations administered by another entity or to accommodate a student experiencing homelessness or a student involved in the foster care system.

When another entity administers an examination, the student and the district must comply with the testing schedule of the other entity.

If a student plans to take an examination, the student or parent must register with the school counselor no later than 30 days before the scheduled testing date. [See policy EHDC for more information.]

A CBE for acceleration instruction must be completed prior to the first day of school. Students should complete the required prerequisite course prior to taking a CBE. For example, a student must complete math 8 before taking the Algebra 1 CBE.

A student may only attempt a credit-by-exam two times for the same course. District exams must be taken first if one is available. For example, a student requesting Math 8 can only take the exam two times (first time District exam, second time UT exam).

Eanes Independent School District 2026-27 Student Handbook

Grades K-8

Advancement of a Grade Level by Credit-by-Examination

Students in grades K-8 may place out of a grade level. Eanes ISD will offer credit-by-exams (CBEs) for grade-level advancement four times per year (once per quarter).

Kindergarten Acceleration

An incoming kindergarten student, who will be at least 5 years of age on September 1 of the current school year, will be eligible to accelerate to the next grade level if the student scores at least 90% on each examination in the subject areas of reading and mathematics, a District administrator recommends that the student be accelerated, and the student's parent gives written approval of the grade advancement.

Students in Grades 1–8

A student in elementary school will be eligible to accelerate to the next grade level if the student meets all the following requirements:

- scores at least 90% on each examination in the subject areas of reading, mathematics, science, and social studies
- a District administrator recommends that the student be accelerated
- the student's parent gives written approval of the grade advancement

Grades 9-12

Credit-by-exam for acceleration allows a student to earn credit for a course by earning a grade of 90% or higher on a CBE in a subject for which the student has not received formal instruction. A student earning a grade of 90% or higher on a CBE for acceleration is not required to take an applicable End-of-Course assessment.

The only exceptions to the published CBE for acceleration testing dates will be for any examinations administered by another entity besides the District or if a request is made outside of these time frames by a student experiencing homelessness or in the foster care system.

Credit-by-Exams for acceleration may only be requested once every quarter during the CBE window. District exams must be taken first if available. Students must complete CBEs for acceleration before the school year in which the student would normally take the course. For example, a student wanting to place out of World History must complete the World History exams and pass with a grade of 90% or higher prior to starting the 10th grade.

A student may only attempt a CBE two times for the same course. For example, a student requesting Health can only take the exam two times. If unsuccessful in scoring a 90% on the exam during the second attempt, the student is no longer eligible to complete a CBE for acceleration and must enroll in the course.

Grades earned on a CBE for acceleration are posted on the student's transcript but are not calculated into the student's grade point average.

In addition to CBEs, a student may earn a scale score of 50 or higher on an examination administered through the College Level Examination Program (CLEP), or a score of 3 or higher on an Advanced Placement (AP) examination to earn credit for a course for advancement.

Eanes Independent School District 2026-27 Student Handbook

Requesting a Credit-by-Examination for Acceleration

If a student plans to take a CBE for acceleration, the student or parent/guardian must contact the student's counselor or school. The District is responsible for the examination fee if the test is the student's first attempt and the test is taken during the District testing window.

[For further information, see policy EHDC.]

Expectations and School Climate

The Eanes ISD [Graduate Profile](#) outlines the traits the District wants each of our students to have upon graduation.

- Values cultural and linguistic diversity
- Respects self and others equally
- Understands the interconnected nature of our global community
- Respects differences

The District's students and staff are committed to creating a climate that is *welcoming* of all and makes each one of us feel that we *belong* and are fully accepted for the unique individuals we are. We know that when we tolerate disrespectful, biased language (see examples below) in our school environment, we harm the culture and fabric of our community. We recognize that such language can become hate language if not addressed. We expect each individual in our schools to be respectful of each other and accepting of our religious, cultural, gender, sexual, race, ability, or economic differences. Actions of disrespectful, biased language include but are not limited to name calling, using racial slurs, imitating accents or stereotypical behaviors, or making/writing derogatory statements intended to ostracize individuals or groups of people.

Violations of the expectations above should be reported to staff or through the [Westlake Watch](#) reporting tool on the District's website. While education and restorative practices are the school's/District's preferred means of intervention for inappropriate actions, violations of these expectations may result in a range of consequences according to the nature of the offense, as outlined in the Student Code of Conduct. Particularly egregious and/or repeated behaviors will be taken into consideration when assigning consequences.

Dating Violence, Discrimination, Harassment, and Retaliation (All Grade Levels)

Students learn best, and their welfare is best served, in a school environment that is free from discrimination, harassment, retaliation, and dating violence.

Students are expected to treat peers and District employees with courtesy and respect, avoid offensive behaviors, and stop those behaviors as directed. District employees are likewise expected to treat students with courtesy and respect.

The Board has established policies and procedures to prohibit and promptly address inappropriate and offensive behaviors that are based on a person's race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. A copy of the District's policy is available on the District's website. [See policy FFH for more information.]

Dating Violence

Dating violence will not be tolerated at school. To report dating violence, see Reporting Procedures, below.

Eanes Independent School District 2026-27 Student Handbook

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship or any of the person's past or subsequent partners. This type of conduct is considered harassment if it is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of dating violence against a student may include, but are not limited to:

- Physical or sexual assaults
- Name-calling
- Put-downs
- Threats to hurt the student, the student's family members, or members of the student's household
- Destroying property belonging to the student
- Threats to die by suicide or homicide if the student ends the relationship
- Threats to harm a student's past or current dating partner
- Attempts to isolate the student from friends and family
- Stalking
- Encouraging others to engage in these behaviors

In accordance with law, when the District receives a report of dating violence, a District official will immediately notify the parent of the alleged victim and alleged perpetrator.

The counselor's office has information about the dangers of dating violence and resources for seeking help.

For more information on dating violence, see:

- Texas Attorney General's office recognizing and responding to dating violence flier
<https://www.texasattorneygeneral.gov/sites/default/files/files/child-support/papa/session%2010/recognizing-relationship-violence-en.pdf>
- The CDC's Preventing Teen Dating Violence
<https://www.cdc.gov/intimate-partner-violence/about/about-teen-dating-violence.html>

Discrimination

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law that negatively affects the student.

Harassment

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of harassment may include, but are not limited to:

- Offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation
- Threatening, intimidating, or humiliating conduct
- Offensive jokes, name-calling, slurs, or rumors
- Physical aggression or assault

Eanes Independent School District 2026-27 Student Handbook

- Graffiti or printed material promoting racial, ethnic, or other negative stereotypes
- Other kinds of aggressive conduct such as theft or damage to property
- Sexual harassment and sex-based harassment

Sexual harassment and sexbased harassment of a student by an employee, volunteer, or another student are prohibited.

- Examples of sexual harassment may include, but are not limited to:
- Touching private body parts or coercing physical contact that is sexual in nature
- Sexual advances
- Jokes or conversations of a sexual nature
- Other sexually motivated conduct, communications, or contact

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact that a reasonable person would not construe as sexual in nature, such as comforting a child with a hug or taking the child's hand. However, romantic, sexual, and other inappropriate social relationships between students and District employees are prohibited, even if consensual.

Offensive Language

It is the position of the Eanes ISD Board of Trustees and Administration that the use of offensive language in the school environment is unacceptable and creates a hostile work and educational environment. Such language includes, but is not limited to, the use of slurs or offensive language related to race, gender, sex, color, national origin, disability and religious beliefs. To maintain a safe and appropriate educational environment for students and employees, all District employees and students are required to report such violations of the Student Code of Conduct to the appropriate campus administrator. [See the Student Code of Conduct for more information.]

Pregnancy or Related Conditions

The District does not discriminate on the basis of pregnancy or a related condition. Please contact the campus administration for pregnancy-related accommodations.

Retaliation

Retaliation against a person who makes a report or participates in an investigation of discrimination, harassment, or dating violence is prohibited. A person who makes a false claim, offers false statements, or refuses to cooperate with a District investigation, however, may be subject to appropriate discipline.

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

Reporting Procedures

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, school counselor, principal, or other District employee. The report also may be made by the student's parent. [See policy FFH and FFH (EXHIBIT) for other appropriate District officials to whom to make a report.]

Upon receiving a report, the District will determine whether the allegations, if proven, constitute prohibited conduct as defined by policy FFH. If not, the District will refer to policy FFI to determine whether the allegations, if proven, constitute bullying, as defined by law and policy

Eanes Independent School District 2026-27 Student Handbook

FFI. If the alleged prohibited conduct also meets the statutory and policy definitions for bullying, an investigation of bullying will also be conducted. [See **Bullying**.]

The District will promptly notify the parent of any student alleged to have experienced prohibited conduct involving an adult associated with the District. In the event alleged prohibited conduct involves another student, the District will notify the parent of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by policy FFH.

Investigation of Report

Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated.

To the extent possible, the District will respect the privacy of the student. However, limited disclosures may be necessary to conduct a thorough investigation and comply with law.

If a law enforcement or other regulatory agency notifies the District that it is investigating the matter and requests that the District delay its investigation, the District will resume its investigation at the conclusion of the agency's investigation.

During an investigation and when appropriate, the District will take interim action to address the alleged prohibited conduct.

If the District's investigation indicates that prohibited conduct occurred, appropriate disciplinary action and, in some cases, corrective action will be taken to address the conduct. The District may take disciplinary and corrective action even if the conduct was not unlawful.

All involved parties will be notified of the outcome of the District investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

Disciplinary Alternative Education Program (DAEP)

In compliance with Texas law, the District operates a Disciplinary Alternative Education Program (DAEP) for students who have committed certain serious offenses. The DAEP:

- Is in a setting other than the student's regular campus
- Is located off the regular school campus
- Separates students in the DAEP from students in the regular program
- Focuses on English language arts, mathematics, science, history, and self-discipline
- Provides for student's educational and behavioral needs
- Provides supervision and counseling
- Does not provide all courses necessary for graduation

During the DAEP assignment, a student is prohibited from attending or participating in school sponsored or school-related activities unless granted special permission from the school principal usually related to a sibling in a performance. A student who is assigned to the DAEP may not visit any District campus unless arrangements have been made with the DAEP administrator or campus principal. If the student appears on any District property without permission, the student will be charged with trespassing and be subject to further disciplinary action.

Discrimination

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

Distance Learning (All Grade Levels)

Distance learning and correspondence courses include courses that encompass the Texas Essential Knowledge and Skills but are taught through multiple technologies and alternative methodologies such as mail, satellite, internet, video-conferencing, and instructional television.

The distance learning opportunities that the District makes available to District students are through correspondence courses.

[See **Remote Instruction**]

Virtual and Hybrid Instruction

A student has the option, with certain limitations, to enroll in virtual or hybrid instruction through virtual or hybrid courses offered by another district or school to earn course credit for graduation.

Depending on the virtual or hybrid course in which a student enrolls, the course may be subject to the “no pass, no play” rules. [See **Extracurricular Activities, Clubs, and Organizations.**] In addition, a student who enrolls in a virtual or hybrid course for which an end-of-course (EOC) assessment is required must still take the corresponding EOC assessment.

A parent may ask questions or request that their child be enrolled in a virtual or hybrid course offered by the district by contacting the school counselor.

A copy of policy EHDE addressing distance learning will be distributed to parents of middle and high school students at least once each year. If you do not receive a copy or have questions about this policy, please contact the principal.

Distribution of Literature, Published Materials, or Other Documents (All Grade Levels)

School Materials

Publications prepared by and for the school may be posted or distributed, with the prior approval of the principal, sponsor, or teacher. Such items may include school posters, newspapers, yearbooks, brochures, flyers, etc.

All school publications are under the supervision of a teacher, sponsor, and the principal.

Non-school Materials

From Students

Students must obtain prior approval from the principal before selling, posting, circulating, or distributing written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any non-school material must include the name of the sponsoring person or organization. Approval will be granted or denied within two school days.

The principal will designate parameters regarding the time, place, and manner for approved non-school materials to be placed for voluntary viewing or collection by students. [See policy FNAA for more information.]

Eanes Independent School District 2026-27 Student Handbook

A student may appeal a decision in accordance with policy FNG(LOCAL). Any student who sells, posts, circulates, or distributes non-school material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without approval will be removed.

[See policy FNG(LOCAL) for student complaint procedures.]

From Others

No person or group will sell, circulate, distribute, or post on any District premises written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials that is not sponsored by the District or by a District-affiliated school-support organization, except as permitted by policy GKDA.

To be considered for distribution, any non-school material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the superintendent or designee for prior review. The superintendent or designee will approve or reject the materials within two school days of the time the materials are received. The requestor may appeal a rejection in accordance with the appropriate District complaint policy. [See policies DGBA or GF for more information.]

At each school, the principal has designated a bulletin board on campus as the location for approved non-school materials to be placed for voluntary viewing or collection.

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD(LOCAL) or a non-curriculum-related student group meeting held in accordance with policy FNAB(LOCAL)
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law

All non-school materials distributed under these circumstances must be removed from District property immediately following the event at which the materials are distributed.

Dress and Grooming (All Grade Levels)

The District's dress code is established to create the proper learning environment, teach grooming and hygiene, prevent disruptions, and minimize safety hazards. The school, student and parents share the responsibility of proper dress. Campus administrators have the final authority concerning the propriety of clothing, and jewelry to be worn on school property, at school activities, or anytime a student is representing the school/District.

The student and parent may determine the student's personal dress and grooming standards, provided that they comply with these general guidelines.

- Students should be dressed and groomed in a manner that will not be a health or safety hazard to themselves or others.
- The District prohibits any clothing or grooming that in the judgment of the administration is inappropriate or may be reasonably expected to cause disruption of or interference with normal school operations. This prohibition includes clothing or accessories with lewd, vulgar, or obscene drawings, pictures, images, emblems, or writings, and includes

Eanes Independent School District 2026-27 Student Handbook

clothing or accessories that advertise or depict tobacco products, alcoholic beverages, drugs or any other dangerous, prohibited, or controlled substance.

- Clothing or accessories that promote violence or otherwise distract from the learning environment, as determined by the principal, are also prohibited.
- For safety reasons, appropriate footwear (tennis shoes or rubber soled shoes) must be worn during physical education classes, recess, and other times of physical activity.

If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school and return to the classroom. If the problem cannot be corrected at school, the principal will work with the student and parent to obtain an acceptable change of clothing for the student in a way that minimizes loss of instructional time. The student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school.

Repeated or severe offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

Electronic Devices and Technology Resources (All Grade Levels)

Safe Use of Technology

The District is committed to ensuring that students use technology safely and will follow all federal and state requirements to protect students from excessive data collection or materials that are considered harmful to minors. The District considers parents as partners in cybersecurity and online safety.

In accordance with state and federal law, the District will:

- Install a filter that blocks and prohibits pornographic or obscene materials or applications, including from unsolicited pop-ups, installations, and downloads, before transferring an electronic device to a student to be used for an educational purpose
- Block or filter students' internet access to pictures that are obscene, contain child pornography, or have been determined to be harmful to minors in accordance with the Children's Internet Protection Act (CIPA)
- Require direct and informed parental consent for a student's use of software, other than software excluded from the consent requirement by law [See **Required State Assessments** and **Standardized Testing**.]
- Require direct and informed parental consent for a student's use of software that conducts mental health assessments or other assessments unrelated to education curricula that are intended to collect information about students [See **Consent to Conduct a Psychological Evaluation**.]

If you want to know more about partnering with the District regarding cybersecurity and online safety, or if you have complaints or concern about student use of electronic devices, please contact Technology Services at techinfo@eanesisd.net.

[See **Textbooks, Electronic Textbooks, Technological Equipment, and Other Instructional Materials (All Grade Levels)**.]

Eanes Independent School District 2026-27 Student Handbook

Possession and Use of Personal Communications Devices at School Including Cell Phones and Other Electronics

In accordance with state law, the district prohibits the use of a personal communication device (such as cell phones, tablets, and smartwatches) while on school property during the school day. For more information about permitted use in certain circumstances and disciplinary measures that apply to this prohibition, see the Student Code of Conduct and policy FNCE(LOCAL).

The use of cell phones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a personal communication device without authorization during the school day, the student will be disciplined in accordance with the Student Code of Conduct.

Every effort will be made to return confiscated devices to the student or parent based on the level of disciplinary infraction. However, ultimate responsibility for retrieving a confiscated communication device relies on the parent and unclaimed devices will be recycled at the end of the school year.

In limited circumstances and in accordance with law, a student's personal communications device may be searched by authorized personnel. [See Searches and Investigations and policy FNF for more information.]

The district is not responsible for damaged, lost, or stolen communications devices.

Instructional Use of Personal Electronic Devices

Students must obtain prior approval to use personal electronic devices allowed by law for instructional purposes while on campus. The district may not permit use of a prohibited personal communication device except as required by law. [See Possession and Use of Personal Communications Devices, Including Cell Phones and Other Electronic Devices] Students must also sign a user agreement that contains applicable rules for use (separate from this handbook).

All personal devices must be turned off during the instructional day when not in use for approved instructional purposes. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

In all grades, when not authorized, personal devices should be stored in backpacks, lockers or classroom storage systems and turned off or silenced.

In all grades, a student is authorized to use a personal device if the student's Individual Health Plan, Section 504 Plan or Individualized Education Plan specifies a required academic or health use or applicable accommodation.

In all grades, in the event of a personal or family safety emergency, a student needing to use or access a personal device may work with campus administration on an appropriate exception to these rules.

Acceptable Use of District Technology Resources

District-owned technology resources may be issued to individual students for instructional purposes. Use of the district's network systems and equipment is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Unacceptable and Inappropriate Use of Technology Resources

Students are prohibited from possessing, sending, forwarding, posting, delivering, accessing, or displaying electronic messages or video that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct off school property, or in a virtual setting, whether the equipment used to send such messages is District-owned, borrowed, or personally owned, if it results in a substantial disruption to the educational environment or infringes on the rights of another student at school.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as "sexting", will be disciplined according to the Student Code of Conduct, and may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement.

This type of behavior may constitute bullying or harassment, as well as possibly impede future endeavors of a student. We encourage parent to review with their child a [state-developed program](#) that addresses the consequences of engaging in inappropriate behavior using technology.

Students sharing inappropriate photos and electronic communications with District staff will be subjected to disciplinary actions outlined in the Student Code of Conduct. Staff members have an obligation to report any inappropriate communications they receive.

Students shall not:

1. Access files, software, or other resources owned by someone else without their explicit permission
2. Use another individual's login, files, network directories, etc., that are designated for someone else's use as designated by their teacher
3. Log into a system as someone else
4. Take District property without District permission
5. Use means to circumvent District technology that restricts internet access
6. Use technology in a way that contradicts a campus or teacher's explicit rules
7. Make, participate in the making of, transmit to another via electronic device, or post to the Internet a digital video or audio recording of an actual or simulated act that involves a crime or conduct prohibited by the Student Code of Conduct. (Students who are not involved in the prohibited conduct will not be disciplined under this provision so long as they report the incident to a school employee, turn over the recording to a school employee as soon as possible after the incident, and do not provide a copy of the recording to anyone other than law enforcement or school employees.)
8. Copy, download, reproduce, distribute, retransmit, redisplay, or modify items from the District's website
9. Engaging in any of the above forms of technological misconduct outside of school when such conduct causes a material or substantial disruption at school as determined by school officials

Students are expected to use technology in accordance with the District's "Responsible Use Guidelines" which are incorporated into the Student Code of Conduct.

Eanes Independent School District 2026-27 Student Handbook

District-Issued Technology for Instructional Use

To prepare students for an increasingly technological society, the District provides technology for instructional purposes. District computer technology includes computer workstations, iPads, applications, databases, library catalog, online resources, Internet access, email and other technologies designated for use by students. Use of these resources is restricted to students working under a teacher's supervision and for approved purposes only. With this educational opportunity comes responsibility. It is important that students and parents read the *Responsible Use Guidelines for Technology*.

The District's *Responsible Use Guidelines for Technology* (specialized by level) can be found on the [District's website](#).

Students and their parents should be aware that e-mail and other electronic communications using District computers are not private, will be monitored by District staff, and are subject to Open Records requests. [See policy CQ.]

Use of Artificial Intelligence

Artificial intelligence (AI) in the school setting is a relatively new, complex and evolving technology. The following guidelines are intended to provide a framework for students.

Currently, certain online AI applications such as ChatGPT are blocked by the District's web filter from student access due to student data privacy issues. However, some students may have access to the technology at home.

Teachers cannot require students to use a blocked online application for an assignment. However, teachers will provide guidelines for the use of artificial intelligence applications if allowed. This guidance may include a continuum of permissions from full use of AI software for a task to disallowing all AI software. Other uses may include, but are not limited to, idea generation, enhancing a final draft or developing an outline. A teacher may require citations including the original prompt used to generate the response, the date and the program URL.

Students who use an AI application to complete an assignment that does not align with the teacher's written guidelines will be disciplined in accordance with the Student Code of Conduct.

Student Email Addresses

As part of the Google G Suite services, all Eanes ISD students will be assigned an Eanes ISD student email account. Unless another email address is assigned by the District, this account will be considered the student's official email address until such time as the student is no longer enrolled in Eanes ISD.

In addition to being a communication tool for students to use with their teachers as appropriate by grade level, this email address may also be used as a student identifier to access education-related software and programs, in accordance with Eanes ISD curriculum and privacy practices.

Consent

By acknowledging receipt of the Student Handbook (including the [Technology Responsible Use Guidelines](#)), parents/guardians are giving consent for their student to use their Eanes ISD Google G Suite for Education account, Managed Apple ID/iCloud account, Microsoft Office 365/Azure AD account, and related services.

Consequences for Noncompliance

If the use of a device is determined by a staff member to be a distraction to a student or the learning environment, or is used in violation of these provisions, all staff will respond in the same manner as any other distraction to the student or learning environment.

Any item that is a distraction to the learning environment may be collected by a staff member and given to a campus administrator. If a personal device is collected by a staff member and given to a campus administrator, a parent or guardian will be responsible for retrieving the item in the office. Confiscated devices that are not retrieved by the student or the student's parent will be disposed of after the notice required by law. [See policy FNCE.]

Students violating these rules may also be disciplined in accordance with the Student Code of Conduct, particularly for multiple, flagrant or egregious violations.

In limited circumstances and in accordance with law, a student's personal device may be searched by authorized personnel. [See **Searches** and policy FNF.]

"Bring Your Own Technology" for Instructional Use

If allowed by state law and approved the campus principal, students in grades 9-12 may find it beneficial to use personal laptops, notebook computers, or tablet computers for instructional purposes while at school. When students are not using the devices for approved instructional purposes, all devices must be turned off during the instructional day. To access the District network, students bringing personal technology for instructional purposes will be required to complete a user agreement (separate from this Handbook), available from campus administration or technology staff. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

End-of-Course (EOC) Assessments

[See **Graduation** and **Standardized Testing**.]

Emergent Bilingual Students (All Grade Levels)

A student who is an emergent bilingual student is entitled to receive specialized services from the District. A Language Proficiency Assessment Committee (LPAC), consisting of both District personnel and at least one parent representative, will determine whether the student qualifies for services. The student's parent must consent to any services recommended by the LPAC. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible.

To determine a student's level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services, and once a level of proficiency has been established, the LPAC will designate instructional accommodations or additional special programs that the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student's continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR Spanish, as mentioned at **Standardized Testing**, may be administered to an emergent bilingual student up to grade 5. In limited circumstances, a student's LPAC may exempt the student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment

Eanes Independent School District 2026-27 Student Handbook

System (TELPAS) will also be administered to emergent bilingual student who qualifies for services.

If a student is considered an emergent bilingual student and receives special education services because of a qualifying disability, the student's ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

Extracurricular Activities, Clubs, and Organizations (All Grade Levels)

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships.

State law requires the district to obtain written parental consent before a student may participate in a student club that is authorized or sponsored by the district. Parents will be provided an opportunity to opt into all clubs or individual clubs. Some extracurricular activities may include off-campus events. Students are required to use transportation provided by the District to and from the events. Exceptions may only be made with the approval of the activity's coach or sponsor. [See **Transportation**.]

Eligibility for many of these activities is governed by state law and the rules of the University Interscholastic League (UIL), a statewide association overseeing inter-District competition. If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. Students and parents can access the [UIL Parent Information Manual](#) online. A hard copy can be provided by the coach or sponsor of the activity on request.

To report alleged noncompliance with required safety training or an alleged violation of safety rules required by law and the UIL, please contact the curriculum division of TEA at (512) 463-9581 or curriculum@tea.texas.gov.

[See [UIL Texas](#) for additional information on all UIL-governed activities.]

Generally, a student who receives a grade below 70 at the end of a grading period in any academic class may not participate in extracurricular activities for at least three school weeks.

However, if a student receives a grade below 70 at the end of a grading period in an Advanced Placement (AP) course, or an honors or dual credit course in English language arts, mathematics, science, social studies, economics, or languages other than English, the student remains eligible for participation in all extracurricular activities.

If a student is enrolled in a state-approved course that requires demonstration of the mastery of a essential knowledge and skills in public performance and the student receives a grade below 70 in any course at the end of the grading period, the student may participate in a performance so long as the general public is invited.

If a student is enrolled in a state-approved music course that participates in UIL Concert and Sight-reading Evaluation, and the student receives a grade below 70 in any course at the end of a grading period, the student may perform with the ensemble during the UIL evaluation performance but is ineligible for other extracurricular activities for at least three weeks.

In addition, the following applies to all extracurricular activities:

- A student who receives special education services and who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks

Eanes Independent School District 2026-27 Student Handbook

- An ineligible student may practice or rehearse but may not participate in any competitive activity
- A student is allowed in a school year up to ten absences not related to post-District competition, a maximum of five absences for post-District competition prior to state, and a maximum of two absences for state competition. All extracurricular activities and public performances, whether UIL activities or other activities approved by the Board, are subject to these restrictions
- An absence for participation in an activity that has not been approved will be considered an unexcused absence

Standards of Behavior

Sponsors of student clubs and performing groups such as the band, choir, drill team, and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by Board Policy will apply in addition to any consequences specified by the organization's standards of behavior.

Fees (All Grade Levels)

Basic educational program materials are provided at no charge to a student. However, a student is expected to provide his or her own supplies, such as pencils, paper, erasers, and notebooks. A student may also be required to pay certain other costs, fees, or deposits, including:

- Materials for a class project that the student will keep
- Membership dues in voluntary clubs or student organizations
- Admission fees to extracurricular activities
- Security deposits
- Personal physical education and athletic equipment and apparel
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
- Voluntarily purchased student health and accident insurance
- Musical instrument rental and uniform maintenance, when uniforms are provided by the District
- Personal apparel used in extracurricular activities that becomes the property of the student.
- Parking fees and student identification cards
- Fees for lost, damaged, or overdue library books
- Fees for driver training courses, if offered
- Fees for optional courses offered for credit that require use of facilities not available on District premises
- Summer school for courses that are offered tuition-free during the regular school year

A reasonable fee for providing transportation to a student who lives within two miles of the school. [See **Buses and Other School Vehicles.**]

- A maximum fee of \$50 for an educational program outside of regular school hours for a student who has lost credit or has not been awarded a final grade because of absences and whose parent chooses the program for the student to meet the 90 percent attendance requirements. The fee will be charged only if the parent or guardian signs a District-provided request form.
- In some cases, a fee for a virtual or hybrid course

Eanes Independent School District 2026-27 Student Handbook

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the campus principal. [See policy FP for more information.]

Extracurricular Participation Fees (Secondary Only)

The District requires that students who participate in certain extracurricular activities pay an extracurricular participation fee. If a student registers for an athletics class, he or she is required to pay the extracurricular participation fee. If the student is not selected as a member of the team associated with the class, the fee will be reimbursed by the District.

Fees are as follows:

High School. Students who participate in more than one activity pay the **Tier 1** fee.

Tier 1 - \$375.00

Band
Athletics
Hyline
Cheerleading
Color Guard
Robotics II and Advanced
Tech Theater II and Advanced

Tier 2 - \$250.00

Orchestra II and Advanced
Choir Beyond Year One
Winter Guard

Middle School. Students who participate in more than one activity pay the **Tier 1** fee.

Tier 1 - \$375.00

Basketball
Football
Soccer
Volleyball

Tier 2 - \$250.00

Cross Country
Golf
Tennis
Track

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the campus principal. [See policy FP for more information.]

Fundraising (All Grade Levels)

Student groups or classes and/or parent groups may be permitted to conduct fundraising drives for approved school purposes in accordance with administrative regulations. [See policies FJ and GE for more information.]

Gang-Free Zones (All Grade Levels)

Certain criminal offenses, including gang-related crimes, will be enhanced to the next-highest category of offense if they are committed in a gang-free zone. Gang-free zones include a school bus and any location in, on, or within 1,000 feet of any District-owned or leased property or campus playground.

Grade-Level Classification (Grades 9–12 Only)

After the ninth grade, students are classified according to the number of credits earned toward graduation.

Credits Earned	Classification
6	Grade 10 (Sophomore)
12	Grade 11 (Junior)
18	Grade 12 (Senior)

Grading Guidelines (All Grade Levels)

The District has developed elementary and secondary grading guidelines for teachers to follow in determining grades for students. These guidelines ensure that grading reflects a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned.

For more information regarding the District's grading guidelines, please see Administrative Regulation EIA, "Mastery Learning and Grading – Elementary", and "Mastery Learning and Grading – Secondary", both included at the end of this Handbook.

[See **Report Cards/Progress Reports and Conferences** for additional information on grading guidelines.]

Graduation (Secondary Grade Levels Only)

Requirements for a Diploma

A student must meet the following requirements to receive a high school diploma from the District:

- Achieve passing scores on certain end-of-course (EOC) assessments or approved substitute assessments, unless specifically waived as permitted by state law
- Complete the required number of credits established by the state and any additional credits required by the District
- Complete any locally required courses in addition to the courses mandated by the state
- Demonstrate proficiency, as determined by the District, in the specific communication skills required by the State Board of Education (SBOE)
- Complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TAFSA)

Testing Requirements for Graduation

In accordance with state law, students are required, with limited exceptions and regardless of graduation program, to perform satisfactorily on the following End-of-Course (EOC) assessments:

- English I
- English II
- Algebra I

Eanes Independent School District 2026-27 Student Handbook

- Biology
- U.S. History

A student who does not achieve a sufficient score will have opportunities to retest.

State law allows a student to meet EOC requirements by substituting satisfactory performance on approved national standardized assessments or on the state-developed assessment used for entrance into Texas public universities. [See the school counselor for more information on the state testing requirements for graduation.]

If a student fails to perform satisfactorily on an EOC assessment, the District will provide remediation in the applicable content area. This may require the student's participation outside normal school operating times.

In limited circumstances, a student who fails to demonstrate proficiency on two or fewer of the required assessments may still be eligible to graduate if an individual graduation committee, formed in accordance with state law, unanimously determines that the student is eligible to graduate.

[See **Standardized Testing.**]

Foundation Graduation Program

Every Texas public school student will graduate under the foundation graduation program. The foundation graduation program features "endorsements," which are paths of interest including:

- Science, Technology, Engineering, and Mathematics (STEM)
- Business and Industry
- Public Service
- Arts and Humanities
- Multidisciplinary Studies

Endorsements earned by a student will be noted on the student's transcript.

A student can complete the foundation graduation program with a "distinguished level of achievement," which reflects the completion of at least one endorsement and Algebra II as one of the required advanced mathematics credits.

Personal Graduation Plans will be completed for each high school student.

State law generally prohibits a student from graduating solely under the foundation graduation program without an endorsement. However, after the student's sophomore year, the student and student's parent may request that the student graduate without an endorsement. The District will advise the student and the student's parent of the specific benefits of graduating with an endorsement. The student and the student's parent must then submit written permission to the school counselor for the student to graduate without an endorsement.

A student who wishes to attend a four-year university or college after graduation must carefully consider whether graduation under the foundation program without an endorsement will satisfy the admission requirements of their desired college or university.

A student graduating under the foundation graduation program can also earn "performance acknowledgments" on their transcript for outstanding performance in bilingualism and biliteracy, in a dual credit course, on an AP examination, on certain national college preparatory and readiness or college entrance examinations, or for earning a license or certificate recognized at

Eanes Independent School District 2026-27 Student Handbook

the state, national, or international level. The school counselor can provide more information about these acknowledgments.

A student is not required to complete an Algebra II course to graduate under the foundation graduation program, and the District will annually notify a student's parent of this fact. However, the student and parent should be aware that not taking Algebra II will make a student ineligible for automatic admission to four-year public universities and colleges in Texas and for certain financial aid and grants while attending those institutions.

A school District will permit a student to satisfy the curriculum requirements for graduation under the foundation program with the distinguished level of achievement, including an endorsement, by successfully completing courses in the core curriculum of a public Texas institution of higher education. Please see the school counselor for more information.

Credit and course requirements for graduation under the foundation graduation program and the foundation graduation program with an endorsement can be found in the [Westlake High School Course Catalog](#).

Financial Aid Application Requirement

Before graduating from high school, each student must complete and submit an application for financial aid for post-secondary education. Students must complete and submit either a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA).

School counselors are available to assist families with FAFSA or TASFA completion and can provide various resources; information is available on the [Westlake Counseling website](#).

A student is not required to complete and submit a FAFSA or TASFA if:

- The student's parent submits a form provided by the District indicating that the parent authorizes the student to opt out
- A student who is 18 years of age or older or a legally independent minor submits a form provided by the District indicating that the student opts out
- A school counselor authorizes the student to opt out for good cause

Please contact the school counselor for more information.

To confirm that a student has completed and submitted a FAFSA or TASFA, the student must submit one of the following:

- A screenshot that includes the processed date field of the FAFSA ApplyTexas Counselor Suite
- Notification, such as a copy of an email, from the United States Department of Education verifying completion of the FAFSA
- A copy or screenshot of the FAFSA acknowledgment page
- A screenshot of the TASFA submission acknowledgment page (from those institutions that offer an electronic form)
- An acknowledgment receipt from an institution of higher education (IHE)
- A copy of a financial aid award letter from an IHE

Personal Graduation Plans

A personal graduation plan will be developed for each high school student.

The District encourages all students to pursue a personal graduation plan that includes the completion of at least one endorsement and to graduate with the distinguished level of achievement. Attainment of the distinguished level of achievement is a requirement for a

Eanes Independent School District 2026-27 Student Handbook

student to be considered for automatic admission to a public four-year college or university in Texas, depending on his or her rank in class.

The school will review personal graduation plan options with each student entering grade 9 and his or her parent. Before the end of grade 9, a student and his or her parent will be required to sign off on a personal graduation plan that promotes college and workforce readiness, promotes career placement and advancement, and facilitates the transition from secondary to postsecondary education.

The student's personal graduation plan will outline an appropriate course sequence based on the student's choice of endorsement.

Please review [TEA's Graduation Toolkit](#).

A student may amend his or her personal graduation plan after this initial confirmation. The school will send written notice of any such amendment to the student's parent.

Available Course Options for All Graduation Programs

Each spring, the District will update students on the courses required or offered in each curriculum area so students can enroll for the upcoming school year.

Note: The District may require the completion of certain courses for graduation even if these courses are not required by the state for graduation.

Not all courses are offered at every secondary campus in the District. A student who wants to take a course not offered at his or her regular campus should contact the school counselor about a transfer or other alternatives. If the parents of at least 22 students request a transfer for a course in the required curriculum other than fine arts or career and technical education (CTE), the District will offer the course the following year either by teleconference or at the school from which the transfers were requested.

Certificates of Coursework Completion

A certificate of coursework completion will not be issued to a student who has successfully completed state and local credit requirements for graduation but has not yet demonstrated satisfactory performance on the state-mandated tests required for graduation.

Students with Disabilities

Admission, review, and dismissal (ARD) committees will make instructional and assessment decisions for students with disabilities who receive special education services in accordance with state law.

Upon the recommendation of the ARD committee, a student with a disability who receives special education services may be permitted to graduate under the provisions of his or her individualized education program (IEP) and in accordance with state rules.

A student who receives special education services may earn the distinguished level of achievement or an endorsement under the foundation program. If the student's curriculum requirements for the endorsement were modified, the student's ARD committee will determine whether the modified curriculum is sufficiently rigorous to earn the distinguished level of achievement or endorsement. The ARD committee must also determine whether the student must perform satisfactorily on any end-of-course assessment to earn an endorsement.

A student who receives special education services and has completed four years of high school but has not met the requirements of his or her IEP may participate in graduation ceremonies

Eanes Independent School District 2026-27 Student Handbook

and receive a certificate of attendance. The student may then remain enrolled to complete the IEP and earn his or her high school diploma but will only be allowed to participate in one graduation ceremony.

[See policy FMH(LEGAL) for more information.]

Graduation Activities and Honors

Graduation activities will include:

- Senior Awards Night
- Graduation Ceremony
- Parent-sponsored Project Graduation
- Parent-sponsored Baccalaureate program

The District has a right to limit a student's participation in graduation activities for violating the Student Code of Conduct. Participation may include a speaking role, as established by District policy and procedures.

For graduating seniors who are in DAEP during the last week of school, the DAEP placement will continue through the last instructional day. The student will be allowed to participate in commencement exercises and related graduation activities unless otherwise specified in the DAEP placement order.

The following students and student groups shall be recognized at graduation ceremonies:
Summa Cum Laude: 100 and 100+

- Magna Cum Laude: 95-99
- Cum Laude: 90-94

Information about class rank can be found in the [Westlake High School Course Catalog](#).

Graduation Speakers

Certain graduating students will be given an opportunity to speak at graduation ceremonies.

A student must meet eligibility criteria, which may include requirements related to student conduct, to have a speaking role. Eligible students will be asked to volunteer to open or close the graduation ceremonies. The faculty graduation committee designated by the principal will use the following neutral criteria to select which of the volunteers will have speaking roles:

- School Service
- Community Service
- Officer positions held in school organizations
- Membership in school organizations

In addition to the opening and closing remarks, the valedictorian and salutatorian may also have speaking roles at the graduation ceremony.

[See the Student Code of Conduct and policy FNA(LOCAL) for more information.]

[For student speakers at other school events, see **Student Speakers**.]

Eanes Independent School District 2026-27 Student Handbook

Graduation Expenses

Because students and parents will incur expenses to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both the student and parent should monitor progress toward completion of all requirements for graduation. The expenses often are incurred in the junior year or first semester of the senior year. [See **Fees** on page .]

Scholarships and Grants

Students who have a financial need according to federal criteria and who complete the foundation graduation program may be eligible under the TEXAS Grant, TEACH Grant, and Future Teacher Scholarship for scholarships and grants toward tuition and fees to Texas public universities, community colleges, and technical schools, as well as to private institutions. Certain students who graduate early may also be eligible for the Texas First Scholarship.

Contact the school counselor for information about other scholarships and grants.

Harassment

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

Hazing (All Grade Levels)

Hazing is defined as an intentional, knowing, or reckless act, on or off campus, by one person alone or acting with others, directed against a student for the purpose of pledging, initiation into, affiliation with, holding office in, or maintaining membership in a student organization if the act meets the elements in Education Code 37.151, including:

- Any type of physical brutality
- An activity that subjects the student to an unreasonable risk of harm or that adversely affects the student's mental or physical health, such as sleep deprivation, exposure to the elements, confinement to small spaces, calisthenics, or consumption of food, liquids, drugs, or other substances
- An activity that induces, causes, or requires the student to perform a duty or task that violates the Penal Code
- Coercing a student to consume a drug or alcoholic beverage in an amount that would lead a reasonable person to believe the student is intoxicated

The District will not tolerate hazing. Disciplinary consequences for hazing will be in accordance with the Student Code of Conduct. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal, superintendent, or law enforcement official.

[See **Bullying** and policies FFI and FNCC for more information.]

Health—Physical and Mental

Health-Related Services

The district is required to provide notice of each health-related service offered at a student's campus. A parent may withhold consent or decline a health related service.

The District values both the academic progress of our students as well as their physical and social/emotional health and well-being. Each of our campuses has a full-time nurse and one or more school counselor and school-based therapist depending on the number of students on that

Eanes Independent School District 2026-27 Student Handbook

campus. We also have a robust [website](#) where families will find pertinent policies around the physical and mental health of our students and many helpful [resources](#) for these areas.

Illness (All Grade Levels)

When your child is ill, please contact the school to let us know he or she will not be attending that day.

State rules require schools to exclude students with certain illnesses from school for certain periods of time. For example, if a child has a fever over 100 degrees, he or she must stay out of school until fever-free for 24 hours without use of fever-reducing medications. Students with diarrheal illnesses must stay home until they are diarrhea-free without use of diarrhea-suppressing medications for 24 hours.

A full list of conditions for which the school must exclude children can be obtained from the school nurse.

If a student becomes ill during the school day, and the school nurse determines that the child should go home, the nurse will contact the parent.

The school nurse is available to answer any questions for parents who are concerned about whether their child should stay home. [School Nurse FAQ](#).

Immunization (All Grade Levels)

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized.

For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch, are honored by the District.

Download the [Affidavit Request Form](#) or obtained a paper version by writing:

DSHS Immunization Branch (MC 1946),
P.O. Box 149347, Austin, Texas 78714-9347;

The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

The immunizations required are:

- Diphtheria, tetanus, and pertussis measles, mumps, and rubella
- Polio
- Hepatitis A
- Hepatitis B
- Varicella (chicken pox)
- Meningococcal

The school nurse can provide information on [immunization requirements](#). Proof of immunization may be established by personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. registered and licensed physician stating that, in the doctor's

Eanes Independent School District 2026-27 Student Handbook

opinion, the immunization required is medically contraindicated or poses a significant risk to the health and well-being of the student or a member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a lifelong condition.

For information against bacterial meningitis and college enrollment and attendance, see Bacterial Meningitis (All Grade Levels)

[See the DSHS website: [Texas School & Child Care Facility Immunization Requirements](#) and policy FFAB(LEGAL) for more information.]

Medicine at School (All Grade Levels)

Medication administered to a student during school hours must be provided by the student's parent. All medication, whether prescription or nonprescription, must be kept in the nurse's office and administered by the nurse or another authorized District employee, unless the student is authorized to possess his or her own medication because of asthma or a severe allergy as described below or as otherwise allowed by District guidelines, law, or policy.

The district will not purchase nonprescription medication to give to a student.

In accordance with policy FFAC, authorized employees may administer:

- Prescription medication in the original, properly labeled container, provided by the parent along with a written request.
- Prescription medication from a properly labeled unit dosage container filled by a registered nurse or another qualified district employee from the original, properly labeled container provided by the parent along with a written request.
- Nonprescription medication in the original, properly labeled container, provided by the parent along with a written request. **Note:** Insect repellant is considered nonprescription medication.
- Herbal or dietary supplements provided by the parent only if required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities.

An elementary or secondary student may possess and self-apply sunscreen to avoid overexposure to the sun. An elementary student's teacher or other district personnel will apply sunscreen to the student's exposed skin if the student brings the sunscreen to school and asks for help applying it. If a secondary student needs assistance with sunscreen application, please address the need with the school nurse.

Whether a student is at the elementary or secondary level, if sunscreen needs to be administered to treat any type of medical condition, this should be handled through communication with the school nurse so that the district is made aware of any safety and medical issues.

For additional information on medication and needed forms, see [the EISD Health website](#)

Elementary/Middle School Students:

Except for exceptions listed above, elementary and middle school students are not allowed to carry or possess medication on school property, including District transportation.

High School Students:

Students in grades 9 - 12 may possess and self-administer over-the-counter (OTC) medications on campus with the following exceptions:

- Any substance that contains dextromethorphan (commonly found in cough medications)

Eanes Independent School District 2026-27 Student Handbook

- Any substance that contains pseudoephedrine, phenylpropanolamine or ephedrine
- Any consumable hemp products; oils (e.g., CBD oil), lotions, or similar products that contain hemp; hemp products in any form suitable for smoking, vaping or other uses

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL).]

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

Teachers and other District employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A District employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or licensed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further information, see policy FFAC.]

Lice (All Grade Levels)

Head lice is very common among children. Although not an illness or a disease, it spreads easily through head-to-head contact during play, sports, nap time, and when children share things like brushes, combs, hats, and headphones.

The District does not require or recommend that students be removed from school because of lice or nits.

If careful observation indicates that a student has head lice, the school nurse will contact the student's parent to discuss a treatment plan using an FDA-approved medicated shampoo or cream rinse that may be purchased from any drug or grocery store. After the student undergoes one treatment, the parent should contact the school nurse to discuss the treatment used. The nurse can also offer additional recommendations, including subsequent treatments, how best to get rid of lice, and how to prevent lice from returning.

The District will provide notice to parents of elementary school students in the affected classroom without identifying the student with lice.

More information on head lice can be obtained from the DSHS website [Managing Head Lice in School Settings and at Home](#).

[See policy FFAA for more information.]

Contagious Diseases/Conditions

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent suspects that his or her child has a contagious disease, the parent should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

The District is required to report certain contagious (communicable) diseases or illnesses to the Texas Department of State Health Services (TDSHS) or our local/regional health authority. The school nurse can provide information from TDSHS on these notifiable conditions.

The school nurse or the principal's office can provide information from the Texas Department of State Health Services regarding these conditions.

Asthma and Severe Allergic Reactions

A student with asthma or life-threatening allergy (anaphylaxis) may possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if he or she has written authorization from his or her parent and a physician or other licensed health-care provider. The student must also demonstrate to his or her health-care provider and the school nurse the ability to use the prescribed medication, including any device required to administer the medication.

If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal.

See also **Food Allergies**.

Unassigned Epinephrine Delivery Systems

In accordance with Chapter 38, Subchapter E of the Education Code, the Board has adopted a policy to allow authorized school personnel who have been adequately trained to administer an unassigned epinephrine delivery systems to a person who is reasonably believed to be experiencing a severe allergic reaction (anaphylaxis).

An “unassigned epinephrine delivery system” is an epinephrine delivery system, including an auto-injector or nasal spray, prescribed by an authorized health-care provider in the name of the school issued with a non-patient-specific standing delegation order for the administration of an epinephrine delivery system.

Epinephrine delivery systems include brand-name devices such as EpiPens® and Neffy®.

Authorized and trained individuals may administer an epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

The District will ensure that at each campus a sufficient number of school personnel and/or school volunteers are trained to administer epinephrine so that at least one trained individual is present on campus during regular school hours and whenever school personnel are physically on site for school-sponsored activities.

Authorized and trained individuals may administer an unassigned epinephrine delivery system to a person experiencing anaphylaxis at an off-campus school event or while in transit to or from a school event when an unassigned epinephrine delivery system is available.

For additional information, see FFAC(LOCAL).

Unassigned Medication for Respiratory Distress

In accordance with Chapter 38, Subchapter E of the Education Code, the Board has adopted a policy to allow authorized and trained school personnel to administer medication for respiratory distress on a school campus or at a school-related activity to a person reasonably believed to be experiencing symptoms of asthma respiratory distress.

The District will provide at each campus school personnel who are trained to administer prescription medication for respiratory distress during regular school hours.

“Unassigned medication for respiratory distress” means albuterol, levalbuterol, or another medication designated by the executive commission of the Health and Human Services Commission for treatment of respiratory distress, prescribed by an authorized health-care provider in the name of the District with a non-patient-specific standing delegation order for the

Eanes Independent School District 2026-27 Student Handbook

administration of a medication for respiratory distress, and issued by an authorized health-care provider.

For additional information, see FFAC(LOCAL).

Unassigned Opioid Antagonists (All grades)

In accordance with Chapter 38, Subchapter E of the Education Code, the Board has adopted a policy to allow authorized and trained school personnel at each campus to administer an opioid antagonist, such as Narcan or Naloxone, to an individual who is reasonably believed to be experiencing an opioid-related drug overdose.

One or more authorized and trained individuals will be present on each campus subject to this policy during regular school hours.

Steroids (Secondary Grade Levels Only)

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for physician-prescribed medical use only.

Body building, muscle enhancement, or the increase of muscle bulk or strength using an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

Mental Health Support (All Grade Levels)

The District has implemented programs to address the following mental health, behavioral health, and substance abuse concerns:

- Mental health promotion and early intervention
- Building skills to manage emotions, establish and maintain positive relationships, and engage in responsible decision-making
- Substance abuse prevention and intervention
- Suicide prevention, intervention, and postvention (interventions after a suicide in a community)
- Grief, trauma, and trauma-informed care
- Positive behavior interventions and supports
- Positive youth development
- Safe, supportive, and positive school climates

Learn more about mental health support in Eanes ISD on the [counseling website](#).

If a student has been hospitalized or placed in residential treatment for a mental health condition or substance abuse, the District has procedures to support the student's return to school. Please contact the campus counselor or school-based therapist for further information.

Teachers and other District employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication that is intended to alter perception, emotion, mood, or behavior.

A District employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or licensed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [See policy FFEB for more information.]

For related information, see:

Eanes Independent School District 2026-27 Student Handbook

- **Consent to Conduct a Psychological Evaluation or Provide a Mental Health Care Service** for the District's procedures for recommending a mental health intervention and the mental health liaison's contact information
- **Counseling** for the District's comprehensive school counseling program
- **Physical and Mental Health Resources** for campus and community mental and physical health resources
- **Policies and Procedures that Promote Student Physical and Mental Health** for Board-adopted policies and administrative procedures that promote student health.

Physical Activity Requirements

Elementary School

The District will ensure that students in full-day kindergarten–grade 5 engage in moderate or vigorous physical activity for at least 30 minutes per day or 135 minutes per week, in accordance with policies at EHAB, EHAC, EHBG, and FFA.

For additional information on the District's elementary school student physical activity programs and requirements, please see the principal.

Middle School

The District will ensure that students in middle school will engage in 30 minutes of moderate or vigorous physical activity per day for at least four semesters, in accordance with policies at EHAB, EHAC, EHBG, and FFA.

For additional information on the District's middle school student physical activity programs and requirements, please see the principal.

Temporary Restriction from Participation in Physical Education

Students who are temporarily restricted from participation in physical education will not actively participate in skill demonstration but will remain in class to learn the concepts of the lessons.

Physical Education Waivers (Secondary)

All secondary schools award credit for physical education (PE) for appropriate private or commercially sponsored physical activity programs for students in grades 6-12. Students attending an appropriate physical activity program may receive a waiver for required PE classes through a four-step process. Students in grade 6 may only be granted a PE waiver if they are enrolled in Spanish 2A or an intervention course. For more information, including waiver forms, please review your campus website or contact the school counselor.

Physical Fitness Assessment (Grades 3–12)

Annually, the District will conduct a physical fitness assessment of students in grades 3–12 who are enrolled in a physical education course or a course for which physical education credit is awarded. At the end of the school year, a parent may submit a written request to the principal to obtain the results of his or her child's physical fitness assessment conducted during the school year.

Physical Health Screenings / Examinations

Athletics Participation (Secondary Grade Levels Only)

For certain extracurricular activities, a student must submit certification from an authorized health-care provider. The certification must state that the student has been examined and is physically able to participate in the relevant program, including:

Eanes Independent School District 2026-27 Student Handbook

- A District athletics program
- District marching band
- Any District extracurricular program identified by the superintendent

This certification of examination is required to be submitted annually to the District.

Students should be aware of the rare possibility of sudden cardiac arrest, which in athletes is usually caused by a previously unsuspected heart disease or disorder. A student may request an electrocardiogram (ECG or EKG) to screen for such disorders, in addition to his or her required physical examination.

See the UIL's explanation of [sudden cardiac death](#) for more information.

Spinal Screening Program

School-based spinal screening helps identify adolescents with abnormal spinal curvature at an early stage, when the curve is mild and may go unnoticed. Early detection is key to controlling spinal deformities. Spinal screening is non-invasive and conducted in accordance with the most recent, nationally accepted and peer-reviewed standards.

All students who meet the Texas Department of State Health Services criteria will be screened for abnormal spinal curvature before the end of the school year. As appropriate, students will be referred for follow-up with their physician.

For information on spinal screening by an outside professional or exemption from spinal screening based on religious beliefs, contact the superintendent or see policy FFAA(LEGAL).

Other Examinations and Screenings (All Grade Levels)

Students are required to undergo a risk assessment for Type 2 diabetes at the same time the district screens students for hearing and vision issues or for abnormal spinal curvatures.

- Vision and hearing screenings are provided in grades K, 1, 3, 5, and 7, as well as any new students to the District and for any student identified by a parent or teacher
- Scoliosis screening is provided in 5th and 7th grades for girls and 8th grade for boys. Parents are provided with written notification if a referral to a physician for further evaluation is recommended
- Screenings for Acanthosis Nigricans is provided in grades 1, 3, 5 and 7

[See policy FFAA for more information.]

Special Health Concerns (All Grade Levels)

Bacterial Meningitis (All Grade Levels)

Please see the District's website or information regarding bacterial meningitis or <https://www.dshs.texas.gov/immunizations/school/back-to-school>

Note: Entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

[See **Immunization**.]

Eanes Independent School District 2026-27 Student Handbook

Diabetes

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL) for more information.]

Food Allergies (All Grade Levels)

Parents should notify the District when a student has been diagnosed with a food allergy, especially an allergy that could result in dangerous or life-threatening reactions either by breathing, eating, or touching the particular food. It is important to disclose the food to which the student is allergic as well as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

The District has developed and annually reviews a food allergy management plan, based on the Texas Department of State Health Services' (DSHS) "Guidelines for the Care of Students with Food Allergies At-Risk for Anaphylaxis" found on the DSHS website at [Allergies and Anaphylaxis](#).

When the District receives information that a student has a food allergy that puts the student at risk for anaphylaxis, individual care plans will be developed to assist the student in safely accessing the school environment. View the District's [food allergy management plan](#).

[See **Celebrations** and policy FFAF for more information.]

Seizures (All Grade Levels)

To address the care of a student with a seizure disorder while at school or participating in a school activity, a parent may submit a seizure management and treatment plan to the District before the start of the school year, upon enrollment of the student, or as soon as practicable following diagnosis of a seizure disorder. For more information, contact the school nurse.

A parent who submits a plan must use the [Seizure Management and Treatment Plan Form](https://tea.texas.gov/academics/tea-seizure-management-form.pdf) (<https://tea.texas.gov/academics/tea-seizure-management-form.pdf>) developed by the Texas Education Agency.

[See **A Student with Physical or Mental Impairments Protected under Section 504** for more information.]

Tobacco E-Cigarettes, and Nicotine Products Prohibited (All Grade Levels and All Others on School Property)

Students are prohibited from possessing or using any type of tobacco product, electronic cigarette (e-cigarette), or any other electronic vaporizing device while on school property or while attending an off-campus school-related activity. With limited exceptions for medication, [see **Medicine at School (All Grade Levels)**] students are also prohibited from possessing or using any type of nicotine product, including nicotine pouches, regardless of whether the product contains tobacco, while on school property or while attending an off-campus school-related activity.

The District and its staff strictly enforce prohibitions against the use of all tobacco products, e-cigarettes, or any other electronic vaporizing device by students and all others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policies FNCD and GKA for more information.]

Health-Related Resources, Policies, and Procedures

Physical and Mental Health Resources (All Grade Levels)

Parents and students in need of assistance with physical and mental health concerns may contact the following campus and community resources:

- The campus nurse
- The campus school counselor or school-based therapist
- The District's Student Support Services office at (512) 732-9020
- Local public health and mental health authorities
<https://www.austintexas.gov/department/health>
- <https://www.hhs.texas.gov/services/mental-health-substance-use/mental-health-substance-use-resources/find-your-local-mental-health-or-behavioral-health-authority>
- District [resources](#)

Policies and Procedures that Promote Student Physical and Mental Health (All Grade Levels)

The District has adopted Board policies that promote student physical and mental health. (LOCAL) policies on the topics below can be found in the District's [policy manual](#).

- Food and nutrition management: CO, COA, COB
- Wellness and Health Services: FFA
- Physical Examinations: FFAA
- Immunizations: FFAB
- Medical Treatment: FFAC
- Communicable Diseases: FFAD
- School-Based Health Centers: FFAE
- Care Plans: FFAF
- Crisis Intervention: FFB
- Trauma-informed Care: FFBA
- Student Support Services: FFC
- Student Safety: FFF
- Child Abuse and Neglect: FFG
- Freedom from Discrimination, Harassment, and Retaliation: the FFH
- Freedom from Bullying: FFI

The District has developed administrative procedures as necessary to implement the above policies and plans.

For further information regarding these procedures and access to the [District Improvement Plan](#), please contact your campus principal.

School Safety and Health Advisory Council (SSHAC) (All Grade Levels)

During the preceding school year, the District's School Safety and Health Advisory Council (SSHAC) held five meetings. Notification of upcoming SSHAC meetings will be posted at each campus administrative office at least 72 hours before the meeting. Additional information regarding the District's SSHAC, including notification of upcoming SHAC meetings, meeting minutes, and a recording of each meeting, is available on the [District's website](#).

[See **Human Sexuality Instruction** and policies BDF and EHAA. for more information.]

Eanes Independent School District 2026-27 Student Handbook

Student Wellness Policy/Wellness Plan (All Grade Levels)

To encourage healthy habits in our students, the District has developed a Board-adopted wellness policy at FFA(LOCAL) and corresponding plans and procedures to implement it. You are encouraged to contact Matt Zemo, Chief of Student Services , at mzemo@eanesisd.net or Laurie Lee, Chief Human Resources Officer, at lllee@eanesisd.net with questions about the content or implementation of the District's wellness policy and plan.

Homework (All Grade Levels)

Students will receive homework assignments at the teacher's discretion. Specific homework policies are outlined in the District's grading guidelines for each level. Parents are asked to help their child by providing the time, place, cooperation, and encouragement to complete assignments. Students should be reminded to take their books, supplies, and work to school each day. To promote responsibility, students are generally not allowed to call home for forgotten work or books.

For more information regarding the District's grading guidelines, including homework, please see Administrative Regulations EIA, "Mastery Learning and Grading – Elementary" and "Mastery Learning and Grading – Secondary", included at the end of this Handbook.

No Homework Nights

The goal of No Homework Nights is to reduce stress on students and families, and to the extent practicable, allow students to engage religious or cultural celebrations with their family without homework. They provide an opportunity to do something special as a family without having to worry about any children having homework.

The following guidelines apply:

1. No homework may be given on a No Homework Night including daily assignments and studying for quizzes or tests.
2. "Double homework" is not allowed including:
 - a. Double homework assigned the day before a No Homework Night
 - b. Double homework assigned the day of a No Homework Night that is due two days later
 - c. Double homework assigned the day after a No Homework Night
3. No tests or quizzes should be scheduled the day after a No Homework Night.
4. If a No Homework Night is on a Friday, the No Homework restriction applies to the entire weekend. There can be no assignments due on the following Monday and no tests or quizzes can be given on the following Monday.

Law Enforcement Agencies (All Grade Levels)

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, including without parental consent, if necessary, if it is part of a child abuse investigation. In other circumstances, the principal will:

- Verify and record the identity of the officer or other authority and ask for an explanation of the need to question the student at school

Eanes Independent School District 2026-27 Student Handbook

- Ordinarily make reasonable efforts to notify the parents, unless the interviewer raises what the principal considers to be a valid objection
- Ordinarily be present for the questioning or interview, unless the interviewer raises what the principal considers to be a valid objection

Students Taken into Custody

State law requires the District to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court
- To comply with the laws of arrest
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision
- By a law enforcement officer to obtain fingerprints or photographs for comparison in an investigation
- By a law enforcement officer to obtain fingerprints or photographs to establish a student's identity where the child may have engaged in conduct indicating a need for supervision, such as running away
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court
- By an authorized representative of Child Protective Services (CPS), Texas Department of Family and Protective Services (DFPS), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety
- To comply with a properly issued directive from a juvenile court to take a student into custody

Before a student is released to a legally authorized person, the principal will verify the person's identity and, to the best of his or her ability, will verify the person's authority to take custody of the student.

The principal will immediately notify the superintendent and will attempt to notify the parent, unless the legally authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student's release to a legally authorized person, any notification will most likely be after the fact.

Notification of Law Violations

The District is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been taken into custody, arrested, or referred to the juvenile court for any felony offense or for certain misdemeanors
- All instructional and support personnel who have regular contact with a student who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors that occur in school, on school property, or at a school-sponsored or school-related activity on or off school property. These personnel will also be notified if the principal has reasonable grounds to believe the student has engaged in certain conduct

All appropriate District personnel regarding a student who is required to register as a sex offender

[See policy GRAA(LEGAL) for more information.]

Leaving Campus (All Grade Levels)

Student attendance is crucial. Appointments should be scheduled outside of school hours if possible. Except for extenuating circumstances, students will not regularly be released before the end of the school day.

State rules require that parental consent be obtained before any student is allowed to leave campus for any part of the school day. The District has put the following procedures in place to document parental consent:

- For students in elementary and middle school, a parent or authorized adult must come to the office and show identification to sign the student out. A campus representative will ask the student to report to the office. For safety purposes and stability of the learning environment, we cannot allow any unescorted adult to go to the classroom or other area to pick up the student. If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student's return. Documentation regarding the reason for the absence will also be required.
- For students in high school, the same process will be followed if a parent picks the student up from campus. If the student's parent will authorize the student to leave campus unaccompanied, a note or email provided by the parent must be submitted to the attendance office in advance of the absence, no later than two hours prior to the student's need to leave campus. A phone call received from the parent may be accepted, but the school will ultimately require a note or email to be submitted for documentation purposes. Once the office has received information that the student's parent consents to the student leaving campus, a pass will be issued to the student to hand to his or her teacher with the necessary information. The student must sign out through the main office and sign in upon his or her return, if the student returns the same day. If a student is 18 years of age or is an emancipated minor, the student may produce a note on his or her own behalf. Documentation regarding the reason for the absence will be required.
- If a student becomes ill during the school day and the school nurse or other District personnel determines that the student should go home, the nurse will contact the student's parent and document the parent's wishes regarding release from school. Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures as listed above. If a student is allowed to leave campus by himself or herself, as permitted by the student's parent, or if the student is age 18 or is an emancipated minor, the nurse will document the time of day the student was released. Under no circumstances will a student in elementary or middle school be released unaccompanied by a parent or adult authorized by the parent.

During Lunch (Grades 9-12)

Seniors will be allowed to leave campus for lunch unless they lose this privilege. Students in grades 9-11 are not allowed to leave campus during lunch. Seniors who take underclassmen away from campus during lunch will be subject to disciplinary action. Any underclassmen leaving the campus without permission will be subject to disciplinary action. A parent may come to the school and properly check out his/her student for lunch. Parents cannot send notes or call the school to allow their child to leave for lunch. Parents are not allowed to take a student who is not their child out for lunch.

Eanes Independent School District 2026-27 Student Handbook

At Any Other Time during the School Day – Closed Campuses

Students are not authorized to leave campus during regular school hours for any other reason, except with the permission of the principal.

Both middle schools as well as the high school are closed campuses during the school day. Except for seniors being allowed to leave campus for lunch, students may not leave a campus without checking out through the attendance office. Failure to check out properly will result in disciplinary action being taken against the student.

Students who leave campus in violation of these rules will be subject to disciplinary action in accordance with the Student Code of Conduct.

Lost and Found (All Grade Levels)

A lost and found collection is in a designated area on each campus. A student who loses an item should check the lost and found. The District discourages bringing personal items of high monetary value to school, as the District is not responsible for lost or stolen items. The campus will dispose of lost and found items at the end of each semester.

Makeup Work

Makeup Work Because of Absence (All Grade Levels)

A teacher may assign makeup work to a student who misses class based on instructional objectives and the needs of the student in mastering the essential knowledge and skills or meeting subject or course requirements.

The student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.

The student is encouraged to speak with his or her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any makeup work. Please remember the importance of student attendance at school. With limited exceptions, all absences count for the 90 percent threshold set in state law regarding attendance for credit or final grade. [See **Attendance for Credit or Final Grade.**]

A student will be permitted to make up tests and turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with timelines approved by the principal and previously communicated to students.

Disciplinary Alternative Education Program (DAEP) Makeup Work

If a high school student is enrolled in a foundation curriculum course at the time of removal to a disciplinary alternative education program (DAEP), the student will have an opportunity to complete the course before the beginning of the next school year. The District may provide the opportunity to complete the course through an alternative method, including a correspondence course, another distance learning option, or summer school. The District will not charge the student for any method of completion provided by the District. [See policy FOCA(LEGAL) for more information.]

Eanes Independent School District 2026-27 Student Handbook

In-School Suspension (ISS) and Out-of-School Suspension (OSS) Makeup Work (All Grade Levels)

Alternative Means to Receive Coursework

While a student is in ISS or OSS, the District will provide the student with all course work for the student's foundation curriculum classes that the student misses because of the suspension.

Opportunity to Complete Courses

A student removed from the regular classroom to ISS or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The District may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The District will not charge the student for any method of completion provided by the District. [See policy FO(LEGAL) for more information.]

Nondiscrimination Statement (All Grade Levels)

In its efforts to promote nondiscrimination and as required by law, the District does not discriminate on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law in providing education services, activities, and programs, including Career and Technical Education (CTE) programs.

The District provides equal access to the Boy Scouts and other designated youth groups.

In accordance with Title IX, the District does not and is required not to discriminate on the basis of sex and prohibits sex discrimination in its educational programs or activities. The requirement not to discriminate extends to admission and employment. Inquiries about the application of Title IX may be referred to the District's Title IX Coordinator (see below), to the US Department of Education's Office for Civil Rights, or both.

Other federal laws that prohibit discrimination include Title VI, Section 504, the Age Discrimination Act, the Boy Scouts Act, and Title II.

The District's nondiscrimination policy and grievance procedures are in policy [FFH](#) of policies in the District's policy manual.

The District has designated and authorized the following employee as the Title IX Coordinator to address student concerns or inquiries regarding discrimination on the basis of sex, including sexual harassment, sexual assault, dating violence, domestic violence, stalking, or

sex-based harassment:

Heidi Sauer, Director of Counseling
601 Camp Craft Road Austin, TX 78746
hsauer@eanesisd.net, (512) 732-9020

Reports can be made at any time and by any person, including during non-business hours, by mail, phone, or email. During District business hours, reports may also be made in person. Upon the District receiving notice or an allegation of sex-based harassment, the Title IX Coordinator will promptly respond in accordance with the process described in policy [FFH](#).

The following District representatives have been designated to address student concerns or inquiries about other kinds of discrimination:

Eanes Independent School District 2026-27 Student Handbook

For concerns regarding student discrimination on the basis of disability, see

Emily Dunlap, Director of Special Education
401 Camp Craft Road, Austin, TX 78746
edunlap@eanesisd.net

Allison Key, Director of Student Support Services
401 Camp Craft Road, Austin, TX 78746
akey@eanesisd.net, (512) 732-9020

For concerns regarding discrimination on the basis of disability for facilities:

Dr. Miguel Garcia, Executive Director of Operations, Facilities, and Construction,
4300 Westbank Drive Unit 2, Austin, TX 78746
mgarcia6mgarcia6@eanesisd.net, (512)732-9040

For all other concerns regarding discrimination:

Kirk Koennecke, Superintendent,
401 Camp Craft Road, Austin, TX 78746
kkoennecke@eanesisd.net, (512) 732-9000

[See policies FB, FFH, and GKD for more information.]

Parent and Family Engagement (All Grade Levels)

Parental Rights and Options

State law provides that a parent has the right to direct the moral and religious training of the parent's child, make decisions concerning the child's education, and consent to medical, psychiatric, and psychological treatment of the child without obstruction or interference from a governmental entity of Texas, including a school district.

In addition to referring to the rights of parents, including the right to withhold consent for or exempt the parent's child from certain activities and instruction specified throughout this handbook.

Working Together

Experience and research tell us that a child succeeds in education with good communication and a strong partnership between home and school. A parent's involvement and engagement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child daily to make the most of the educational opportunities the school provides
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn
- Becoming familiar with all your child's school activities and with the academic programs, including special programs, offered in the District
- Discussing with the school counselor or principal any questions you may have about the options and opportunities available to your child

Eanes Independent School District 2026-27 Student Handbook

- Reviewing the requirements and options for graduation with your child in middle school and again while your child is enrolled in high school
- Monitoring your child's academic progress and contacting teachers as needed [See **Academic Counseling**.]
- Attending scheduled conferences and requesting additional conferences as needed. The district will provide at least two opportunities for in-person conferences during each school year for each parent of a child enrolled in the district with the child's teachers to schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call or email for an appointment [See **Report Cards/Progress Reports and Conferences**.]
- Becoming a school volunteer [See **Volunteers** and policy GKG for more information.]
- Participating in campus parent organizations such as PTA, PTO or Booster Clubs.
- Serving as a parent representative on the District-level or campus-level planning committees that develop educational goals and plans to improve student achievement [See policies BQA and BQB, for more information.]
- Serving on the School Safety and Health Advisory Council (SSHAC) and assisting the District in aligning local community values with health education instruction, human sexuality instruction, instruction on prevention of child abuse, family violence, dating violence, and sex trafficking, and other wellness issues [See **School Health Advisory Council (SHAC)** and policies BDF, EHAA, FFA for more information.]
- Being aware of the school's ongoing bullying and harassment prevention efforts
- Contacting school officials if you are concerned with your child's emotional or mental well-being.
- Attending [Board meetings](#) to learn more about District operations. See the website for the date, start time and location. An agenda for a regular or special meeting is posted no later than 3 business days before each meeting.
- Reviewing [District Improvement and Parent and Family Engagement Plans](#)

Parking and Parking Permits (Secondary Grade Levels Only)

Individual [parking](#) will be made available to as many students as possible. A student must present a valid driver's license and proof of insurance to be eligible for a parking permit.

Students must display a parking permit to park on WHS property during the school day. Students who have been issued a parking permit must properly display it in the front windshield. Improperly displayed permits are invalid.

Students will not be permitted to:

- Speed
- Double-park
- Park across a white or yellow line
- Park in a fire lane
- Park in non-designated spots
- Park in posted visitor or staff areas at any time

The District may tow cars that are parked in violation of these rules.

Drivers are expected to comply with all speed and parking zones. Violators of traffic and/or parking regulations are subject to disciplinary action, including loss of parking privileges, fines, booting and/or towing at the owner's expense. Reckless driving on public roads bordering WHS will result in disciplinary action.

Permits and Costs

Eanes Independent School District 2026-27 Student Handbook

Students will be issued parking permits under these conditions:

1. Eligible grade classification
2. No financial or community service obligations
3. Purchase requirements for parking permit: current, valid Texas driver's license, proof of insurance on vehicle and driver, completed online WHS Parking Agreement

Seniors purchasing a parking permit will be assessed a fee of \$150.00 for a full year.

Juniors purchasing a parking permit will be assessed a fee of \$40 for a quarter. More than one quarter is not guaranteed.

Parking permits are non-transferable.

Pledges of Allegiance and a Minute of Silence (All Grade Levels)

Each school day, students will recite the Pledge of Allegiance to the U.S. flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See **Reciting the Pledges to the U.S. and Texas Flags.**]

State law requires that one minute of silence follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others.

In addition, state law requires that each campus provide for the observance of one minute of silence in remembrance of those who lost their lives on September 11, 2001, at the beginning of the first class period when September 11 falls on a regular school day.

[See policy EC for more information.]

Prayer (All Grade Levels)

Each student has a right to pray individually, voluntarily, and silently or to meditate in school in a manner that does not disrupt school activities. The school will not, require, or coerce a student to engage in or refrain from such prayer or meditation during any school activity.

Private Spaces

In accordance with law, the district shall designate each multiple-occupancy private space in a building the district owns, operates, or controls for use only by individuals of one sex. Multiple-occupancy private space means a facility designed or designated for simultaneous use by more than one individual and in which an individual may be in a state of undress in the presence of another individual, regardless of whether the facility provides curtains or partial walls for privacy. The term includes a restroom, locker room, changing room, or shower room.

Promotion and Retention

A student will be promoted only on the basis of academic achievement or demonstrated proficiency in the grade level or subject matter of the course. In making promotion decisions, the District will consider:

- Teacher recommendation
- Grades
- Scores on criterion-referenced or state-mandated assessments
- Any other necessary academic information as determined by the District.

Eanes Independent School District 2026-27 Student Handbook

Elementary and Middle School Grade Levels – Promotion

In kindergarten-grade 2, promotion to the next grade level shall be based on assessment methods other than numerical scores. If the assessment standard is not met, the teacher shall consult with the counselor, principal, and parent in formulating a recommendation for retention. If no consensus is reached, the decision regarding academic retention is made by the principal.

In grades 3-5, promotion to the next grade level shall be based on an overall average of 70 or above, on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills), which is derived by averaging the final numerical grades for language arts, mathematics, social studies, and science. In addition, students shall attain an average of 70 or above in language arts and mathematics.

In grades 6-8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in language arts, mathematics, science, and social studies.

High School Grade Levels – Promotion

To earn credit in a course, a student must receive a grade of at least 70 based on course-level standards.

A student in grades 9–12 will be advanced a grade level based on the number of course credits earned. [See **Grade Level Classification**.]

Repeating Kindergarten-Grade 8 at Parent Request

A parent may request in writing that a student repeat kindergarten, or any grade in grade 1-8. Before granting the request, the District may convene a retention committee to meet and discuss the request and will invite the parent to participate.

Repeating a High-School Credit Course

A parent may request in writing that a student repeat a high-school credit course in which the student was enrolled during the previous school year unless the District determines that the student has met all requirements for graduation.

Before granting the request, the District may convene a retention committee to meet and discuss the request and will invite the parent to participate.

Only the student's first passing grade will be included in the calculation of class ranking.

Release of Students from School

[See **Leaving Campus**.]

Remote Instruction

The District may offer remote instruction in accordance with TEA guidelines and state laws/orders.

All District policies, procedures, guidelines, rules, and other expectations of student behavior will be enforced as applicable in a remote or virtual learning environment.

Report Cards/Progress Reports and Conferences (All Grade Levels)

Report cards with each student's performance and absences in each class or subject are issued at least once every nine weeks.

Eanes Independent School District 2026-27 Student Handbook

The District uses an electronic program to communicate academic information about your child, including for report card and progress reporting purposes. Please see your campus principal if you have any questions.

During the fourth week of a nine-week grading period, parents will receive a progress report if their child's performance in any course/subject area is below the expected level of performance. If a student receives a grade lower than 70 in any class or subject at the end of a grading period, teacher will notify parents of the nature of the performance concerns, and parents are encouraged to schedule a meeting with the teacher.

Teachers follow grading guidelines that have been approved by the superintendent pursuant to the Board-adopted policy. Grading guidelines are designed to reflect each student's relative mastery of each assignment. State law provides that a test or course grade issued by a teacher cannot be changed unless the Board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the District's grading policy. [See **Grading Guidelines** and policy EIA(LOCAL) for more information.]

Questions about grade calculation should first be discussed with the teacher. If the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG(LOCAL).

The report card or unsatisfactory progress report will state whether tutorials are required for a student who receives a grade lower than 70.

The District may communicate academic information about a student electronically, including for progress reporting purposes. An electronic signature will be accepted by the District, but parents are entitled to request a handwritten signature of acknowledgment instead.

Secondary

Secondary schools will adhere to the Texas Education Agency guidelines in relation to curriculum offerings, sequence of courses, and amount of time of instruction per subject. Report cards with each student's grades and absences in each class are issued each nine weeks. State law mandates that a three-week progress report be sent home if a student is experiencing academic difficulty. The campus policy has defined "academic difficulty" as a grade of 75 or below. Parents should not wait for progress reports to be posted in Family Access if they feel their student is not being successful. In such cases, a parent-teacher conference should be scheduled. Please check the school's website or the District calendar for specific dates when report cards and progress reports will be posted.

The primary purpose for grading is communication. Every effort will be made to grade in a manner that will assist the student and his parents or guardians in understanding the progress in a course. The grades will be recorded as a numerical average on all records and report cards. See teacher syllabus for specific grading system.

Achievement Grades

90-100	Superior
80-89	Good
75-79	Average
70-74	Passing
0-69	Failing

Eanes Independent School District 2026-27 Student Handbook

I Temporarily Incomplete (Assignments missing due to excused absences)

If a student has incomplete or missing work at the end the nine weeks, the teacher will certify a grade based on completed work. The student will have one-day make-up for every day missed due to funded absences to complete the work. Funded absences and unfunded absences with parent permission will be graded at 100%, and trancies at 0%. Extensions to the one-day absence rule may be approved by an ARD or 504 Committee or by a teacher, department supervisor and counselor agreement. If the work is not completed within the allotted time, the original nine weeks grade will become official.

Examinations covering a semester of work will be given at the end of each semester. Curriculum will not be included on the final on which the student has not been previously tested. Semester exams must be administered according to the schedule established by the administration. Without principal approval, teachers are not allowed to alter the semester exam schedule.

If a student earns a fall semester grade of 65 or better in any two-semester course, the student may continue in the spring semester and have the two semesters' grades averaged together. Should the year's average be 70 or better, the student will receive the fall and spring credits for the course. A failing spring semester grade will not be averaged with the fall semester grade for credit. To be eligible for averaging, the two semesters must be taken during the same school year. Grades earned through summer school, correspondence courses, and credit-by-exam will not be used for averaging with a semester grade of 65 or higher to earn credit for the full course.

Retaliation

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

Safe Storage of Firearms

A firearm should be stored unloaded in a safe or locked container, with ammunition stored elsewhere.

It is unlawful to store, transport, or abandon an unsecured firearm in a place where children are likely to be and can obtain access to the firearm. Under the Penal Code, a person commits the offense of making a firearm accessible to a child if the child gains access to a readily dischargeable firearm, and the person with criminal negligence:

- Failed to secure the firearm; or
- Left the firearm in a place to which the person knew or should have known the child would gain access

The penalty for allowing a child access to a firearm can range from a Class C misdemeanor (punishable by a \$500 fine) to a Class A misdemeanor (punishable by a \$4000 fine, a year in jail, or a combination of the two).

Safety (All Grade Levels)

Student safety on campus, at school-related events, and in District vehicles is a high priority of the District. Although the District has implemented safety protocols, the cooperation of students is essential to ensuring school safety. A student is expected to:

- Avoid conduct that is likely to put the student or others at risk
- Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, campus behavior coordinator, teachers, or bus drivers
- Help secure the campus by keeping all exterior doors closed, latched, and locked unless the door is actively monitored by a District employee

Eanes Independent School District 2026-27 Student Handbook

- Follow instructions from teachers and other District employees regarding classroom doors
- Remain alert to any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member, and promptly report any incidents to a District employee. A student may make anonymous reports about safety concerns by submitting a Westlake Watch report online <https://www.eanesisd.net/district/quick-links>
- Know emergency evacuation routes and signals
- Follow immediately the instructions of teachers, bus drivers, and other District employees who are overseeing the welfare of students

Badges

All students in grades 6–12 will be required to wear a district-issued student ID badge during the school day and when using district transportation. These ID badges serve both as a visual form of identification and as a functional tool to access district transportation, campus resources and facilities.

We are implementing this policy to enhance campus safety by ensuring that only authorized individuals have access to school facilities. Requiring visible ID badges helps staff quickly identify students and distinguish them from visitors or unauthorized individuals, reducing the risk of security breaches.

Students may receive their ID badges during back-to-school activities prior to the first day of school or at designated distribution points during the first week of school. All eligible students will have access to district transportation services regardless of whether they have received their ID badge at the time of transport.

- **Requirement:** Students must wear their official ID badge visibly at all times while on campus, during school hours and when riding district transportation.
- **Placement:** The badge should be worn on a lanyard around the neck or clipped to the upper torso and must remain visible to staff and security personnel throughout the day.
- **Security:** Students may not lend their badge to others. Misuse or tampering may result in disciplinary action. Students should not apply stickers, buttons/pins, write on or alter the image on the ID badge.
- **Replacement:** Lost or damaged badges must be reported immediately via the campus office. A replacement fee of \$10.00 (\$5 each for badge and lanyard) may be applied to the student's Skyward account.

Details regarding the guidelines and discipline can be found online at <https://www.eanesisd.net/dept/tech/student-ids>.

Insurance for Career and Technical Education (CTE) Programs

If the Board purchases accident, liability, or automobile insurance coverage for students or businesses involved in the District's CTE programs, the District will notify the affected students and parents.

Eanes Independent School District 2026-27 Student Handbook

Preparedness Drills: Evacuation, Severe Weather, and Other Emergencies

Periodically, the school will conduct preparedness drills of emergency procedures. When the command is given or alarm is sounded, students need to follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Preparedness Training: CPR, AED, and Stop the Bleed

The District will offer instruction in CPR and the use of an automated external defibrillator (AED) at least once to students enrolled in grades 7–12. The instruction can be provided as part of any course and is not required to result in CPR or AED certification.

The District will annually offer students in grades 7–12 instruction on the use of bleeding control stations to respond to traumatic injury. For more information, see [Homeland Security's Stop the Bleed](#) and [Stop the Bleed Texas](#).

Emergency Medical Treatment and Information

All parents are asked each year to complete a medical care authorization form, providing written parental consent to obtain emergency treatment and information about allergies to medications or drugs. Parents should contact the school nurse to update emergency care information (name of doctor, emergency phone numbers, allergies, etc.).

The District may consent to medical treatment, which includes dental treatment, if necessary, for a student if:

- The District has received written authorization from a person having the right to consent
- That person cannot be contacted
- That person has not given the District actual notice to the contrary

The emergency care authorization form will be used by the District when a student's parent or authorized designee cannot be contacted. A student may provide consent if authorized by law or court order.

Regardless of parental authorization for the District to consent to medical treatment, District employees will contact emergency medical services to provide emergency care when required by law or when deemed necessary, such as to avoid a life-threatening situation.

Emergency School Closing Information

Each year, parents are asked to complete an emergency release form to provide contact information in case the District needs to notify parents of early dismissal, delayed opening, or restricted access to a campus because of severe weather, a security threat, or another emergency cause.

The District will rely on contact information on file to communicate with parents in an emergency situation, which may include real-time or automated messages. It is crucial to notify your child's school when a phone number changes. State law requires parents to update contact information within two weeks after the date the information changes.

If the campus must close, delay opening, or restrict access to the building because of an emergency, the District will also alert the community in the following ways: ParentSquare, emergency notification system, social media, and District and campus websites. In addition, local media will be notified.

[See **Communications-Automated, Emergency**.]

Eanes Independent School District 2026-27 Student Handbook

SAT, ACT, and Other Standardized Tests

[See **Standardized Testing**.]

School Facilities

Asbestos Management Plan (All Grade Levels)

The District works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the District's asbestos management plan is available in the central administrative office. If you have any questions or would like to examine the District's plan in more detail, please contact 512-732-9040.

Food and Nutrition Services (All Grade Levels)

The District offers students nutritious and delicious food throughout the day at each campus. This includes daily breakfast and lunch.

Some students are eligible for free and reduced-price meals based on financial need. Information about a student's participation is confidential. The District may share information such as a student's name and eligibility status to help enroll eligible children in Medicaid or the state children's health insurance program (CHIP) unless the student's parent requests the student's information not be disclosed.

Participating students will be offered the same meal options as their peers and will not be treated differently from their peers, nor will they be identified as receiving free or reduced meals.

Families who wish to apply for [free or reduced meals](#) must do so online.

To obtain account balances, refunds, etc., please contact the Child Nutrition Manager at your campus. For other needs, please contact: Child Nutrition at 512-732-9060 or email eisdchildnutrition@eanesisd.net

[See policy COB for more information.]

Parents should continually monitor their child's meal account balance. This can be done through the [LINQ Connect Portal](#). When a student's meal account is exhausted or insufficient the District will notify the parent. The student may continue to purchase meals according to the grace period set by the school Board. However, if the account is negative, the student will not be allowed to purchase a la carte items. When the account becomes negative, the District will notify the parent by email or phone call and present the parent with a schedule of repayment for any outstanding account balance and the link to apply for free or reduced meals. Automatic low balance warnings can be set in the [LINQ Connect Portal](#) and automatic account reload payments can be setup in the [online student store](#).

If the District is unable to work out an agreement with the student's parent on replenishment of the meal account and payment of any outstanding balance, the student will still receive a meal. The District will make every effort to avoid bringing attention to the student.

The following information is published as required by the USDA for participation in the National School Lunch Program: "In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity. "Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's

Eanes Independent School District 2026-27 Student Handbook

TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

“To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW Washington, D.C. 20250-9410; or
2. fax: (833) 256-1665 or (202) 690-7442; or
3. email: Program.Intake@usda.gov “This institution is an equal opportunity provider.”

The responsible state agency that administers the program is the Texas Department of Agriculture (<https://www.texasagriculture.gov/Home/ContactUs>), which can be reached at (800) TELL-TDA (835-5832) or (800) 735-2989 (TTY).

The local agency that administers the program is the district. **[See Nondiscrimination Statement (All Grade Levels)]** for the name and contact information for the Title IX coordinator, ADA/Section 504 coordinator, and superintendent for other concerns about discrimination.] [See policy COB for more information.]

Vending Machines (All Grade Levels)

The District has adopted and implemented the state and federal policies for food service, including guidelines to restrict student access to vending machines. For more information regarding these policies and guidelines, please contact Richard Mallard, Director of Child Nutrition, (512) 732-9060, rmallard@eanesisd.net.

[See policy FFA for more information.]

Pest Management Plan (All Grade Levels)

The District is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the District strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, periodic indoor and outdoor pesticide use is sometimes necessary to ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the U.S. Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area.

Parents who have questions or who want to be notified of the times and types of applications prior to pesticide application inside their child's school assignment area may call 512-732-9040.

Conduct Before and After School (All Grade Levels)

Teachers and administrators have full authority over student conduct at before- or after-school activities. Whether a school activity is on or off District premises, students must follow the same rules of conduct that apply during the instructional day. Misbehavior will be subject to

Eanes Independent School District 2026-27 Student Handbook

consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

Library (All Grade Levels)

The library is an integral part of the instructional program at every grade level in the District.

The District provides a wide range of library materials for students and faculty that support student achievement and present varying levels of difficulty, diversity of appeal, and a variety of points of view. The District follows the Texas State Library and Archive Commission [standards](#) for school library collection development.

Parents are the primary decision makers regarding their student's access to library material. The District encourages parental involvement in library acquisition, maintenance, and campus activities. Parents are encouraged to communicate with the campus librarian and their child's teacher about special considerations regarding library materials self-selected by their student. A parent may submit to the district a list of library materials that their child may not be allowed to check out or otherwise access for use outside of the school library by submitting the list to the campus librarian and/or classroom teacher.

A parent can access the school's [library catalog](#) online. A parent who wants to access to the school's library should submit a request to the principal.

The district welcomes student and parent feedback on library materials and services. Parents may contact the campus librarian with questions or comments about their child's campus library. A district employee, parent, or person residing in the district may submit a written challenge to the inclusion of any library material in the catalog of the school library by submitting the form available on the district's website.

Use of Hallways during Class Time (All Grade Levels)

During class times, loitering or standing in the halls is not permitted, and a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

Use by Students Before and After School (All Grade Levels)

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity takes place.

Westlake High School is open to students before school beginning at 7:30 a.m.

Unless the teacher or sponsor overseeing an activity gives permission, a student will not be permitted to go to another area of the building or campus.

Students must leave campus immediately after dismissal of school in the afternoon, unless the student is involved in an activity under the supervision of a teacher or other authorized employee or adult.

Meetings of Non-Curriculum-Related Groups (Secondary Grade Levels Only)

Student-organized, student-led non-curriculum-related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements found in policy FNAB (LOCAL). A list of these groups is available from the office.

Parental consent is required before a student may participate in a student club that is authorized or sponsored by the district. [See **Extracurricular Activities, Clubs, and Organizations (All Grade Levels)**]

Eanes Independent School District 2026-27 Student Handbook

Westlake High School Clubs:

Clubs and activities are open to all enrolled students. Each club must operate under a constitution or a set of by-laws that do not conflict with District policy. A copy of the by-laws must be on file in the principal's office. All activities of the club must be under the supervision of an adult monitor at all times. All meetings, practices, games, and competitions must be held with the monitor present. No club can be organized without the principal's approval. All club members should conduct themselves in a respectable and orderly manner.

While involvement in activities is encouraged, students should not overcommit themselves and should carefully select those organizations in which they would like to join. Student clubs and performing groups such as the band, choir, and drill and athletic teams may establish rules of conduct and consequences for misbehavior that are stricter than those for students in general. A student may be disciplined and have other consequences imposed should there be a violation of both the Student Code of Conduct and a club rule.

There are two types of clubs at WHS. One type of club or activity relates directly to curriculum and instruction and is sanctioned by the school as an official school activity. These include athletics, performing arts groups, National Honor Society, student council, foreign language clubs, publications, and vocational clubs. Members of these clubs may miss school to participate in activities. These clubs have access to the announcements and may get on the fundraising calendar.

The other type of club is a "student interest club." These clubs fall under a legal distinction that allows high schools to operate a "limited open forum." Students can form their own club based on similar interests such as a film club, chess club, outdoors club, ski club, and bowling club and to meet on campus. This practice allows students to share common interests, leadership skills, and to find activities in which to participate. There are restrictions on how these clubs form and interact at WHS. Students must direct and lead these clubs. Membership is open to any interested student enrolled in the District. There must be an adult monitor present at all meetings held on the campus or school property.

The activities of the club may not interfere with the operation of the school. The club must have the approval of the principal and superintendent and may be dissolved by the principal. Students in these clubs do not have access to announcements but may post fliers with approval of the principal. Students in these clubs do not have access to campus funds.

It is important to note that these student interest clubs are not sponsored by the school or the District; the school and District cannot be held liable for any travel, meetings, or accidents that may occur as a result of the activities of a student interest club. Although these clubs have an adult monitor, these monitors are generally not expected to attend any functions away from school premises. For example, a group of students who like to fish may form a fishing club. At their meeting they decide to go fishing next Saturday. While the group meets in the building they are a club. They may talk about experiences, bring in a guest speaker, provide demonstrations, etc. When they decide to go fishing on Saturday and meet at someone's home, the school does not provide transportation, supervision, etc., so it is important to check on the agenda before allowing your student to participate. To form a student interest club, students submit an application, which is available in the office.

School-Sponsored Field Trips (All Grade Levels)

The District periodically takes students on field trips for educational purposes.

A parent must provide permission for a student to participate in a field trip.

Eanes Independent School District 2026-27 Student Handbook

The District may ask the parent to provide information about a student's medical provider and insurance coverage and may also ask the parent to sign a waiver allowing for emergency medical treatment in the case of a student accident or illness during the field trip.

The District may require a fee for student participation in a field trip that is not required as part of a basic educational program or course to cover expenses such as transportation, admission, and meals; however, a student will not be denied participation because of financial need. [See **Fees (All Grade Levels)** for more information.]

The District is not responsible for refunding fees paid directly to a third-party vendor.

Searches and Investigations

Searches in General (All Grade Levels)

In the interest of promoting student safety and drug-free schools, District officials may occasionally conduct searches.

District officials may conduct investigations in accordance with law and District policy and may question students regarding a student's own conduct or the conduct of others. [For questioning of students by law enforcement officials, see **Law Enforcement Agencies (All Grade Levels)**.]

District officials may search students, their belongings, and their vehicles in accordance with law and District policy. Searches of students will be conducted without discrimination, based on, for example, reasonable suspicion or voluntary consent or pursuant to District policy providing for search without suspicion security procedures, including the use of metal detectors.

In accordance with the Student Code of Conduct, students are responsible for prohibited items found in their possession, including items in their personal belongings or in vehicles parked on District property.

If there is reasonable suspicion to believe that searching a student's person, belongings, or vehicle will reveal evidence of a violation of the Student Code of Conduct, a District official may conduct a search in accordance with law and District regulations.

District Property (All Grade Levels)

Desks, lockers, District-provided technology, and similar items are the property of the District and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice. Students have no expectation of privacy related to District property.

Students are responsible for any item found in District property provided to the student that is prohibited by law, District policy, or the Student Code of Conduct.

Metal Detectors (All Grade Levels)

To maintain a safe and disciplined learning environment, the District reserves the right to subject students to metal detector searches when entering a District campus and at off-campus, school-sponsored activities.

Personal Communications and Other Electronic Devices (All Grade Levels)

Use of District-owned equipment and its network systems is not private and will be monitored by the District. [See policy CQ for more information.]

Eanes ISD utilizes Gaggie Safety Management to proactively protect students and ensure their safety and well-being in digital spaces. This digital solution manages student safety on school-provided technology and further promotes student and educator productivity in a safe

Eanes Independent School District 2026-27 Student Handbook

and controlled environment. Eanes ISD utilizes Gagggle to have the ability to analyze emails between student and staff for inappropriate behavior as well as identify potential serious situations such as self-harm, cyberbullying, substance abuse, threats and more.

Any searches of personal electronic devices will be conducted in accordance with law, and the device may be confiscated to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

[See **Electronic Devices and Technology Resources** and policy FNF(LEGAL) for more information.]

Trained Dogs (All Grade Levels)

The District may use trained dogs to screen for concealed, prohibited items, including drugs. Screenings conducted by trained dogs will not be announced in advance. The dogs will not be used with students, but students may be asked to leave personal belongings in an area that is going to be screened, such as a classroom, a locker, or a vehicle. If a dog alerts to an item or an area, it may be searched by District officials.

Vehicles on Campus (Grades 9-12)

If a vehicle subject to search is locked, the student will be asked to unlock the vehicle. If the student refuses, the District will contact the student's parents. If the parents also refuse to permit the vehicle to be searched, the District may turn the matter over to law enforcement. The District may contact law enforcement even if permission to search is granted.

Sexual Harassment

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

Special Programs (All Grade Levels)

The District provides special programs for gifted and talented students, students who are homeless, students in foster care, migrant students, emergent bilingual students, students diagnosed with dyslexia, and students with disabilities. The coordinator of each program can answer questions about eligibility requirements, as well as programs and services offered in the District or by other organizations. A student or parent with questions about these programs should contact Matt Zemo, Chief of Student Support mzemo@eanesisd.net, (512) 732-9021.

The Texas State Library and Archives Commission's [Talking Book Program](#) provides audiobooks free of charge to qualifying Texans, including students with visual, physical, or reading disabilities such as dyslexia.

Standardized Testing

SAT/ACT (Scholastic Aptitude Test and American College Test)

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. These assessments are usually taken at the end of the junior year. Students are encouraged to talk with the school counselor early during their junior year to learn about these assessments. The Preliminary SAT (PSAT) and Pre-ACT are the corresponding preparatory and readiness assessments for the SAT and ACT.

Note: These assessments may qualify a student to receive a performance acknowledgment on the student's transcript under the foundation graduation program and may qualify as a substitute for an end-of-course testing requirement in certain circumstances. A student's performance at a

Eanes Independent School District 2026-27 Student Handbook

certain level on the SAT or ACT may make the student eligible for automatic admission to a Texas public institution of higher education.

TSI (Texas Success Initiative) Assessment

Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative (TSI) assessment. The TSI assesses the reading, mathematics, and writing skills that first-year students need to perform effectively as undergraduates in Texas public colleges and universities. This assessment may also be required before a student enrolls in a dual credit course offered through the District. Achieving certain benchmark scores on this assessment may also waive certain end-of-course assessment requirements in limited circumstances.

STAAR (State of Texas Assessments of Academic Readiness)

Grades 3–8

In addition to routine tests and other measures of achievement, students at certain grade levels are required to take the state assessment, called STAAR, in the following subjects:

- Mathematics, annually in grades 3–8
- Reading, annually in grades 3–8
- Science in grades 5 and 8
- Social Studies in grade 8

Standardized Testing for a Student Enrolled Above Grade Level

If a student in grades 3–8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state-mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law.

A student in grades 3–8 shall be assessed at least once in high school with the ACT or the SAT if the student completes the high school end-of-course assessments in mathematics, reading/language arts, or science prior to high school.

High School Courses End-of-Course (EOC) Assessments

End-of-course (EOC) assessments are administered for the following courses:

- Algebra I
- English I and English II
- Biology
- U.S. History

Satisfactory performance on the applicable assessments is required for graduation, unless waived or substituted as allowed by state law and rules.

There are three testing windows during the year in which a student may take an EOC assessment. The windows occur once in the fall, the spring, and the summer. If a student does not meet satisfactory performance, the student will have opportunities to retake the assessment.

Requesting Administration of STAAR/EOC in Paper Format (All Grade Levels)

STAAR and EOC assessments are administered electronically.

A parent or teacher may request that a STAAR or EOC be administered to a student in paper format. The District may grant this request for any single administration for up to three percent of

Eanes Independent School District 2026-27 Student Handbook

the number of students enrolled in the District. Requests will be granted in the order in which they are received.

Requests for paper format for a fall administration of a STAAR or EOC must be submitted no later than September 15 each school year.

Requests for paper format for a spring administration of a STAAR or EOC must be submitted no later than December 1 each school year.

Standardized Testing for a Student in Special Programs

Certain students—some with disabilities and some classified as emergent bilingual students—may be eligible for exemptions, accommodations, or deferred testing.

STAAR Alternate 2 is available for eligible students receiving special education services who meet certain state-established criteria as determined by the student's ARD committee.

An admission, review, and dismissal (ARD) committee for a student in grades 9-12 receiving special education services will determine whether successful performance on the EOC assessments will be required for graduation within the parameters identified in state rules and the student's personal graduation plan (PGP). [See **Graduation (Secondary Grade Levels Only)**.] STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

For more information, see the principal, school counselor, or special education director.

[See **Personal Graduation Plans** for information related to the development of personal graduation plans for high school students.]

Failure to Perform Satisfactorily on a STAAR or EOC Assessment

If a student does not perform satisfactorily on a required state assessment in any subject, the District will provide accelerated instruction for the student in the next school year through one of the following:

- Assigning the student to a teacher who is certified as a master, exemplary, or recognized teacher if one is available in the grade and subject matter of the state assessment on which the student did not perform satisfactorily, or
- Providing supplemental instruction

A student may be required to attend any assigned supplemental instruction program before or after school or during the summer. When a student fails to perform satisfactorily on a required state assessment in the same subject area for two or more years, the District shall develop an accelerated education plan. Parents are encouraged to participate in developing this plan.

Personal Graduation Plan — Middle School Students

For a middle school student who does not perform satisfactorily on a state-mandated examination, a school official will prepare a personal graduation plan (PGP).

School officials will also develop a PGP for a middle school student who is determined by the District to be unlikely to earn a high school diploma within five years of high school enrollment.

The plan will, among other items:

- Identify the student's educational goals
- Address the parent's educational expectations for the student
- Outline an intensive instruction program for the student

Eanes Independent School District 2026-27 Student Handbook

[See the principal and policy EIF(LEGAL) for more information.]

For a student receiving special education services, the student's IEP may serve as the student's PGP and would therefore be developed by the student's ARD committee.

[See **Personal Graduation Plans** for information related to the development of personal graduation plans for high school students.]

Students in Foster Care (All Grade Levels)

To provide educational stability, the District will provide enrollment and registration assistance, as well as other educational services throughout the student's enrollment, to any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state, sometimes referred to as substitute care).

Please contact Heidi Sauer, Director of Counseling, who has been designated as the District's foster care liaison, at hsauer@eanesisd.net or (512) 732-9020.

[See **Students in the Conservatorship of the State.**]

Students Who are Homeless (All Grade Levels)

A parent is encouraged to inform the District if his or her child is experiencing homelessness. District staff can share resources that may be able to assist families.

For more information on services for students who are homeless, contact the District's homeless education liaison, Heidi Sauer, Director of Counseling, at hsauer@eanesisd.net or (512) 732-9020.

[See **A Student Who is Homeless.**]

Student Speakers (Grades 9-12)

Westlake High School provides students the opportunity to introduce these school events:

- Assemblies sponsored by the junior and senior class
- Student Council Elections
- Extracurricular banquets and award ceremonies

Students are eligible to introduce these events if they

1. Are in the highest two grade levels of the school
2. Volunteer
3. Have written parent permission to speak, and
4. Are not in a disciplinary placement at the time of the speaking event

A student who is eligible and wishes to introduce one of the school events listed above should submit his or her name to the principal during the first month of each school year. Volunteers must be affiliated with the class or organization (for example, a member of the junior class or a player on the baseball team). The names of all students who volunteer will be randomly drawn and matched to the event for which the student will give the introduction. If the selected student speaker declines or becomes ineligible, then no student introduction will be made at that event. The selection of students to introduce school events will occur at the start of each semester.

As determined by the principal, students who have been selected for special honors, such as captain of an athletic team, student council officers, class officers, leaders of school-sponsored organizations, homecoming king or queen, or prom king or queen may also address school audiences at designated events.

Eanes Independent School District 2026-27 Student Handbook

[See **Graduation** for information related to student speakers at graduation ceremonies and policy FNA(LOCAL) regarding other speaking opportunities.]

Summer School (All Grade Levels)

If summer school is offered by the District, students may attend this fee-based program to make up failed classes, to strengthen themselves in areas where they are weak, and/or to take courses to get ahead. Summer school grades will not be used to determine class rank or GPA. Summer school offerings will be determined based upon student interest.

Special education services are not available in summer school unless a student meets Extended School Year eligibility requirements; however, reasonable accommodations under Section 504 of the Rehabilitation Act of 1973 will be available.

Further information will be published prior to registration on the campus website.

Tardies (All Grade Levels)

In accordance with campus rules, a student who is tardy (late) to class may be assigned an appropriate consequence.

Textbooks, Electronic Textbooks, Technological Equipment, and Other Instructional Materials (All Grade Levels)

Instructional materials are any resources used in classroom instruction as part of the required curriculum, such as textbooks, workbooks, computer software, or online services.

The District selects instructional materials in accordance with state law and policy EFA.

The District provides approved instructional materials to students free of charge for each subject or class. Students must treat instructional materials with care.

If a student needs a graphing calculator for a course and the District does not provide one, the student may use a calculator application with graphing capabilities on a phone, laptop, tablet, or other computing device.

A student who is issued a damaged item should report the damage to the teacher.

Any student who does not return an item or returns an item in an unacceptable condition loses the right to free textbooks and technological equipment until the item is returned or the damage is paid for by the parent. However, the student will be provided the necessary instructional resources and equipment for use at school during the school day.

Classroom Transfers (All Grade Levels)

The principal is authorized to transfer a student from one classroom to another.

The superintendent is authorized to investigate and approve transfers between schools.

[See **Safety Transfers/Assignments, Bullying, and Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services**, for other transfer options.]

Transportation (All Grade Levels)

School-Sponsored Trips

Students who participate in school-sponsored trips are required to use school-provided transportation to and from the event. However, in accordance with campus procedures, a parent

Eanes Independent School District 2026-27 Student Handbook

may provide written consent for his or her child to ride with or be released after the event to the parent or another adult designated by the parent. [See **School-sponsored Field Trips.**]

Buses and Other School Vehicles

The District makes school bus transportation available to all students living two or more miles from school and to any eligible students who are experiencing homelessness. This service is provided at no cost to students.

Bus routes and stops will be designated annually. Any subsequent changes will be posted on the District's website. For the safety of the driver and all passengers, students must Board District vehicles only at authorized stops and drivers must unload passengers only at authorized stops.

The District has identified the following areas where hazardous traffic conditions and/or unsafe conditions exist for students who live within two miles of the campus:

1. All subdivisions North of Bee Caves Road (RR 2244).
2. All subdivisions South and West of Loop 360 (Capital of Texas Highway.) For students attending Eanes Elementary only, all subdivisions in an area bound on the Southwest and Southeast by Westbank Drive and on the Southwest by Loop 360 (Capital of Texas Highway) and on the Northeast by Bee Caves Road (RR 2244).
3. For Cedar Creek Elementary, the area bounded on the Northwest by Walsh Tarleton Road, on the Northeast by Bee Cave Road, on the Southwest by Loop 360 (Capital of Texas Highway), and on the Southeast by Loop 1.

Because students in these areas might encounter hazardous traffic conditions/and or unsafe conditions when walking to and from school, the District will provide transportation to them.

For information on [bus routes](#) is available online.

A parent may designate a child-care facility or grandparent's residence as the regular pickup and drop-off location for his or her child. The designated location must be an approved stop on an approved route. For information on bus routes and stops or to designate an alternate pickup or drop-off location, contact the Transportation Office at 512-732-9050.

Student Responsibilities on School Buses

Students are expected to assist District staff in ensuring that buses and other District vehicles are clean and safe. When riding in District vehicles, students are held to behavioral standards established in this handbook and the Student Code of Conduct. Students must:

- Follow the driver's directions at all times
- Show SMART Tag as requested
- Enter and leave the vehicle in an orderly manner at the designated stop
- Keep feet, books, instrument cases, and other objects out of the aisle
- Not deface the vehicle or its equipment
- Not put head, hands, arms, or legs out of the window, hold any object out of the window, or throw objects within or out of the vehicle
- Not possess or use any form of tobacco or e-cigarettes in any District vehicle
- Observe all usual classroom rules
- Be seated in assigned seat while the vehicle is moving
- Fasten their seat belts, if available

Eanes Independent School District 2026-27 Student Handbook

- Follow any health and safety rules required by the District
- Wait for the driver's signal upon leaving the vehicle and before crossing in front of the vehicle

At the bus stop:

- o Give yourself plenty of time. Be at your stop at least five minutes before the bus is scheduled to arrive
- o Walk safely. Stay on sidewalks or, if there are none, walk on the left side of the road facing oncoming traffic. Cross streets only at intersections or crosswalk.
- o Wait in an orderly manner – do not get on until the bus has come to a complete stop
- o Follow any other rules established by the operator of the vehicle.

Misconduct will be punished in accordance with the Student Code of Conduct, including loss of the privilege to ride in a District vehicle.

[See the Student Code of Conduct for provisions regarding transportation to the DAEP.]

Vandalism (All Grade Levels)

Littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the Student Code of Conduct.

Video Cameras (All Grade Levels)

For safety purposes, the District uses video and audio recording equipment to monitor student behavior, including on buses and in common areas on campus. Students will not be told when the equipment is being used.

The principal will review the video and audio recordings as needed and document student misconduct. Discipline will be in accordance with the Student Code of Conduct.

In accordance with state law, a parent of a student who receives special education services, a staff member (as this term is defined by law), a principal or assistant principal, or the Board may make a written request for the District to place video and audio recording equipment in certain special education classrooms. The District will provide notice before placing a video camera in a classroom or other setting in which a child receives special education services. For more information or to request the installation and operation of this equipment, contact the principal or Matt Zemo, Chief of Student Services at mzemo@eanesisd.net or (512) 732-9020, who the District has designated to coordinate the implementation of and compliance with this law.

[See policy EHBAF(LOCAL) for more information.]

Visitors to the School (All Grade Levels)

General Visitors

Parents and others are welcome to visit District schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must:

- Request entry to the school at the primary entrance unless otherwise directed by a District employee
- Report to the main office
- Be prepared to show identification and wear a guest nametag for the duration of their visit

Eanes Independent School District 2026-27 Student Handbook

- Exit the school at the primary entrance and leave all exterior doors closed, latched, and locked unless actively monitored by a District employee
- Comply with all applicable District policies and procedures

If requested by a District employee, a visitor must provide identification such as a driver's license, other picture identification issued by a government entity, or employee or student identification issued by the District. A person who refuses to provide identification and who reasonably appears to have no legitimate reason to be on District property may be ejected from District property.

Individuals may visit classrooms during instructional time only with approval of the principal and teacher. Visitors and/or the duration or frequency of visits may not interfere with instruction or disrupt the normal school environment.

All visitors must comply with all applicable District policies and procedures and are expected to demonstrate the highest standards of courtesy, conduct and safety. Disruptive behavior or violations of student privacy will not be permitted.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator or school resource officer (SRO), or District police officer has the authority to refuse entry to or eject a person from District property if the person refuses to leave peaceably on request and:

- The person poses a substantial risk of harm to any person
- The person behaves in a manner that is inappropriate for a school setting and persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection
- A verbal warning and persistent inappropriate behavior are not required for a person serving as a referee, judge, or other official of an extracurricular athletic activity or competition sponsored or sanctioned by the school district or UIL to eject a spectator.

Appeals regarding refusal of entry or ejection from District property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL).

[See the Student Code of Conduct.]

Visitors Participating in Special Programs for Students

Business, Civic, and Youth Groups

The District may invite representatives from patriotic societies listed in Title 36 of the United States Code to present information to interested students about membership in the society. Additionally, the District periodically invites representatives from colleges and universities and other higher education institutions, prospective employers, and military recruiters to present information to interested students.

Volunteers (All Grade Levels)

The District invites and appreciates the efforts of volunteers who are willing to serve our District and students.

If you are interested in volunteering, please contact your campus office staff for more information and to complete an application.

Eanes Independent School District 2026-27 Student Handbook

The District does not require state criminal history background checks for volunteers who are parents, guardians, or grandparents of a child enrolled in the District.

Subject to exceptions in accordance with state law and District procedures, other volunteers will be subject to a state criminal history background check, and the volunteer must pay all costs for the background check.

Voter Registration (Secondary Grade Levels Only)

A student who is eligible to vote in any local, state, or federal election may obtain a voter registration application at the main campus office.

Withdrawing from School (All Grade Levels)

To withdraw a student under age 18 from school, the parent or guardian must submit a written request to the principal specifying the reasons for withdrawal and the final day the student will be in attendance. Withdrawal forms are available from the principal's office.

A student who is age 18 or older, who is married, or who has been declared by a court to be an emancipated minor may withdraw without parental signature.

Please provide the school at least three days' notice of withdrawal so that records and documents may be prepared.

Glossary

Accelerated instruction, including **supplemental instruction**, is an intensive educational program designed to help an individual student acquire the knowledge and skills required at his or her grade level. It is required when a student does not meet the passing standard on a state-mandated assessment. Accelerated instruction may be provided by assigning a student to a classroom teacher who is certified as a master, exemplary, or recognized teacher or by providing supplemental instruction in addition to regular instruction.

ACT, or the American College Test, is one of the two most frequently used college or university admissions examinations. The test may be required for admission to certain colleges or universities. Pre-Act is designed as a preparatory and readiness assessment for the ACT. This is usually taken by students in grade 10.

ARD stands for admission, review, and dismissal. The ARD committee convenes for each student who is identified as needing a full and individual evaluation for special education services. The eligible student and his or her parents are members of the committee.

Attendance review committee is responsible for reviewing a student's absences when the student's attendance drops below 90 percent, or in some cases 75 percent, of the days the class is offered. Under guidelines adopted by the Board, the committee will determine whether there were extenuating circumstances for the absences and whether the student needs to complete certain conditions to master the course and regain credit or a final grade lost because of absences.

CPS stands for Child Protective Services.

DAEP stands for disciplinary alternative education program, a placement for students who have violated certain provisions of the Student Code of Conduct.

DFPS stands for the Texas Department of Family and Protective Services.

DPS stands for the Texas Department of Public Safety.

DSHS stands for the Texas Department of State Health Services.

ED stands for the U.S. Department of Education.

Emergent bilingual student refers to a student of limited English proficiency. Other related terms include English learner, English language learner, and limited English proficient student.

EOC (end-of-course) assessments are state-mandated and are part of the STAAR program. Successful performance on EOC assessments in English I, English II, Algebra I, Biology, and U.S. History is required for graduation.

ESSA is the federal Every Student Succeeds Act.

FERPA refers to the federal Family Educational Rights and Privacy Act, which grants specific privacy protections to student records. The law contains certain exceptions, such as for directory information, unless a student's parent or a student 18 years of age or older directs the school not to release directory information.

IEP stands for individualized education program and is the written record prepared by the ARD committee for a student with disabilities who is eligible for special education services.

Eanes Independent School District 2026-27 Student Handbook

IGC is the individual graduation committee, formed in accordance with state law, to determine a student's eligibility to graduate when the student has failed to demonstrate satisfactory performance on no more than two of the required state assessments.

ISS refers to in-school suspension, a disciplinary technique for misconduct found in the Student Code of Conduct. Although different from out-of-school suspension and placement in a DAEP, ISS removes the student from the regular classroom.

PGP stands for personal graduation plan, which is required for high school students and for any student in middle school who fails a section on a state-mandated test or is identified by the District as not likely to earn a high school diploma before the fifth school year after he or she begins grade 9.

PSAT is the preparatory and readiness assessment for the SAT. It also serves as the basis for the awarding of National Merit Scholarships.

Safe and Supportive School Team is a team established at each campus that is responsible for conducting a threat assessment regarding individuals who make threats of violence or exhibit harmful, threatening, or violent behavior and determining appropriate intervention, and providing guidance to students and school employees on recognizing harmful, threatening, or violent behavior that may pose a threat to the community, school, or individual.

SAT refers to the Scholastic Aptitude Test, one of the two most frequently used college or university admissions examinations. The test may be required for admissions to certain colleges or universities.

SSHAC stands for School Safety and Health Advisory Council, a group of at least five members, a majority of whom must be parents, appointed by the school Board to help ensure that local community values and health issues are reflected in the District's health education instruction, as well as assist with other student and employee wellness issues.

Section 504 is the federal law that prohibits discrimination against a student with a disability, requiring schools to provide opportunities for equal services, programs, and participation in activities. Unless the student is determined to be eligible for special education services under the Individuals with Disabilities Education Act (IDEA), general education with appropriate instructional accommodations will be provided.

STAAR is the State of Texas Assessments of Academic Readiness, the state's system of standardized academic achievement assessments.

STAAR Alternate 2 is an alternative state-mandated assessment designed for students with severe cognitive disabilities receiving special education services who meet the participation requirements, as determined by the student's ARD committee.

STAAR Spanish is an alternative state-mandated assessment administered to eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

State-mandated assessments are required at certain grade levels and in specified subjects. Except under limited circumstances, students must pass the STAAR EOC assessments to graduate. Students have multiple opportunities to take the tests, if necessary, for graduation.

Student Code of Conduct is developed with the advice of the District-level committee and adopted by the Board and identifies the circumstances, consistent with law, when a student may be removed from a classroom, campus, or District vehicle; sets out the conditions that authorize

Eanes Independent School District 2026-27 Student Handbook

or require the principal or another administrator to place the student in a DAEP; and outlines conditions for out-of-school suspension and for expulsion. The Student Code of Conduct also addresses notice to the parent regarding a student's violation of one of its provisions.

TAC stands for the Texas Administrative Code.

TEA stands for the Texas Education Agency, which oversees primary and secondary public education in Texas.

TELPAS stands for the Texas English Language Proficiency Assessment System, which assesses the progress that emergent bilingual students make in learning the English language and is administered for those who meet the participation requirements in kindergarten-12.

TSI stands for the Texas Success Initiative, an assessment designed to measure the reading, mathematics, and writing skills that entering college-level freshmen students should have if they are to be successful in undergraduate programs in Texas public colleges and universities.

UIL refers to the University Interscholastic League, the statewide, voluntary nonprofit organization that oversees educational extracurricular academic, athletic, and music contests.
